

## **PROPOSED PEST CONTROL CHARGES**

Public health pests, (namely rats, mice, cockroaches and bedbugs etc) free of charge in domestic premises.

Non public health pests in domestic properties (e.g fleas, ants, moles, slugs and squirrels etc) £30 + VAT and at £30.00 per hour plus material costs and VAT in the case of longer term treatments

Commercial properties:

Treatments for all pests will be charged at a rate of £40.00 plus VAT in the case of simple one off treatments and at £40.00 per hour plus material costs and VAT in the case of longer term treatments.

Wasps charged at the same rate as all other non public health pests £30.00 (£34.50 with VAT) in the case of simple one off treatments.
