

# Scrutiny Sub-Committee for the Development of Lifelong Learning

26 June 2006

## Work Programme

---

### Report of Head of Overview and Scrutiny

---

#### Purpose of the Report

- 1 To explain the Sub-Committee's work programme.

#### Background

- 2 Under the new Constitution, the Sub-Committee, following consultation with the Chairman and Vice Chairman of the main Committee, sets its annual work programme.
- 3 The Work Programme provides the opportunity to plan the work for the Sub-Committee. This needs to be kept under review but provides a guide in terms of forward planning and project management.
4. Further consideration is to be given to the work programme for all the Scrutiny Sub-Committees at a session to be held on the 26<sup>th</sup> June prior to this Sub-Committee meeting. The aim will be to choose one project for each Sub-Committee and also a reserve project.
5. The Scrutiny Co-ordinating Panel has suggested that the projects relating to school meals and modern foreign languages can, perhaps, now be drawn to a conclusion having substantially achieved their purpose.

#### Recommendation

6. You are recommended to note this information.
