**ST.4/05                    REPORT ON STANDARDS BOARD ROADSHOW 2005 : NEWCASTLE :  
26TH MAY 2005**

Consideration was given to a report of the Solicitor to the Council and Monitoring Officer detailing the event held by the Standards Board, which was attended by Standards Committee Members. (For copy see file of Minutes).

It was explained that the purpose of the event was to review the Council's Code of Conduct, highlighting any key issues regarding local investigations and hearings.

Consideration was given to the discussions held at the event regarding the role of the Standards Committee. It was suggested that its role should be extended to enable each authority to assess complaints and allegations at a local level and that communications between Town and Parish Councillors needed to be improved.

The problems in authorities deciding which allegations they would investigate were also pointed out with specific reference being made to the public's perception if allegations were held locally. It was therefore suggested that the client be given the decision as to where they would prefer the case to be heard. It was explained that the Solicitor to the Council and Monitoring Officer would continue to monitor the suggestions made at the event and would continue to update the Committee.

*RECOMMENDED:            That the report be agreed.*

**ST.5/05                    DISCUSSION PAPER : CONSTITUTIONAL REVIEW OF MEMBER  
INVOLVEMENT**

Consideration was given to a report of the Solicitor to the Council and Monitoring Officer detailing proposals for the provision of Members engagement during the review of the Constitution. (For copy see file of Minutes).

Reference was made to the fact there would be times during a review of the constitution where Members would feel that they should be involved in process. The report therefore detailed a mechanism, which would provide an opportunity within the working arrangements between Cabinet and the Overview and Scrutiny Committees to be involved in proposing changes to the Constitution.

*RECOMMENDED:            1. That Standards Committee agrees the report.*  
  
*2. That the report be submitted to each Overview  
and Scrutiny Committee for approval.*
