APPENDIX 5 - REPRESENTATIONS

Dear Sir/Madam,

Premises License Application: 3-5 Tempest Road, Seaham

By good fortune I have been made aware of the above application. I have not been able to access or been able to view specific details but was informed that every regulated activity listed on the application form has been applied for.

I live next door to the applicant, in the end terrace house of consisting of numbers 1, 3, 5 and 7 and was under the impression that the licensing authority had a duty to inform any immediate neighbours in the form of a written communication. I received consultation when the previous owner applied for a license a number of years ago. Is this now optional? If so I would be interested in observing the criteria used.

Please receive the following comments:

- I believe the four town houses consisting of numbers 1, 3, 5 and 7 Tempest Road, Seaham form a visual reminder of Seahams heritage and should be preserved and protected for future generations.
- I also believe these houses should also be restricted to single family use, however, understand this is impossible to enforce.
- I am unaware of the current authorised occupancy use status, but am aware the current owner/occupier initially purchased No 3, then No 5 Tempest Road a significant time after. I am unsure if both premises are relinked as a Hotel/B&B/Single/Multi occupied/HMO or as individual flats/apartments accessed by one or more front /rear doors.
- I have not observed a public notification of the application posted/displayed prominently for public viewing. Can you confirm if a member of the licensing authority has viewed this?
- I suggest the enforcing authority conduct a site visit to discuss and inform the applicant of the need to comply fully with all legislative requirements and to view the proposed licensed areas. I believe many of the requested regulated activities are inappropriate to room layout, size and authorised occupancy use.
- Some regulated activities may be appropriate to the authorised premises occupancy/use, specifically if for residents or guest use only and if the whole premises are covered by single safety systems, ie recorded CCTV, Fire Detection, Emergency Lighting, Fire Doors, Signage etc to British Standards, Risk Assessments carried out by competent persons, significant findings implemented and competent management control systems, all not just implemented but regulated effectively.
- However, from past experiences at this location under a previous license holder, it appeared from my perspective that licence conditions were abused, with general public accessing the facility and public nuisance problems developing with no apparent action taken by any of the enforcing authorities.

I do not want to appear obstructive but have lived at the address for over 40 years and have the best interests of all at heart. If the Premises License is approved, I would appreciate the monitoring of conditions by all authorities/interested parties to ensure public safety of residents and others.

Yours,

Dear Sir/Madam,

Re. Premises License at 3-5 Tempest Road, Seaham

Our concern is that allowing licensed activity to take place at 3-5 Tempest Rd would impact on the viability of neighbouring properties as family housing. We feel the location is inappropriate for regulated activities because of the residential character.

3-5 Tempest Rd is apartments/hotel (according to latest planning application) with facilities for guest use only. It is situated in a location residential in nature, and is positioned between two family houses. The rear of the premises is a poorly lit residential back street and is opposite the side of our property and garden. This street is on occasion affected by street fouling.

We have concerns that regulated activity could cause public nuisances that would impact on residents living and sleeping in the vicinity of 3-5 Tempest Rd.

1. The times that the applicant has applied for, give the potential for regulated entertainment to take place 7 days a week, 7.30am-12.30pm, and entertainment facilities between 8.30am-12.30pm. We feel that the times and frequency of these activities, within the close proximity of noise sensitive residential properties, could lead to public nuisance.
2. Supplies of hot food or hot drink are exempt from legislation where the supply is on or from premises to which, at the time of the supply, only guests (and their guests) of hotels will be admitted and supplied with hot food or hot drink. Therefore we object to a license for Late Night Refreshment.
3. Access to the premises from Tempest Road is near a busy road junction. We have concerns that the use of 3-5 Tempest Road as location for entertainment has the potential to attract a higher number of vehicles to the area and that the lack of adequate on-site parking would congest the streets around the site. This could lead to dangers for road users. There could also be an increased danger to pedestrians crossing Tempest Road from North Terrace area.
4. North Terrace area is a recognised commercial area for eating/drinking; the character of Tempest Road and the area to the north is a residential area. Patrons of North Terrace currently recognise the change in character when passing through the residential areas. Our concern is if 3-5 Tempest Road was to become licensed, as per the application, the boundary between North Terrace and Tempest Road would become blurred and that this could lead to a change of public attitude within the proximity of 3-5 Tempest Road. The effects could be in the form of increased noise, vehicles, litter etc.
5. We have concerns that the space available on the premises is not suitable, in terms of scale and layout, for some of the activities applied. This could risk public safety, crime and disorder.

Please note that planning permission (14/8/2007) was granted for change of use from residential to hotel subject to the condition: the use of the hotel facilities shall be restricted to use of the residents only and shall not be available to members of the general public (in the interests of the amenities of the local residents). We therefore feel that any licensed activity at 3-5 Tempest Rd should also be restricted to use by hotel residents only, and any such conditions monitored by authorities. Previous advert for "Bistro" at 5 Tempest Rd seemed to encourage use by non-resident members of the public.

Previous activity on site of 3-5 Tempest Rd has caused noise disturbance from the rear of the property due to use of ventilation fan. This nuisance restricted use of our garden for peaceful relaxation.

Dear Sirs,

Ref Licence application for 3 Tempest Road (North Pier Lodge Bistro)

The advertised application shows the applicant as North Pier Lodge Bistro, with an address of North Pier Lodge Bistro, Tempest Road, Seaham.

This is not representative of the properties which are no's 3 & 5 Tempest Road, Seaham, the centre two properties in a terrace of four prominent houses that have always been large residential homes.

Whilst the previous owner intended to make them into 3 holiday lets and a B&B. I understand that, as part of this a licence was granted for a small Bistro and Bar for the use of residential guests only.

Neither of these businesses were successfully brought into operation and in attempt to rescue the previous owners financial position, I believe that the agreed licence terms were broken and the Bar / Bistro was opened to the public. Again this was unsuccessful and the properties were put up for sale.

There is no reason that I can see why a licence application as advertised in the local media should be granted in whole or in part. Even 'just for residents' as the occupants I believe are the owner of the properties and her parents and one other who appears to be a friend / tenant that has apparently taken on the top floor in No 3.

Incidentally these two properties are showing 'For Sale' boards, which would seem to render any licence application pointless as it's terms would have to be met by a future owner.

I should also comment that the properties 1-7 Tempest Road are part of the Conservation Area and for some while the frontages of No3 & 5 are visibly a mess with removed timber and old fittings along with general rubbish strewn around the now 'cobbled over' garden.

I believe that any general or part licence would be detrimental to the area and be totally inappropriate for the location. If any licence were to be granted, I believe the public nuisance factor would be substantial, with excessive noise and danger that would impede the safeguarding of children. It is expected to cause a rise in crime and disorder.

It should also be noted that with the enhancements to the sea front that vehicular parking is becoming a greater and greater issue.

Sincerely,

Ian Dobson LMPA NUJ

Owner and resident of 1 Tempest Road for approximately the last 32 years.

Afternoon Karen,

I have not received any information on the application for the Bistro Tempest Road, Seaham. Apparently objections deadline is 22-3-2012. On the scant information I have I wish to object on behalf of the residents in the area. I am led to believe a license is being applied for for alcohol, sport films etc up to 0500am.

I wish to object on the grounds of the llcensing objectives Public Nuisance and Public Safety. The premises originally were three storey town houses for mainy years and are surrounded by similar structures which would be detrimental to the neighbourhood, it is also situated on a busy road and a junction.

Licence Application 3 – 5 Tempest Road Seaham

I wish to object to the above mentioned licence application on the grounds of

**Public Nuisance
Health and Safety**

Public Nuisance

Tempest Road, and adjacent to the rear of Tempest Road - Dene Terrace plus 1 - 5 North Road - consist of individual Family Houses and this licence would would fundamentally alter the character of the area.

[3 – 5 Tempest Road properties were never a “ Bistro” as some are trying to claim.]

Noise emanating from the premises would cause annoyance to neighbours on either side and to the rear.

The area is also a conservation area.

Health and Safety

Tempest Road is an extremely busy road for traffic in Seaham and 3 – 5 Tempest Road is right on the junction where it intersects with the equally busy seafront traffic. Parking in front of the premises is already causing problems with pavement parking prevalent hindering “sight lines” at the junction and traffic emerging from Dene Terrace and Back North Road onto Tempest Road.

The rear of the properties is a narrow back street and the adjacent cul de sacs of Dene Terrace and 1 – 5 North Road [back] have the constant danger of reversing and manoeuvring traffic which will be exacerbated if this licence is approved.

Subject: RE: RE Licensing Application - Applicant J A Lennox, 3-5 Tempest Road, Seaham, SR7 7BA - Notification of the Concerns of Seaham Town Council

Hi Helen,

Members have considered the information you provided and as a result I have been requested to inform you that Seaham Town Council wish to submit a formal objection to this licensing application based on the following concerns:

1. That there will be a significant increase in anti-social behaviour in the area due to the proposed duration of the various activities which would be taking place from very early in the morning until after midnight.
2. That there will be a significant increase in congestion and parking problems due to increased parking in the area by those people using the premises especially for large events.
3. That there will be a significant increase in noise as a result of the proposed events and as this is in a residential area there is a definite probability of a negative impact on the quality of life of local residents.

Please ensure that this objection is taken into account when the application is considered.

Subject: Premises license application - 3-5 Tempest Road, Seaham

Dear James,

with regard to your recent notification on the premises license at 3-5 Tempest Road, Seaham I can confirm the following:

The existing planning permission for the bistro has a condition attached to it which limits its use to hotel residents only, this was imposed in order to limit any loss of amenity to neighbouring residents. It is noted that planning permission would be required for most of the uses proposed under the license application. As such, the planning department would recommend refusal of any planning application which is likely to have an adverse impact on adjoining residents, as seems to be the case here.
