HEALTHY BOROUGH WITH STRONG COMMUNITITES OVERVIEW & SCRUTINY COMMITTEE

24 JUNE 2008

REPORT OF CHAIRMAN OF THE COMMITTEE

WORK PROGRAMME

SUMMARY

This report sets out the Committee's current Work Programme for consideration and review.

RECOMMENDATIONS

1. That the Committee's Work Programme be reviewed.

DETAIL

1. In accordance with Overview & Scrutiny Procedure Rule 8 of the Council's Constitution, Overview & Scrutiny Committees are responsible for setting their own work programme.
2. Each Overview & Scrutiny Committee should agree a realistic, achievable and considered work programme on the understanding that, from time to time, more urgent or immediate issues may require scrutiny. Issues may, for example, be raised by Cabinet reports, Members' constituency business or be referred to Scrutiny by Cabinet in advance of a Cabinet decision.
3. The current Work Programme for this Committee is appended to the report which details:-
 - Scrutiny Reviews currently being undertaken.
 - Scrutiny review topics held in reserve for future investigation.
 - A schedule of items to be considered by the Committee for the period to 31st March 2009.
4. **Scrutiny Review**
The Committee should aim to undertake a small number of high quality reviews that will make a real difference to the work of the Authority, rather than high numbers of reviews on more minor issues. Overview & Scrutiny Committees should normally aim to undertake two reviews concurrently. Any additional review topics that have been agreed by Members will be placed on a reserve list and as one review is completed the Committee will decide on which review should be undertaken next.

A workshop was held for Overview and Scrutiny Members on 20th February 2008 to discuss the role of the Committees within the period leading to the

establishment of a new Unitary Council in April 2009. An outcome from the workshop was that the Council's Overview and Scrutiny Committees consider undertaking a State of the Borough Review that would look at achievements within each of the Council's Ambitions. This Review would provide a benchmark for future assessment, highlight areas for improvement and, where relevant, could make appropriate recommendations to the new council.

The Council's three Overview and Scrutiny Committees have agreed to undertake a State of the Borough Review and that the following Review Groups be established to examine each of the Council's ambitions:

Committee	Review Groups
Healthy Borough with Strong Communities O&S Cttee	<ul style="list-style-type: none">• Healthy Borough Review Group• Strong Communities Review Group
Prosperous and Attractive Borough O&S Cttee	<ul style="list-style-type: none">• Prosperous Borough Review Group• Attractive Borough Review Group

The final reports from each of these reviews would be combined to form a single State of the Borough report.

5. Business for Future Meetings

The Committees Work Programme for the period leading to the establishment of a new Unitary Council in April 2009 is attached for consideration.

Members are requested to review the Committee's Work Programme and identify, where necessary, issues that they feel should be investigated by the Committee. The Work Programme will need to be carefully managed to ensure that the most important issues are considered in the limited time available.

It will not always be possible to anticipate all reports which will need to be considered by an Overview & Scrutiny Committee and therefore a flexible approach will need to be taken to work programming.

4. FINANCIAL IMPLICATIONS

None associated with this report.
