This reduction positioned the area first in County Durham. Annual crime levels had significantly decreased and annual detection rates had increased by over 4%.

At the last meeting of the Forum it was reported that the actions taken in respect of the Neighbourhood priorities for Area 1 had proven to be successful. However, Members agreed to continue with the three priority areas until the next meeting of the Forum. Those areas being Central Drive, Middlestone Moor, Drake Street and Mount Pleasant Court.

It was noted that since the last meeting only three incidents had been reported in Central Drive, Middlestone Moor. Two of the incidents involved females in April 2008 and the other incident involved off-road motor cycles.

Only one incident had been reported at Mount Pleasant Court in May, 2008 involving youths drinking.

Reports in Drake Street had decreased significantly at the last meeting, however, four further incidents had been reported within the past few months. It was noted that one individual had taken a drug overdose. It was suggested that the area be reviewed at the next meeting.

The Forum were asked to set two Neighbourhood Priorities to replace Central Drive, Middlestone Moor and Mount Pleasant Court. Inspector Bentham put forward three suggestions of areas to be targeted:-

- Ash Grove – drug users
- Off-road motorcycles
- Ullswater Close – Neighbour disputes

Members reported that Tweed Road was also an area of concern with increased anti-social behaviour problems. Concerns were raised regarding drinking and drug taking.

Specific reference was made to the increased number of problems in Kirk Merrington. In particular concerns were expressed regarding speeding in the village, also drinking and drug taking in the area of Blue House Estate.

Consideration was given to all the suggested areas. Members of the Forum agreed the following as Neighbourhood Priorities for Area 1 :-
