**1 GENERAL FUND/HOUSING REVENUE ACCOUNT OUT-TURN 2006/2007**

Consideration was given to the report of the Director of Finance and Corporate Services on the General Fund/Housing Revenue Account out-turn for 2006/2007, a copy of which had been circulated to each Member.

The purpose of the report was to advise of the financial results for the year ended 31 March 2007. T Bell, Director of Finance and Corporate Services gave a detailed presentation to Members on the year end positions in relation to both the General Fund and the Housing Revenue Account, together with the position in relation to reserves following the review in February 2007. He concluded that both the General Fund and the Housing Revenue Account were stable.

In terms of the future outlook, he explained that it was difficult to give a meaningful forecast as the 2007 Comprehensive Spending Review covering the period 2008/10 was yet to be announced. There was no guarantee from the Treasury of grant uplift in the 3 year settlement from 2008/9 and in conjunction with the review it was likely that the Government would require cashable efficiencies of 3% per annum which could be top sliced from grant.

Both accounts were strong and funding was in place to manage the future challenges but there were risks facing the Council:-

Government Initiatives  
Supporting People Initiatives  
Concessionary Fares Scheme  
Reduction in Capital Receipts  
Falls in rent income from Right to Buy and other stock disposals  
Supporting People Grant  
Issues arising from the ALMO  
Local Government Review

He added that the Council wished to utilise its reserves effectively and he considered that further General Fund reserves should be released to meet priorities. This would be subject to a further report.

Following discussion it was **RESOLVED** that:-

- (a) the content of the report in relation to the financial results for the year ended 31 March 2007, be noted;
- (b) approval be granted in principle to the release of further General Fund reserves subject to a further report on the detail.

A copy of the draft document had been circulated to each Member.

**RESOLVED** that:-

- (a) the general content of the Corporate Plan, be agreed and approval be granted to its adoption by full Council;
