
Appendix 1: Implications

Local Government Reorganisation

(Does the decision impact upon a future Unitary Council?)

Finance

The overarching principle behind the report is to ensure that the total affect of all of the proposals in relation to fees and charges does not compromise the level of budgeted income.

Staffing

The services are currently being provided at the moment and it is anticipated that there will be resource efficiency savings post vesting day. As service standards are harmonised, there will be an ongoing process of resource allocations and effectiveness.

An impact assessment on Equality and Diversity as well as rural proofing will be required.
