

Report to: **Executive**
Date: **27 February 2007**
Report of: **Executive Member for Resources**
Subject: **Review of Charges for Recovery Costs in respect of Council Tax and National Non Domestic Rates**
Ward: **All**

1. Purpose of the Report

1.1 To consider a recommendation to increase the charge to Ratepayers and Council Taxpayers of obtaining a Liability Order and Committal Summons from the Magistrates Court for the recovery of Non Domestic Rates and Council Tax.

2. Consultation

2.1 In preparing this report, consultation has taken place with the neighbouring authorities, Director of Finance & Corporate Services, Head of Financial Management, Revenues Manager and the Clerk to the Justices.

3. Background

3.1 The basis of the review of charges is to ensure that Ratepayers refusing to pay rates and Council Taxpayers refusing to pay Council Tax bear the cost of recovery.

3.2 The current charge for a liability order, last reviewed in 2006-7, is £40 for both Non-Domestic Rates and Council Tax.

3.3 The charges are not meant to be penal but are there to represent the cost of recovery up to the stage of obtaining a liability order for non-payment. In addition such charges will only apply in a small minority of cases when all other recovery procedures have been exhausted.

4. Position Statement and Option Appraisal

4.1 Outlined below are charges made by neighbouring authorities, in obtaining a Liability Order. This recommendation to increase the present charge of £40 to £45 brings the Council in line with other charges and would be representative of the Council's costs.

		£	p
Authority	A	40.00	*
	B	43.00	
	C	50.00	*
	D	45.00	*
	E	40.00	
	F	45.00	*
	G	65.00	*

* indicates the current charge for 2006-7 before potential increases of up to £5 for 2007-8

4.2 With reference to Committal work, the current charge for the issue of a Committal Summons is £70 which was set in 2006 and I propose to increase this charge to £80, in line with neighbouring authorities to reflect the additional costs involved with these cases.

5. Implications

5.1 Financial

5.1.1 Although it is always difficult to forecast the number of liability orders the Council will need to obtain in any year, I estimate that the increase will generate further income of approximately £15,000 in 2007-08 and in future years. The income will be offset against the cost of collection.

5.1.2 Whilst the number of cases where a Committal Summons is requested maybe limited the charge needs to reflect the additional work involved with each case to get it to that stage, and this income will also be offset against the cost of collection.

5.1.3 In both the cases of Liability Orders and Committal Summonses, the increased income will assist the Council when the 2007-08 and future years General Fund Budgets are finalised.

5.2 Legal

The Clerk to the Justices has no objection to the increase, as the charges are proper and reasonable. Given the above and comparison with other Council's, I am confident the proposals are fair and will be accepted.

5.3 Policy

These costs are reviewed on a regular basis to reflect increases in the cost of collection.

5.4 Risk

A formal risk assessment has been carried out and risks identified are within the Corporate risk appetite.

5.5 Communications

If the report is approved then the new arrangements will be communicated to all Taxpayers.

6.0 Corporate Implications

6.1 *Corporate Plan and Priorities*

The report accords with the Councils Objectives and agreed priorities, in particular it assists in achieving the following:

SFE3: "To ensure the corporate health of the Council through sound and prudent Financial Management"

6.2 *Equality and Diversity*

There are no equality and diversity implications.

6.3 *E-Government*

There are no E- Government implications.

6.4 *Procurement*

There are no procurement implications.

7. Recommendation

- 7.1** Members are asked to approve the increase the charge of obtaining a liability order and a Committal Summons in respect of Non Domestic Rates and Council Tax to £45.00 per case for a liability order and £80 per case for a committal summons with effect from 1st April 2007 These costs will be reviewed annually.
