Report from: Director of Resources

Title of Report: Section 17 Crime and Disorder Act 1998

Agenda Item Number: **14**

Section 17 of the Crime and Disorder Act 1998 places a duty on the Council to consider all of its budgets, policies and plans from the standpoint of their potential contribution to the reduction of crime and disorder.

In deciding on the allocation of resources for the 2007/08 Budget I would remind Members of the need to take this duty into account.
