Work Programme

Report of Head of Overview and Scrutiny

Purpose of the Report

1. To update Members of the Sub-Committee about the work programme for the Sub-Committee.

Background

2. The Work Programme provides the opportunity to plan the work of the Sub-Committee. The programme, however, does change in response to new issues which arise. The Work Programme, therefore, provides a guide in terms of forward planning and project management. The timing of projects in the programme constantly needs to be adjusted.

Recommendations

3. You are recommended to note the current Work Programme.
