

A reduction in childhood obesity - with more children eating and drinking healthily and regularly involved in physical activity inside and outside school

2007/08 outturn	PI ref	PI description	Q1	Q2	Q3	compared to target	2008/09 year-end target	predicted performance to target	Progress to date	Remedial Action
48.50	LAA C&YP 01b	% of primary schools achieving the new National Healthy Schools Status (NHSS) (LAA stretch target)	58.40	64.20	72.90	★	69.00			
92.00	LAA C&YP 01c	% of children aged 7-14 who spend a minimum of 2 hours each week on high quality PE and sport (LAA stretch target)	92.00	96.00	96.00	★	87.00			
48.20	NI 052i	Take up of school lunches (primary)	45.40	46.95	50.60	★	41.00		The Primary uptake figures have increased due to the improved food quality and customer focus from the new contractor including the provision of the Christmas lunch in December	
42.90	NI 052ii	Take up of school lunches (secondary)	39.60	41.59	48.70	★	38.00		The Secondary uptake figures have improved this period due to an increase in the pupil numbers attending school compared to previous quarters.	
9.60	NI 055i	% of children in Reception with height and weight recorded who are obese			9.60		10.70		The data for this indicator is released annually with a delay after the end of the academic year for data collection and analysis by the National Childhood Measurement Programme (NCMP). The latest data relates to year-end 2007/08	
20.90	NI 056i	% of children in year 6 with height and weight recorded who are obese			20.90		20.00		The data for this indicator is released annually with a delay after the end of the academic year for data collection and analysis by the National Childhood Measurement Programme (NCMP). The latest data relates to year-end 2007/08	

Task ref	Task description	Q1	Q2	Q3	Progress to date	Remedial Action
CP HC 2.1	We will work to engage primary schools across Co Durham in the National Healthy Schools Programme (NHSP) and develop whole school food and physical activity policies.	●	●	●	Ongoing. The number of Primary Schools validated to NHSS;167/229 - 72.9%. These schools have met the 41 criteria for validation including having a current whole school food policy and physical activity policy. Derwentside; 35/43 - 81.4%. Durham and CLS; 48/60 - 80.0%. Durham Dales; 35/52 - 67.3%. Easington; 22/37 - 59.4%. Sedgfield; 27/37 - 72.9%.	
CP HC 2.2	Walking and cycling will be promoted within our School Sports Partnerships and through effective engagement with School Sports Coordinators and School Travel Plans.	●	●	●		
CP HC 2.3	We will develop more diverse activities that contribute to this outcome e.g. making school playgrounds conducive to activity, through innovative markings and play areas, organising training for lunchtime supervisors and developing young leaders who will organise games	●	●	●	Sport Unlimited project fully in place; every School Sports Partnership has negotiated and is now delivering a full annual out of school hours activity programme. Activities include less traditional sports such as Rockit Ball, Dodgeball and ultimate Frisbee. Feedback from schools is very positive. Playground projects are continuing;CYPS has supported a project at Lumley Junior school. Setting up exemplar innovative facilities and inviting other schools to view them when considering either new build or refurbishment on their own sites.	
CP HC 2.4	30 Community sports coaches and support staff will be employed to assist in running activities including martial arts, cheerleading, archery, mountain biking and aerobics within their respective Schools Sports Partnerships	★	★	★	Numbers of community coaches continue to increase as the Sport Unlimited Programme gathers momentum. CYPS is supporting the monitoring system of all adults other than teachers.	
CP HC 2.5	Durham Learning Resources will provide an additional 50 'healthy eating' project boxes by the end of June 2008.		▲	●	Healthy lifestyle project boxes are distributed to schools by Library Services. They contain books and other information on healthy eating and substance misuse. An additional 20 healthy lifestyle boxes at key stage 1 have been provided in the last Quarter. In total there have now been 56 Healthy Eating Boxes provided to schools.
