

Children and young people safe from bullying, crime and anti-social behaviour									
2007/08 outturn	PI ref	PI description	Q1	Q2	Q3	compared to target	2008/09 year-end target	predicted performance to target	Progress to date
39	CYPP SS 2.1	Number of schools and other settings achieving anti-bullying status	62	70	74		74		All schools meet the DCSF requirement for compliance with Bullying - A Charter for Action. 74 schools meet the higher standard of accreditation - Durham Anti-bullying Service/Childline/NSPCC Accreditation Status. There has been steady progress towards meeting the accreditation figure targets. Work has begun through 2 workers being employed on a whole time basis to support extending anti bullying work within the community. Arrangements are being made to meet all LCB's to build the message of anti bullying within their areas. Within our DCC Anti Bullying & Friendship Enabling Strategy 2008-2011 we are to set up a working group to consider the viability of Schools reporting on Bullying incidents. In fact, drivers from central government are indicating that the recording of bullying incidents in schools is a developing agenda & consultation around this will be in early 2009, with implementation by September 2009.
	NI 069	% children who have experienced bullying at least once or more in the past 4 weeks (based on responses to the TellUs survey carried out on year 6, 8 and 10 pupils)		53.00					
1,129	NI 111	First time entrants to the Youth Justice System aged 10 - 17	194	367	509		952		Indicative figure of 142 for Quarter 3, which will be validated by 31/1/09. Between April-Dec 2008 we have had 509 First Time Entrants (FTE's), which represents 53.5% of our LAA Stretch target (952), with only 25% of the reporting year remaining and compares favourably with our FTE's for the same period last year (822). Even taking into account our 147 Pre-Reprimand Disposals (PRD's) this still represents a reduction of 20%. The Youth Justice Board counting rule changed for 2008-9 requiring Youth Offending Teams to resubmit the previous quarter's data within the current return. The aim is to capture any cases that may have been recorded late – resulting in small changes in previously reported FTE rates. The PRD age range was extended to young people aged 16 years (up to 17th birthday) from 1 October 2008 with full support from the LCJB, Children's Trust and County Durham Community Safety Board. We continue to receive excellent support from Durham Constabulary and this is an excellent example of partnership work. The PRD has been implemented across Co Durham and Darlington and continues to operate well, with 147 PRD's up to 31/12/08. The Steering Group reviewed recording procedures in December 2008 to count PRD's when they have successfully completed, not when they are first referred. This is a more robust recording system and has been supported by the Police and Darlington YOS. A further 28 PRD's are currently within the system. There have been 9 PND's from Oct-Nov 2008

Task ref	Task description	Q1	Q2	Q3	Progress to date
CP SC 3.1	We will build additional capacity for schools to enable them to successfully achieve Anti Bullying Accreditation Awards. We will also expand the Buddy and Peer Mentoring approach to include more schools.				Target of 74 schools has been met. In relation to Peer Mentoring Schemes all schools have been contacted and results of this basic survey will be available in the 4th Quarter.
CP SC 3.2	We will continue to develop the accreditation scheme and new ways of working around school and community cluster arrangements. This will link to the development of our Family Support Strategy				2 whole time Anti Bullying Coordinators appointed in December which enable work to begin in respect of the community work. Team Manager Job Description with HR and consultation with Staff and Unions. 3 Senior Anti Bullying Coordinator posts with HR and consultation with Staff and Unions.
CP SC 3.3	We aim to secure funding after 2009 for targeted youth crime prevention programmes (known as Youth Inclusion and Support Programme / Youth Inclusion Programme) per CDRP to deliver LAA Stretch Target – first time entrants to the youth justice system				Funding to support the PRD (Prevention Activity) has been confirmed for 2009-2011.
CP SC 3.4	We will implement a pre-reprimand disposal pilot for 10-13 year olds. This initiative will target those who commit an offence and would otherwise receive a police reprimand. The pre-reprimand disposal will offer voluntary referral to YISPs and should prevent up to 32% of reprimands from entering the Youth Justice System. We want less young people entering the Youth Justice System.				CDYES achieved 58 PRDs and 142 FTEs (provisional) during Quarter 3. On target to achieve stretch target (<952).
