Kirsty
I am not in favour of this footpath being stopped as many local residents have objected and I will support them.

Dear Sirs

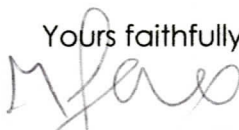

**T&C Planning Action 1990 Section 257
Proposed stopping up of unregistered footpath - South Street to Fair View West
Rainton Parish**

Thank you for your letter of 11 March the contents of which we note. We have canvassed the opinions of the residents of the village and it is clear to say that there is considerable support in the village for the footpath to remain open. There is also support for the footpath to be closed. We therefore state that there are objections to the Order being made.

As this is such an important issue to the residents of the village would it be possible for a local public enquiry to be made prior to any decisions being made.

We look forward to hearing from you.

Yours faithfully,

Michelle Collins
Clerk to the Parish Council
