22. CDRP REVIEW COMPLETED SCOPING TEMPLATE – DISCUSSION BY THE COMMUNITY SAFETY MANAGER ON THE SCOPE OF THE REVIEW

The Committee confirmed that Mr. John Raw should be co-opted onto the Committee for the duration of the CDRP review.

The Community Safety Manager stressed the need to narrow down the scope of the review as it was currently very broad. The need to concentrate on structures that will still be in existence after April 2009 was also stated, as LGR is to affect the CDRP landscape in the County.

The role of the Wear Valley District Council Street Wardens was discussed, and Members sought to find out more about their role at a later stage in the review.

Members took the opportunity to further question the Community Safety Manager on the work of the partnership.
