

Safer and Stronger Communities Overview and Scrutiny Committee

9 January 2017

Integrated Risk Management Plan (IRMP) Action Plan 2017/18 Consultation

Report of Stuart Errington, Chief Fire Officer, County Durham & Darlington Fire & Rescue Authority

Purpose of the Report

1. To provide the Safer Stronger Communities Overview and Scrutiny Committee with background to the Fire Authority's IRMP Action Plan consultation for 2017/18. The Committee will be provided with a presentation setting out details of the consultation and key issues for the Fire Authority going forward.

Background

2. The Fire and Rescue Service National Framework for England (published in July 2012 by the Department of Communities and local Government) places a statutory responsibility on all Fire and Rescue Authorities to produce an IRMP.
3. The IRMP must be publicly available (currently on the County Durham and Darlington Fire and Rescue Service website, attached at Appendix 2) and cover at least a three year timescale. The Framework requires that an IRMP must also:
 - Be regularly reviewed and reflect up to date risk information and evaluation of the outcomes of delivering our service;
 - Identify and assess all foreseeable fire and rescue related risks that could affect the community;
 - Have regard to existing analyses of risk to communities completed by partners such as Local and Regional Resilience Forums;
 - Reflect effective consultation during its development and at all review stages with representatives of all sections of the community and those who have a stake in the local area;
 - Demonstrate how prevention, protection and response activities will be best used to reduce the impact of risk on communities in a cost effective way;
 - Provide details of how Fire and Rescue Authorities deliver their objectives and meet the needs of communities through working with partners.
4. The IRMP will be equality impact assessed to ensure County Durham and Darlington Fire and Rescue Service's activities and proposals satisfy the requirements of equality legislation.

5. Following an extensive consultation programme the Authority approved the 3 Year Strategic Plan in February 2015 which covers the period 2015/16 – 2017/18 and incorporates the Authority's IRMP.
6. Although there is no requirement to consult on the full IRMP every year, the Authority must publish and consult on an annual IRMP action plan. The consultation document, attached as Appendix 2, is the basis of our consultation with staff, stakeholders and the public on the proposals we intend to progress in 2017/18 to ensure we continue to provide the appropriate level of service to our communities based on risk.
7. The consultation on the IRMP will include Area Action Partnerships, Parish and Town Councils, Service Personnel and Social Media as in previous years. The Authority is also holding a number of specific consultation events in the areas most impacted by the potential changes.
8. The consultation period commenced on 16 November and concludes on 08 February 2016. A copy of the consultation document is attached as Appendix 2.

The 2015/16 – 2017/18 IRMP

9. The consultation document seeks the views on our proposals for change by posing the following three questions:
 1. **Based on the outcomes of the emergency medical response trial, should we continue this work with North East Ambulance Service provided it supports our core fire and rescue service strategic priorities?**
 2. **Would you support us in exploring further collaboration with health services in the future?**
 3. **Do you agree that we should share High Handenhold Fire Station with Durham Police?**

Recommendations

10. Members are requested to
 - (i) Consider and note the content of the IRMP Action Plan consultation for 2017/18 which will be presented at the meeting.
 - (ii) Provide feedback on the IRMP Action Plan for 2017/18.
