#### **3.0 TREASURY MANAGEMENT REVIEW**

3.1 Council initially approved the Local Code of Practice for Treasury Management Activities (the Local Code) in December 2002. This was reviewed in 2005-06, following changes to regulations governing treasury activities and Council subsequently approved a revised Local Code in September 2005 that took into account these developments.

3.2 This code encouraged local authorities to put into place formal policies and practices, strategies and reporting arrangements for the effective management and control of Treasury Management activities.

3.3 Included in the agreed clauses for incorporation into the Council's formal processes, was the requirement to produce:

- a) an annual Treasury Management Strategy in advance of the commencement of the year, and:
- b) a report on performance against this in an Annual Report by 30<sup>th</sup> September the following financial year.

3.4 The attached report sets out details of the Council's performance and compliance with the strategy approved by Council in February 2006 (minute C. 69/06 refers) and details the effects of the decisions taken and the transactions executed in the past year. The report confirms that the Council fully complied with its approved strategy, treasury management practices and Local Code in 2006-07. Key aspects of performance in 2006-07 that should be noted are as follows:

- The policy of ensuring that **long-term borrowing** and the **capital financing requirement** are at broadly the same level was achieved with figures of **£18.640m** and **£18.983m** respectively.
- Rescheduling of **£9.618m** of debt during the year, replacing loan debt at **5.16%** with a lower rate of **4.40%**, resulting in revenue savings of around **£73,000** per year on interest payments.

- ❑ Average rate of return achieved on investments was **5.01%** - which is **0.19%** greater than the benchmark comparator of **4.82%**.
- ❑ Reduction in the average rate of interest paid on external debt from **7.20%** to **6.34%** - a reduction of **0.86%**.
- ❑ Compliance with all prudential indicators in accordance with the Prudential Code for Capital Finance in Local Authorities.

#### **6. OTHER MATERIAL CONSIDERATIONS**

##### Legal and Constitutional

- 6.3 The annual review is prepared in accordance with the constitutional requirement that 'reports will be prepared on Treasury Management policies, practices and activities, including an annual strategy and plan in advance of the year, and *an annual report will be presented after the close of the financial year to Council*, in the form prescribed in TMP's' (Part 4 Rules of Procedure – Financial Regulations).
