About this document

Chester-le-Street District council is committed to continuous improvement. We want to make sure that we engage people in the decisions we make wherever we can. We want to let people know what decisions we are going to make and when.

The council's Executive, which is made up of the Leader and five Executive Members have powers to make certain decisions on behalf of the council. This document aims to go further than what the law requires us to do and let people know as far in advance what decisions the Executive is to make on the councils behalf. Where possible and in relation to what are called key decisions, it will let you know how you can make representations and who they can be made to. This document will be published every month at the Civic Centre and on the council's website at www.chester-le-street.gov.uk.

This document is in two parts:

Part One: Chester-le-Street District Council's formal Executive Forward Plan
Part Two: the Executive's Decision Work Programme for the next year

Part One

The Executive Forward Plan is a statutory document which the council must produce every month covering a four month period. It is published fourteen days before it comes into effect. This is the first day of each month. It includes:

- a list of all 'key decisions' the councils will make on the council's behalf;
- details of the nature of the decision;
- details of the decision taker, which in the councils case is normally the council's Executive;
- when the decision is to be made;
- who are the principal consultees and the means by which consultations will be undertaken;
- a list of documents to be considered by the decision maker; and
- details of how and by when representations can be made.

What are 'key decisions'?

'Key decisions' are defined as executive decisions which are:-

- decisions likely to result in the District Council incurring expenditure which is, or the making of savings which are, significant, having regard to the District Council's budget for the service or function to which the decision relates, or
- significant in terms of its effects on communities living or working in an area comprising two or more wards or electoral divisions in the area of the Council

Part Two

The Executive's work programme is not a statutory document which the council must produce. It is advance notice of all other important decisions the Executive will take either on behalf of the council or in making recommendations to the council. It includes:

- a list of the non 'key decisions the councils will make;

- details of the nature of the decision;
- details of the decision taker, which in the council's case is normally the council's Executive as a group;
- when the decision is to be made;
- who are the principal consultees and the means by which consultations will be undertaken;
- a list of documents to be considered by the decision maker; and
- details of how and by when representations can be made.
