Statement of: **Sgt 484 Caroline DICKENSON**

Age if under 18: **0/18** *(if over 18 insert 'over 18')* Occupation: **Police Sergeant**

This statement (consisting of pages(s) each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully states in it, anything which I know to be false, or do not believe to be true.

Signature: _____ Date: **03/10/2018**

Tick if victim wishes to personally read their Victim Personal Statement aloud in Court: ☐

Tick if witness evidence is visually recorded: ☐ *(supply witness details on rear)*

I am a Police Sergeant with Durham Constabulary, presently stationed in the Alcohol Harm Reduction Unit. I have responsibility for licenced premises within County Durham and Darlington and I hold a National Certificate for Licensing Practitioners. I am a current member of the National Police Chiefs Council Licensing Sub Group dealing with up to date licensing issues.

As an operational police sergeant I have over 13 year's experience of policing the night time economy. I remain an active, operational officer, making sure I immerse myself in all aspects of policing the night time economy, it is through my present role that I am able to have this unique and current insight.

On 31st August 2018 Durham an objection to the application to vary a premises licences for Chaplains, Consett under the prevention of Crime and Disorder, the prevention of public nuisance and Public safety.

This objection is detailed in full below

Chaplains have applied to extend the sale of alcohol until 4:00am on a Friday and Saturday and any Sunday's preceding a bank holiday, with the opening hrs until 04:30am. Regulated entertainment to include dance, live and recorded music until 4:30am on a Friday and Saturday and any Sunday's preceding a bank holiday.

Durham County Council statement of Licensing 2014 to 2019, Appendix B, Framework Licensing Hours recommend the hours for operation of licensable activity (sale of alcohol and the provision of late night refreshment) to be between 07.00 – 01.00 for weekends with an extra hours for Good Friday and for all other Bank Holidays an extra hour of the day preceding the bank holiday. This premises already operates outside of this framework for the recommended times with the sale of alcohol authorised until 0300hrs, what reason do they have to operate further outside of these hours?

At present Chaplains have the facility to apply for 15 TEN's throughout the year to extend their licensable hours until 04:30hrs, these 15 events / nights are manageable by both the community and Police however if the extension of hours is granted then these 15 events / night become at 104 nights plus the Sunday night prior a Bank Holiday plus 15 Tens, taking the total to at least 123 nights.

The increased hours of trading will have a significant bearing on the likelihood for crime and disorder.

Our objection is not a reflection on the current management of the premises, the premises themselves are a controlled environment. the nuisance generated by late night premises which

Signature: _____ Signature witnessed by: _____

impacts on the amenity of residents is more likely to take place outside that controlled environment and therefore not related to the Applicant.

I believe all but one takeaway in the area closes at 3am putting increased pressure onto the one that is open later with potential to lead to disorder as a number of intoxicated customers descend upon the one open venue.

I have concerns on what transport facilities are in place to get people out of Consett town centre. I have contacted the 3 main taxi companies who have offices within the area. All 3 companies expressed concerns regarding the trading hours of Chaplains being increased. One company has no drivers willing to operate after 03:00 hrs due to the behaviour of drunken customers, another who have an average of 12-15 drivers/cars operating until midnight only have 2-3 drivers/cars willing to operate after 03:00hrs and the final one only have 3 drivers/cars willing to operate after 03:00hrs. The lack of transport available will create disorder as people compete for the limited transport available. Many people will inevitably walk home, putting themselves at risk along dark roads, and increasing the noise and disruption to the residents who live in the area.

The increase of trading hours could also impact on Consett Street Friends who are a group of volunteers aged between 21- 70 who patrol the night time economy helping vulnerably people. The increase could put pressure on these volunteers to stay out later.

Consett is a town centre which is has a mixture of residents and commercial premises. This increase in hours will inevitably impact on those residents. Customers leaving the venue at the new time of 0430hrs will find limited resources available to them; few, if any, taxis and only one take away venue. Customers naturally congregate at the end of an evening saying their goodbyes and heading for food/taxis. The impact this will have on the local community cannot be ignored as late night revellers make their way home, compete for taxis or wait for food in the one remaining takeaway which is open.

Following receipt of a statement made by Francis KEARNEY dated 19th September 2018 I wish to confirm the following points.

Francis KEARNEY makes reference at point 5 of his statement the lease had ran out for CHAPLAINS in February and his son Andrew KEARNEY had taken a break from the licensing trade. However Andrew KEARNEY seems to be still very much involved in the business, on occasions police have visited CHAPLAINS Andrew has always been present at the venue and he also attends Pubwatch which is monthly on behalf of CHAPLAINS, so cannot understand why Francis KEARNEY has stated in his statement that Andrew has taken a break from the licensing trade,

From Durham Constabulary's records I can confirm on 15/05/2015 the premise license holder at CHAPLAINS was Andrew KEARNEY and he remained as the PLH until it was transferred to Francis KEARNEY on 27/04/2018. In April 2018 when Francis KEARNEY states he took over the lease Mark O'NEIL was the DPS and he remained so until 12/06/2018 when Francis KEARNEY became the DPS of the premises.

At points 7, 14 and 15 of Mr KEARNEY's statement he makes reference to him taking over the lease for the premises in April 2018 and submitting 11 temporary event notices where by the premises served alcohol until 4am with music and drinking up time until 4:30am.

Signature: _____ Signature witnessed by: _____

Durham Constabulary records show 13 Temporary event notices which has been submitted. From the list submitted in the core bundle under Appendix 1 - the following dates have been not been included on the list 31/03/2018 - 02/04/2018 and 26/05/2018-28/05/2018. I appriciate Francis KEARNEY states he took over in April 2018 and the 1st temporary event notice was for 31/03/2018-02/04/2018 however his son was PLH at CHAPLAINS at the time and the TEN's was submitted by Mark O'NEIL who was the DPS and remained so until 12/06/2018 so i would have thought he would have been aware of this.

There have been incidents ranging from public order, anti-social behaviour, suspicious activity, criminal damage which have occurred after 3:30am and a couple just before 3am, these incidents are summarised below and exhibited the incident logs in full as CD/1.

DHM-01042018-0064 received at 02:57:40 - vehicle crime - males damage taxi and make off into Chaplains
DHM-01042018-0065 received at 02:58:34 - suspicious activity - intoxicated distressed female in Chaplains
DHM-06052018-0296 received at 16:09:56 - Criminal damage - window smashed at 3:30am suspected captured on CCTV kicking at window
DHM-15072018-0087 received at 04:13:21 - Public order - disturbance on Front Street
DHM-15072018-0099 received at 04:58:32 - Anti Social Behaviour - male banging on elderly persons door

Francis KEARNEY makes reference in point 7 of his statement that he wasn't aware of any issues caused as a result of the temporary events notices, until a representation was received from a taxi firm. However I can confirm at no time has Francis KEARNEY made contact with Durham police to see if there had been any issues in or around the area of CHAPLAINS, following a temporary event notice.

As evidenced above there has been incidents after 3:30am and although these cannot be directly linked to CHAPLAIN's, I would draw the conclusion due to the timings of the incidents and CHAPLAIN's being the only licenced premises trading at those time's the persons responsible have been customers of CHAPLAIN's. I would also expect the onus to be on the PLH/DPS when applying for extended hours to speak to the police to find out if there has been incidents in and around the surrounding areas and not just at the immediate vicinity of their premises.

In relation to the incident DHM-15072018-0087 there is body camera footage of the incident which clearly shows the behaviour of drunken people at 4:15am and the person responsible for assaulting another person running into the garden of a nearby resident at 04:22am. I have exhibited this footage as CD/5.

In the past CONSETT did have a premises open until 5am, RED VELVET which was situated on FRONT STREET which was subject to a review by Durham Constabulary. Whilst this premises was trading there were a number of incidents occurring after 3:30am until 05:00am. I have summarised these below and have exhibited these incidents in full as CD/2.

DHM-13112010-0100 04:24hrs – Intoxicated female fallen in club, door staff requesting assistance.
DHM-02042011-0098 04:21hrs – female lost her purse
DHM-25042011-0081 04:19hrs – CCTV reported group of people pushing each other, officers attended moved youths on.
DHM-01052011-0074 03:56hrs – females bag stolen whilst waiting outside of Neashams taxis.

gnature: _____ Signature witnessed by: _____

DHM-12062011-0081 03:59hrs – male arrested for D&D PND issued.
DHM-24072011-0134 04:09hrs – group arguing outside of Coach & Horses following a male being Ejected from Red Velvet.
DHM-27082011-0088 03:54hrs – female causing problems in street, she is flicking blood around from an injury to her head.
DHM-01102011-0139 03:49hrs – male reports being goaded to fight with approx. 14 males. Officers attended male put in taxi.
DHM-04122011-0078 04:45hrs – male being following by a male wanting to fight with him. Sounds of a disturbance /raised voices can be heard. Officers attended males went opposite directions home.
DHM-30062012-0115 03:34hrs – male arrested after assaulting another male.
DHM-04082012-0127 04:03hrs – intoxicated female reports theft of purse whilst in takeaway. She paid for her pizza then noticed her purse was missing.
DHM-11082012-0115 03:57hrs – hyper female intimidating another female, hyper female approaches officers, following a struggle female arrested for D & D, female head butted cage of the van whilst being transported to custody.
DHM-01092012-0096 05:00hrs – male causing problems from door staff after being ejected from Red Velvet. Male arrested, whilst on route to custody male injuring himself with hand cuffs.

The number of incidents at Red Velvet highlights the polices concerns around public nuisance and crime and disorder going on past 5am in the morning and the impact this has on the local communities who live in and around the area.

As highlighted already a representation was received from a neighbouring taxi firm, I have not had sight of this representation however in point 9 of Francis KEARNY's statement it appears an agreement has been made with Neashams Taxi's for two taxi marshalls to be employed so the taxi drivers wouldn't be subject to the level of abuse they had been receiving.

I have also spoken to local taxi firms and can confirm Atlas taxis who are situated at the Bus station only have 2-3 taxi's out after 3am, Jackson's which is on FRONT STREET, don't have any taxi's in that area operating after 3am as the drivers refuse to work due to the behaviour of the customers and Neashams Taxi's confirmed they only have 3 cars available after 3am, however the situation with Neashams seems to have been addressed by providing taxi marshalls. It is a concern that taxi marshalls are even required to prevent drivers being abused by drunken customers and find it difficult to see how taxi marshalls will offer support to the taxi drivers once customers are within the vehicle and on the journey home.

In relation to the number of alcohol related incidents at CONSETT and FRONT STREET, CONSETT a report has been prepared which is based on Durham Constabulary's incident data which I have exhibited as CD/3.

The report has been broken down to show alcohol related incidents for all of CONSETT and then for FRONT STREET, CONSETT.

The number of alcohol related incidents for all of CONSETT from 01/09/2017-30/08/2018 is 1828 of which 725 resulted in crimes, with the peak time in CONSETT being 10pm on a Saturday.

The report has then been broken down further to cover FRONT STREET, CONSETT where CHAPLAINS is situated and this shows 130 alcohol related incidents over the same period of which 93 resulted in crimes and the peak times are the early hours of Friday, Saturday, Sunday and

Signature _____ Signature witnessed by: _____

Monday Mornings. The peak times are shown as red on the graph and it can be clearly seen on a Sunday morning from midnight until 3am is when the highest probability of offences occurred.

At present incidents taper off from 4.00am onwards when the premises trading in FRONT STREET, CONSETT close their doors at 3.30am. However this could be seen to extend to 5.00am and onwards as CHAPLAINS are applying for the closure of the premises to the public at 4.30am.

Following receipt of a statement from Tim ROBSON which I received on 2/10/218, I wish to highlight the following, at part 5 of the statement Tim ROBSON states he attended at 11:30pm and observed for 1 hour, the premises is currently licenced for sale of alcohol until 3am with a closure of 3:30am so I am struggling to find what weight a visit at 11:30pm carries when the police objection is around the premises being open till 4:30am. The polices objection was also not around the current management of the premises but around the impact late night venues have on the likelihood of crime and disorder and public nuisance generated by the later openings which takes place outside of the controlled environment of the licenced premises.

This very point around licenced premises opening later was voiced by Tim ROBSON in a newspaper article where

Sgt Robson said "The biggest problem linked to the alcohol-related disorder officers are facing, is in the later opening of pubs and clubs changing the way people go out." "Personally for me the best thing nationally that could be change to address the issue of alcohol-fuelled disorder is for bars and clubs to go back to closing at 2am and for them to embrace the early evening trade". I have exhibited the article in full as CD/4.

I have also prepared a report covering 01/09/2012-31/08/2013 which covers the period of the newspaper report to show a comparison between then and now.

The report shows the number of alcohol related incidents which is based on Durham Constabulary's incident data which I have exhibited as CD/6.

The report has been broken down to show alcohol related incidents for all of CONSETT and then for FRONT STREET, CONSETT.

The number of alcohol related incidents for all of CONSETT from 01/09/2012-30/08/2013 is 1438 of which 307 resulted in crimes, with the peak times in CONSETT being 10pm on Friday and the early hours of Saturday and Sunday.

The report has then been broken down further to cover FRONT STREET, CONSETT and this shows 144 alcohol related incidents over the same period of which 71 resulted in crimes and the peak times are the early hours of Friday, Saturday, Sunday and Monday Mornings. The peak times are shown as red on the graph but we can see that the highest probability offences taper off from 3am.

Over the two periods for which reports have been prepared CD/3 and CD/6 it can be seen that alcohol related offences being reported have slightly decreased from 2012/2013 to 2017/2018, however the number of those incidents which have resulted in crimes has increased from 71 to 93 so that is an extra 22 victims of crime over the two periods and the times at which these incidents are being reported are further into the early hours of the morning.

Signatur

Signature witnessed by:

As an operational police sgt I can state that policing the night time economy is becoming increasing challenging with more and more demands being placed on police officers. Policing the night time economy is constantly changing and following the introduction of 24hr licencing has seen premises apply for later hours which means the police are in demand for a longer periods and later into the night. The types of crime occurring in the NTE, in particular violent crime and public order take up a significant proportion of policing resources and by extending the hours that the patrons can consume alcohol will inevitably increase the propensity for drunkenness and alcohol fuelled crime.

There is also the impact on our local and wider communities and the issues they face when drunken people are arriving home be it by taxi or other means, and the noise and disorder generated by them. We will never have a true picture of the impact this causes on people's lives as the majority wouldn't even think to ring the police to report having their sleep disturbed, but we know from PACT meetings within our local communities this is a problem. To combat this Durham County Council in their statement of Licensing policy 2014 to 2019 gave recommendation to Framework Licensing Hours and recommend the hours for operation of licensable activity (sale of alcohol and the provision of late night refreshment) to be between 07.00 – 01.00 for weekends with an extra hours for Good Friday and for all other Bank Holidays an extra hour of the day preceding the bank holiday. This premises already operates outside of this framework for the recommended times with the sale of alcohol authorised until 0300hrs, what reason do they have to operate further outside of these hours? Other than to generate more income for the business.

Should the committee be minded to grant this application please consider point 7.7 of the statement of licencing policy which states the PLH or DPS is present in the licenced area of the premises between 22:00hrs and closing when the premises is one that regularly opens are midnight for both regulated entertainment and the sale or supply of alcohol for consumption on the premises or at all times when the premises is a "vertical drinking establishment" where little or no seating is provided.

Durham Constabulary would request a condition on the premise licence to state the above.

URN

Statement of **Michelle WILLIAMSON**

Age **Over 18** *(if over 18 insert 'over 18').* Occupation: Specialist Licensing PCSO

This statement (consisting of 2 page(s) each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false or do not believe to be true.

Signature: Date: - 01/10/2018

Tick if witness evidence is visually recorded ☐ (supply details on rear)

I am a serving Police Community Support Officer within Durham Constabulary working from the Harm Reduction Unit, Meadowfield.

For at least the last 7 years I have been the Licensing Officer with responsibility for the west locality of County Durham which covers Consett, Stanley and Chester Le Street.

Following Mr Andrew Kearney going insolvent in April 2018 the premises licence was transferred to Mr Francis Kearney, then in May 2018 Francis became DPS.

In my opinion Andrew still has control of the day to day running of premises. I've carried out night time economy patrol with Consett NPT on a number of occasions since Francis I have not seen Francis at the bar. Also since Frank has become PLH and DPS he has not attended any pub watch meetings, Andrew is the one that attends.

I visited the premises the PCSO Marc Robinson on Saturday 14th April 2018 to obtain Door Supervisor information. At this time Andrew Kearney was present along with 3 Door Supervisors.

I visited the premises with PC 2646 Rogers on Saturday 4th August 2018, on this occasion I spoke to Andrew to find out what plans they had as a number of TEN's has been submitted. He informed me he had just submitted an application to extend his hours (04:00 alcohol, 04:30 closing). I informed him that I had not seen the application however we would not be supporting it. He said he had lost some trade since the Black Horse changed their hours and wanted to get it back by staying open later.

At present there is 4 premises on Front Street, Consett that hold premises licences that enable then to open until 03:30hrs and serve alcohol until 03:00hrs. Chaplains and Singers are still currently trading, Decades has been closed for approx. 3 ½ years and Time has recently closed due to building faults. A number of other bars within 5 minutes walking distance of Chaplains are licensed to stay open until 01:30hrs, alcohol until 01:00hrs.

I am aware that members of Consett Street Friends have concerns about Chaplains extending their hours as they will be unable to support vulnerable persons however due to the nature of the members I feel pressure will be put on them as they will not be willing to leave the vulnerable along.

I am also aware that on the occasions Chaplains has been operating under a TENs Consett Street Friends have not had the capacity to support the venue by staying back. This is due to them struggling to get members out until 04:30hrs + and they all commitments the following day.

I was not wanting to get a statement from Consett Street Friends as I would rather they remained impartial as they support both the police and licensees within the night time economy of Consett plus Mr Andrew Kearney has over the last few years provides funding to the group. It would be unfair to put them in this position.

2570 - male arrested public order offences.	15/07/2018	04:48:53	WEST_11	06829
2918 - On 15/07/2018 at 04:13 hours there was reports from CCTV stating that there was an ongoing disturbance on CONSETT FRONT STREET; whereby a male had assaulted another male,	15/07/2018	05:33:57	WEB	02918
who was lay on the floor unconscious.	15/07/2018	05:33:57	WEB	02918
On [redacted] was lay on the floor unconscious surrounded by numerous members of the public.	15/07/2018	05:33:57	WEB	02918
It was difficult to ascertain the circumstances due to the volume of people and when the IP came around he stated that he couldn't remember what had happened.	15/07/2018	05:33:57	WEB	02918
Due to the initial reports from CCTV, it's believed that the suspect assaulted the IP by punching him. Although the IP had no apparent marks on his face, he did have a 1cm cut to	15/07/2018	05:33:57	WEB	02918
the back of his head. It would seem this has occurred when he has fallen over onto the floor.	15/07/2018	05:33:57	WEB	02918

Officer attended and spoke to [redacted] who explained she had been drinking in Consett and was very drunk. At 3.30hours on 04/08/2012 she has withdrawn £20.00 from the cash point	06/08/2012	15:17:12	NI_I_03	05184
and then gone to Supreme Take Away Front Street Consett. When she has gone to pay her purse had gone. She was so drunk she could not say for certain that this is what has happened	06/08/2012	15:17:12	NI_I_03	05184
and did not know if any other persons were in the take away. Her phone had not been taken. It was explained to [redacted] that although CCTV would be checked this would not be crimed	06/08/2012	15:17:12	NI_I_03	05184
as it is impossible to say if the purse had been lost or stolen. To be logged as lost property.	06/08/2012	15:17:12	NI_I_03	05184

Handbag Snatch at Front Street (theft)	01/05/2011	08:03:02	NI_P_07	06814
[redacted] has been for a night out in Consett with her mother [redacted], her friends [redacted] and [redacted] and her partner [redacted]. During the	01/05/2011	08:03:09	NI_P_07	06814
course of the evening, they have been approached by an unknown male who has been speaking to [redacted]	01/05/2011	08:03:09	NI_P_07	06814
[redacted] and [redacted] have a turbulent relationship and during the evening, they have fallen out with each other. The argument has been ongoing on the front street when the unknown	01/05/2011	08:03:19	NI_P_07	06814
male has seen his opportunity to commit a bag snatch.	01/05/2011	08:03:19	NI_P_07	06814
Initially he has tried to grab [redacted] handbag by the strap but she has kept hold of it. [redacted] has joined in the argument between [redacted] and [redacted] During the	01/05/2011	08:03:29	NI_P_07	06814
argument, she has placed her bag onto the ground.	01/05/2011	08:03:29	NI_P_07	06814
Seizing the opportunity, the unknown male has ran towards the group and picked the handbag up before getting into a green Peugeot 307 and making off towards the Castleside area.	01/05/2011	08:03:39	NI_P_07	06814
An area search was conducted but the vehicle was not traced. RPU and dog section assisted with the search. I99 was grounded.	01/05/2011	08:03:47	NI_P_07	06814
CCTV have footage of the moments prior to the bag snatch but it was not possible for night shift officers to view the footage due to ongoing incidents. [redacted] handbag has	01/05/2011	08:03:56	NI_P_07	06814
been seized and ERP'd for forensics, however, it is unlikely to yield much as it was only touched on the handles which have been handled since.	01/05/2011	08:03:56	NI_P_07	06814
The following items have been stolen, Black clutch bag with one black handle, silver nokia phone, lighter, lipstick, poison perfume, hello kitty purse, house keys, £45 in cash apx.	01/05/2011	08:04:04	NI_P_07	06814
According to the log, a taxi driver has witnessed the incident but he is yet to be traced / spoken to.	01/05/2011	08:04:13	NI_P_07	06814
The following people are connected with the incident;	01/05/2011	08:04:22	NI_P_07	06814
		08:04:32	NI_P_07	06814
		08:04:32	NI_P_07	06814
		08:04:32	NI_P_07	06814
[redacted] was present but didn't actually witness the bag snatch as was busy arguing with [redacted]		08:04:44	NI_P_07	06814
[redacted]	[redacted]	08:04:44	NI_P_07	06814
[redacted] There has been speculation from French tha may have known the suspect as they were talking earlier.	[redacted]	08:04:44	NI_P_07	06814
[redacted] states that he does not know the male. [redacted] appeared to be quite anti-police and therefore may not provide a statement.	01/05/2011	08:04:44	NI_P_07	06814
	01/05/2011	08:04:53	NI_P_07	06814

Booze-fuelled disorder saw this officer assaulted 21 times in just three years.

Sgt Tim Robson today lifted the lid on the extent of the problem on our streets.

In the wake of yesterday's damning report detailing the dangers faced daily by our police officers, Sgt Robson gave his first-hand account.

As Durham Constabulary's licensing officer Sgt Robson, with the team for 13 years, knows only too well the disruption caused by excess alcohol on communities.

His evidence-gathering work regularly leads to licensed properties such as pubs, clubs and shops selling alcohol losing their licenses over issues linked to crime, disorder and public safety.

In his 28 years as an officer he's been subjected to numerous attacks while on duty.

"I'd been punched 21 times by the time I'd been an officer for three years," said Sgt Robson.

Inside Durham's newest bar - where guests have to enter through a hidden door and have their phones on mute

Watch woman deliberately drive her car into Northumberland pub before hitting other cars

He added: "I've been assaulted absolutely loads of times. By a drunk prisoner while I was a custody sergeant and when I've been out on the street on my own and most of the time it's by drunk people."

Flagged up this week by Balance, the North East Alcohol Office, his experiences of revellers in Durham City aren't isolated and are replicated on streets across the region.

Findings from The Impact of Alcohol on Policing report revealed more than 80% of officers in the North East say they have been subjected to a drink-related assault during their career.

Sgt Robson said: "The biggest problem linked to the alcohol-related disorder officers are facing is the later opening of pubs and clubs changing the way people go out.

"In the old days you'd come home from work, have a quick shower and head out for 7pm with friends and enjoy your evening till 2am.

"Now people come home, think they'll watch some Saturday night TV, drink while at home and then head out, already sometimes heavily intoxicated, at 11pm going to a club where they'll drink more.

"There is greater propensity for what is known as 'preloading' at home, going out already drunk with then a greater propensity for violence.

"The damage people are doing to their liver and well being is also greater as they are binge drinking for a longer period of time."

While officers are given safety training they are now finding themselves faced with revellers in an overly aggressive state due to a cocktail of cocaine and alcohol.

Sgt Robson added: "We are given safety training but when you talk about people that are intoxicated you are talking about people that are no longer in full control.

"We are finding there are people taking cocaine with alcohol which causes them to have more enraged reaction and this is something we are having to deal with more and more.

"Personally for me the best thing nationally that could be change to address the issue of alcohol-fuelled disorder is for bars and clubs to go back to closing at 2am and for them to embrace the early evening trade. That way people are drinking in a regulated environment where they can be monitored rather than drinking a bottle of vodka at home before going out."
