CAB.137/07 MINUTES
The Minutes of the meeting held on 10th January 2008 were confirmed as
a correct record and signed by the Chairman.

CAB.138/07 INTRODUCTION OF HOUSING INCOME PAYMENT CARDS
The Lead Member for Housing presented a report seeking approval to
introduce housing income payment cards for the recovery of former
tenants arrears. (For copy see file of Minutes).

Members were reminded that the prevention and effective management of
rent arrears had been identified as a key priority in Housing Department's
Service Improvement Plan.

It was explained that the use of housing income cards was recognised as
good practice by the Audit Commission when carrying out inspections of
social housing and they were used both regionally and sub regionally, by a
large number of Registered Social Landlords, Arms Length Management
Organisations and retained housing services.

The report evaluated the value of money issues associated with
introducing income payment cards for the collection of former tenants
arrears as well as the benefits to tenants and the service.

RESOLVED : *That the Council introduces Housing Income Payment
Cards for the recovery of former tenant arrears.*

CAB.139/07 DISABLED PERSONS ADAPTATIONS POLICY

The Lead Member for Housing presented a report regarding the above. (For copy see file of Minutes).

It was explained that the Housing Services Department, with input from Social Care and Health, had reviewed the existing Disabled Persons Adaptations Policy, which had been adopted in 1997.

The Review had considered how the Council met its obligations in terms of ensuring that Disabled Persons Adaptations were carried out to properties in a timely, cost-effective and appropriate manner. A self-assessment of the existing arrangements had been carried out using the Key Lines of Enquiry.

The self-assessment had identified a number of areas for improvement, some of which had been addressed in the policy, set out in Appendix 1. Other areas would require further consideration and had been detailed in a Service Improvement Plan (Appendix 2).

Members' attention was drawn to Section 5 of the report, which set out the key points of the revised policy.

RESOLVED : That the Disabled Persons Policy be approved and implemented.
