4 Quarterly Performance and Operational Report - Position to 31 March 2018

The Bereavement Services Manager, Graham Harrison asked Members to note the performance figures from January 2018 to March 2018 and the comparison to the same period for 2017, highlighting that there was a net increase of 24 cremations. It was added that the annual total for 2017/18 was 1,396 compared with 1,439 in 2016/17, a decrease of 43 year on year.

Councillors were asked to note the figure for the total number of cremations compared to a prudent budget assumption of 1,300 cremations, representing an over-achievement in cremation fee income of £60,022. Members noted comparative figures for the previous eight financial years, noting an eight year average of 1,311 cremations.

The Bereavement Services Manager asked Members to note the number of memorials sold in comparison to the same period the previous year, a decrease of 9 memorials, £2,913 year on year.

The Joint Committee noted that the Business Administration Apprentice had handed in their resignation and noted the position had been re-advertised with a closing date of the 18 April 2018 and the advertisement had also been placed on the national Apprenticeship website. It was added there had been 15 applicants and a shortlist of 6 to go to interviews next month.

Members noted that The Phoenix Partnership had carried out the installation, maintenance and repair of the old L&P Cremators for over 30 years and it was recommended a letter of thanks be sent in recognition of the valuable service they provided.

Councillors were asked to recall the 2018/19 Fees and Charges being approved at the last meeting of the Joint Committee, with an item being raised in terms of the £9.00 charge for Non-Viable Foetus (NVF), whereas children up to 16 years of age were free. It was added that this had historically been as cremations were organised via hospitals, though it was noted now this was via funeral directors. Members noted the low income generated from the NVF cremations and that it was proposed that the cost was amended to a nil cost with immediate effect.

The Bereavement Services Manager explained the necessary arrangements would be made as regards representation at the Joint Conference of the Federation of Burial and Cremation Authorities and the Cremation Society of Great Britain, to be held at the Hilton Newcastle/Gateshead from Monday 11 to Wednesday 13 June 2018.

The Bereavement Services Manager informed Members that the Recycling of Metals Scheme had generated a sum of £5,000 for Cruse Bereavement Care with the Chairman and Bereavement Services Manager having presented the cheque to the charity. Members noted an extra round of nominations and also were reminded that at the last Committee it was noted that the current list of charity nominations was reaching its end and Members were asked to agree the list of charities and for any additional charities they wished to be included, noting that they needed to be bereavement related.

The Joint Committee noted the replacement of cremators and mercury abatement equipment, with details set out at paragraph 19 to 22 of the report.

Councillor L Green asked if any charity nominations should be forwarded to the Bereavement Services Manager. The Bereavement Service Manager noted this was correct, or if there was any charities Members wish to nominate now they could do so. Councillor L Green noted an outreach charity connected to the Armed Forces, noting helping with funeral costs. The Chairman noted that any charity would need to link to bereavement and restrict accordingly.

The Head of Finance and Transactional Services, Paul Darby noted that the Joint Committee would normally mirror the Central Durham Crematorium Joint Committee in terms of fees and charges and noted the Durham Committee had met and agreed the nil charge for NVF.

The Chairman noted that he had attended the last conference with the Bereavement Services Manager, and asked if any other Members wished to attend the upcoming conference. Councillor J Shuttleworth noted he felt the Chairman should attend, with Councillor L Green adding that perhaps those attending could alternate between the constituent Local Authorities. The Chairman noted he would attend the upcoming conference, though he asked that attendance at conferences be widened out to other Councillors.

Resolved:

- (i) That the current performance of the Crematorium be noted.
- (ii) That the position in relation to the Business Administration Apprentice post be noted.
- (iii) That a letter of thanks be sent to The Phoenix Partnership.
- (iv) That the change in NVF cremation charge from £9 to nil be agreed.
- (v) That the attendance at the Burial and Cremation Conference be noted.
- (vi) That the distribution of recycling income to the respective charity and subsequent charity nominations be noted.
- (vii) That the progress with regards to the cremator replacement be noted.

5 Financial Monitoring Report - Provisional Outturn as at 31 March 2018

The Head of Finance and Transactional Services referred Members to the Financial Monitoring Report, with the provisional outturn as at 31 March 2018 (for copy see file of minutes).

The Joint Committee noted that the updated projected revenue outturn was showing a shortfall of £992,467 against a budgeted surplus of £460,636. It was noted that the major variances were set out within the report, with the main issue being the £1,562,132 relating to the crematorium extension and cremator replacement being transacted through the revenue account at year end. Members noted the policy to maintain a general reserve of 30% of the income budget and noted a transfer of £900 to the General Reserve, with a projected total reserve of £293,536 at the year-end.

The Head of Finance and Transactional Services noted the reduction in the reserves though explained that all the major works and those within the Service Asset Management Plan (SAMP) had been accounted for and the reserves would build up over the next 15-20 years in line with when cremator replacement would be required.

Resolved:

That the April 2017 to March 2018 Revenue Spend Financial Monitoring Report and associated Provision Outturn position at 31 March 2018 be noted.

6 Risk Register Update 2017/18 - 2

The Head of Finance and Transactional Services asked Members to note the Risk Register Update 2017/18 update report, the Joint Committee considering updates on a 6 monthly basis. Members recalled that the report set out Strategic Risks and Operational Risks with risks regularly reviewed by the DCC Risk Management Team and the Bereavement Services Manager.

It was noted that there had been one risk removed “Adverse impact on Crematorium business due to the ongoing refurbishment of the crematorium”, following the completion of the works in March 2018. Members noted that the net likelihood of the “failure of Cremators” risk had been reduced from possible to remote, following the installation of new cremators. It was explained that the Bereavement Services Manager and Team had been looking at issues in terms of GDPR, privacy notes and staff training to ensure compliance. Members noted that a fireproof door had been installed and were referred to the full register at Appendices 4 and 5.

Resolved:

That the Members of the Central Durham Crematorium Joint Committee note the content of the report and the updated position.

7 Annual Internal Audit Report 2017/18

The Chief Internal Auditor and Corporate Fraud Manager, Paul Bradley referred Members to the Annual Internal Audit Report 2017/18 (for copy see file of minutes).

The Chief Internal Auditor and Corporate Fraud Manager reminded the Joint Committee that the Annual Internal Audit Report fulfilled the requirements of Public Sector Internal Audit Standards and CIPFA Local Government Application note for the Chief Internal Auditor and Corporate Fraud Manager to deliver an annual audit opinion.

Members were informed that the report looked at the Joint Committee’s systems of governance, risk management and internal control and that, from the work undertaken, he was able to provide a “Substantial” overall assurance opinion of the adequacy and effectiveness of internal control operating across the Joint Committee in 2017/18. Members were reminded that “Substantial” was the highest level of assurance rating.

The Chief Internal Auditor and Corporate Fraud Manager noted that the appendices to the report set out the work undertaken by Internal Audit and that there had been no significant control weaknesses that warranted inclusion in the 2017/18 Annual Governance Statement.

The Head of Finance and Transactional Services noted there were several observation in terms of strengthening arrangements relating to document retention, scanning documents, with the Bereavement Services Manager explaining he had spoken to procurement in terms of these issues and would come back to the Joint Committee in September with further information.

The Chairman noted it was an excellent report and thanked the Officers for their hard work in once again obtaining a substantial assurance. The Chairman also noted, on behalf of the Committee, thanks to the Bereavement Services Manager and all staff in terms of the hard work to ensure there was no impact on business while the new cremators were being installed.

Resolved:

That the content of the Annual Internal Audit Report and the overall “Substantial” opinion on the adequacy and effectiveness of the Joint Committee’s control environment for 2017/18 be noted.

1 Scope of Responsibility

The Mountsett Crematorium Joint Committee is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively. It also has a responsibility under the Local Government Act 1999 to make arrangements to secure continuous improvement in the way in which its functions are exercised, having regard to a combination of economy efficiency and effectiveness. This Committee was established in 1964 by the Urban District Councils of Stanley and Consett (transferred to Derwentside District Council, 1976) and the Urban District Councils of Blaydon and Whickham (transferred to Gateshead Metropolitan Borough Council, 1976).

Following Local Government Reorganisation in 2009, as successor to Derwentside District Council, Durham County Council acts as the lead authority.

The Mountsett Crematorium Joint Committee is also responsible for putting in place proper arrangements for the governance of its affairs, facilitating the effective exercise of its functions, which includes arrangements for the management of risk.

The Mountsett Crematorium Joint Committee has adopted a code of corporate governance, which is consistent with the principles of the CIPFA/SOLACE Framework 'Delivering Good Governance in Local Government' and operates under the policies and strategies including Contract Procedure Rules, Financial Procedure Rules, Financial Regulations, developed, agreed and adopted by the Durham County Council, its lead authority.

2 Requirements

The Accounts and Audit Regulations 2015 require smaller authorities to prepare an Annual Governance Statement (AGS) every year.

The AGS is set out in Section 1 of the Joint Committees Annual Return and sets out seven statements or 'assertions'. These are summarised below:

- i. We approved the accounting statements prepared in accordance with the guidance notes within this Return.*
- ii. We maintained an adequate system of internal control, including measures designed to prevent and detect fraud and corruption and reviewed its effectiveness.*
- iii. We took all reasonable steps to assure ourselves that there are no matters of actual or potential non-compliance with generally accepted good practice that could have a significant financial effect on the ability of the body to conduct its business or on its finances and have reported our financial results to our host authority for inclusion in their accounts.*

- iv. *We carried out an assessment of the risks facing the Joint Committee and took appropriate steps to manage those risks, including the introduction of internal controls and/or external insurance cover where required.*
- v. *We maintained throughout the year an adequate and effective system of internal audit of the accounting records and control systems.*
- vi. *We took appropriate action on all matters raised during the year in reports from internal and external reviews.*
- vii. *We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on the Joint Committee and where appropriate have included them in the accounting statements.*

In approving the Annual Governance Statement, the Joint Committee is required to provide an answer of 'yes' or 'no' to each of the above assertions.

The Joint Committee is expected to have relevant evidence in place to support each 'yes' answer and would need to provide an explanation to the external auditor if it is not able to provide a 'yes' answer, including details of how the Joint Committee will address any identified weaknesses in its governance arrangements.

This document evidences how the Joint Committee complies with the requirements behind each assertion, as set out in 'Governance and Accountability for Smaller Authorities in England – A Practitioners' Guide to Proper Practices'.

3 Governance Arrangements during 2017/18

The key elements of the systems and processes that comprise the governance arrangements are detailed in Durham County Council's Local Code of Corporate Governance, which is documented in the Council's Constitution. This sets out the key documents and processes that determine the way the Council is directed and controlled to meet the seven statements or assertions.

The following sections demonstrate assurance that the Council has complied with each of these assertions in practice, and also highlights where we have further improved our corporate governance arrangements during 2017/18.

Assertion 1: We approved the accounting statements prepared in accordance with the guidance notes within this Return

The Joint Committee prepares a Revenue and Capital budget in advance of each financial year and robust budget setting processes are in place to support the Joint Committee's decision making process. The budget makes prudent but realistic estimates of income and expenditure, capital investment requirements and the need to maintain prudent levels of reserves.

Comprehensive monthly budgetary control systems including income and expenditure reconciliations and the preparation of regular financial reports which indicate actual expenditure against budget and forecast year end positions are also undertaken and

reported quarterly to the Joint Committee, with corrective action being taken where required to address any budget issues.

The Corporate Director: Resources and Chief Finance Officer (CFO) is responsible for:

- ensuring the proper administration of the financial affairs of the Joint Committee
- establishing the Financial Management Standards and monitoring compliance with them
- reviewing the Financial Management Standards regularly to ensure they remain fit for purpose
- ensuring that proper professional practices, standards, and ethics are adhered to
- advising on the key strategic controls necessary to secure sound financial management
- ensuring that financial staffing resources are adequate to maintain adherence to these standards
- establishing a framework of documented business processes that support these financial management standards and ensuring that they are reviewed regularly

The Joint Committee prepares accounting statements each year via the Annual Return and these are supported by comprehensive working papers, supporting records and reconciliations.

Officers undertake a monthly reconciliation of the Joint Committee's bank accounts to the accounting records held on its financial management system. Quarterly budgetary control reports setting out actual spending and income against budget and details of financial performance are reported to the Joint Committee. The year end bank reconciliation also forms part of the year end external audit's limited assurance review.

The Joint Committee uses the lead authority, Durham County Council's Investment Strategy for short term investments.

The Head of Finance & Transactional Services is responsible for putting in place sound arrangements for ensuring that the Joint Committee's annual accounts are accurately prepared in accordance with statutory obligations and proper practices. The accounting statements are set out in the Annual Return and are prepared in accordance with 'Governance and Accountability for Smaller Authorities in England – A Practitioners' Guide to Proper Practices to be applied in the preparation of statutory annual accounts and governance statements'. The accounting statements are approved by the Joint Committee prior to 30 June every year, in accordance with the statutory timetable set out in the Accounts and Audit regulations 2015.

Assertion 2: We maintained an adequate system of internal control, including measures designed to prevent and detect fraud and corruption and reviewed its effectiveness.

The Joint Committee, via its lead authority Durham County Council has in place comprehensive Financial Management Standards governing how it operates in accordance with the law and proper practices. These are supported by various policies and procedures covering specific requirements.

The Financial Management Standards cover how the Joint Committee orders goods and services, incurs liabilities, manages debtors, makes payments and handles receipts and how it puts in place efficient arrangements for safeguarding public money. A Risk Management strategy is in place supported by risk registers. Risk assessments are carried out and the registers updated on a six monthly basis. The Joint Committee employs an Internal Auditor to undertake audits of all key services and systems and report on possible weaknesses or required improvements in internal controls. The system of internal control is risk based and focussed on key risk areas such as cash and fixed assets.

The Joint Committee, via its lead authority pays its staff in accordance with an approved establishment list and grading structure and in line with the terms and conditions as set out in the National Joint Council for Local Government Services 'Green Book' which sets out the national agreement on pay and conditions of service for local government staff. Comprehensive internal controls and checks are in place around the payroll system with significant internal audit time spent checking the accuracy and legitimacy of salary payments. The Joint Committee is responsible for ensuring compliance with all duties under employment legislation and has met its pension obligations and is not aware of any instances of non-compliance.

The Corporate Director: Resources and Treasurer to the Joint Committee is responsible for ensuring that the Joint Committee meets its statutory responsibilities in relation to VAT and putting in place robust arrangements for the processing of VAT and ensuring that the quarterly VAT claims are processed accurately and on time. All finance officers have had VAT training.

The Joint Committee revises its Service Asset Management Plan (SAMP) in September every year and ensures that its assets are secured, properly maintained and efficiently managed. This is demonstrated by:-

- Continuing to identify the property needs of the service to enable it to deliver its vision
- Continuing to assess the condition, sufficiency, suitability, accessibility and energy performance of the crematorium and looking at their appropriateness to deliver the future service
- Identifying the portfolio gaps and appraising the options and priorities to close the gaps between future needs and current provision

The lead authority, Durham County Council has in place a Treasury Management policy and an annual Treasury Management strategy which includes the framework for the management of loans and comprises:

- Current treasury position
- Capital financing plans (including Prudential and Treasury Indicators)
- Interest Rate Outlook
- Policy on borrowing in advance of need
- Investment Strategy
- Minimum Revenue Provision Policy
- Policy on use of external service providers

The Joint Committee has responsibility for conducting, at least annually, a review of the effectiveness of its governance framework including the system of internal control. The review of effectiveness is informed by the work of senior managers within the authority who have responsibility for the development and maintenance of the governance environment, the annual report of the Chief Internal Auditor and Corporate Fraud Manager, and also by comments made by the external auditors and other review agencies and inspectorates.

Assertion 3: We took all reasonable steps to assure ourselves that there are no matters of actual or potential non-compliance with generally accepted good practice that could have a significant financial effect on the ability of the body to conduct its business or on its finances and have reported our financial results to our host authority for inclusion in their accounts.

The Joint Committee is responsible for ensuring that all relevant laws and regulations have been complied with in the undertaking of all service activity and decision making.

Durham County Council and Mountsett Crematorium Joint Committee Constitutions set out how they operate, how decisions are made and the procedures which are followed to ensure that these are effective, transparent and accountable to service users.

Mountsett Crematorium Joint Committee ensures that its financial management arrangements conform to CIPFA standards by:-

- Appointing as its Treasurer, the Corporate Director: Resources and Chief Finance Officer (CFO) from the lead authority along with the Head of Finance & Transactional Services under the scheme of delegated responsibilities by the Treasurer. The Corporate Director and Head of Finance are professionally qualified and possess the necessary skills, knowledge and experience to perform effectively in both a financial and non-financial role

- Ensuring the finance function in support to the Treasurer is adequately qualified and resourced to fulfil its duties and a structure is in place that provides a line of professional accountability for the finance staff
- Ensuring that key CIPFA Codes such as the Prudential Framework for Local Authority Capital Finance and the Treasury Management Code are complied with where required
- Having a clearly articulated Medium Term Financial Plan/Reserves Strategy and Policy
- Producing Monthly Budgetary Control Reports which are considered on a quarterly basis by the Joint Committee
- Ensuring proper Internal Audit, Risk and Governance arrangements are in place
- Maintaining the Service Asset Management Plan.

Membership to the Federation of Burial and Cremation Authorities, which requires that each year a signed declaration, is made so that the Codes of Practice have been strictly adhered to. The Crematorium is also subject to bi-annual inspection by the regulator (DCC) who has to be satisfied that all Environmental Legislation is being implemented.

Performance monitoring undertaken through the use of comparative statistics with other crematoria and across years.

The Internal Audit Section is also subject to an annual review of its activities and performance. Evidence of the effectiveness of the Audit Service is presented to, and reviewed by the Audit Committee of the lead authority, Durham County Council. The assurance provided by the review is presented to, considered by and minuted by the Mountsett Crematorium Joint Committee.

The Joint Committee has various measures in place to ensure that it does not take any decisions during the year that may exceed its powers or contravene any laws, regulations or proper practices. The lawfulness of all decisions referred to the Joint Committee is always considered by senior officers and is clearly referenced in reports, particularly in relation to decisions involving income or expenditure. The Joint Committee is not aware of any instances of non-compliance with law and regulations during 2017/18.

The Corporate Director of Resources & Treasurer to the Joint Committee ensures full compliance with the requirements of the Accounts and Audit Regulations 2015 in relation to the Joint Committee's financial management, accounting and audit arrangements.

The financial results of the Joint Committee are reported to the lead authority, Durham County Council at the end of every financial year for inclusion in their accounts.

Assertion 4: We carried out an assessment of the risks facing the Joint Committee and took appropriate steps to manage those risks, including the introduction of internal controls and/or external insurance cover where required.

Durham County Council and Mountsett Crematorium Joint Committee Constitutions set out how they operate, how decisions are made and the procedures which are followed to ensure that these are effective, transparent and accountable to service users.

A risk management approach is in operation that aids the achievement of strategic objectives, supports the decision making processes, protects the reputation and other assets of the Crematorium and is compliant with statutory and regulatory obligations.

The Mountsett Crematorium Joint Committee ensures that the Risk Management approach:-

- Is conducted in accordance with the Risk Management Policy and Strategy of Durham County Council. The Bereavement Services Manager is advised by the Corporate Risk Management Working Group where strategic and operational risks are considered
 - Has strategically aligned the Internal Audit and Fraud service provision to enable access to trained investigators and allow greater coverage of counter fraud work when required
 - Includes a Fraud Awareness training programme undertaken by Senior Officers
- Involves regular reports by internal audit to those charged with governance, to standards defined in the CIPFA Code of Practice and in accordance with the Accounts and Audit Regulations 2015. These include the Chief Internal Auditor and Corporate Fraud Manager's independent opinion on the adequacy and effectiveness of the system of internal control, at the crematorium, together with recommendations for improvement.

Risk based assessments of key financial systems (as approved in the SLA) are carried out in the final quarter of the financial year to ensure maximum coverage of the Crematorium's financial transactions and provide an informed opinion on the robustness, adequacy and effectiveness of the system of internal control, at the crematorium, together with recommendations for improvement.

The production of a Risk Register with regular reviews undertaken by the Bereavement Services Manager along with action plan reports are produced and approved where necessary. Full details are reported to the Joint Committee on a six monthly basis.

Service and operational risk registers are maintained through an evaluation of the gross risk based on an assessment of the impact and likelihood of the risk occurring. The net risk is evaluated on the same basis after taking into account mitigating control measures. Net risk evaluations are agreed by consensus and actions to mitigate and/or tackle issues arising from the individual risks are agreed for the upcoming year.

Risks are evaluated in a logical and straightforward process. Service risk assessments are based on the impact on finance, service delivery and stakeholders if the risk

materialises, and also the likelihood that the risk will occur over a given period. Operational risk assessments are based on Durham County Council's health and safety risk assessment criteria, which include the likelihood of occurrence.

Assertion 5: We maintained throughout the year an adequate and effective system of internal audit of the accounting records and control systems.

The Joint Committee's internal audit provider is Durham County Council Internal Audit Services, whose service is delivered in accordance with a Service Level Agreement (SLA) approved by the Joint Committee every three years. The Internal Audit service is delivered in accordance with the requirements of the Accounts and Audit Regulations 2015 'for undertaking an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance'.

The Internal Audit service applies a risk based audit approach and when determining the annual audit opinion considers the following:

- The adequacy of risk identification, assessment and mitigation
- The adequacy and application of controls to mitigate identified risk
- The adequacy and extent of compliance with Durham County Council's corporate governance framework
- The extent of compliance with relevant legislation
- The extent to which the organisation's assets and interests are accounted for and safeguarded from loss of all kinds including fraud, waste, extravagance, inefficient administration and poor value for money
- The quality and integrity of financial and other management information utilised within the organisation

The Internal Audit service conforms to the requirements of the UK Public Sector Internal Audit Standards (PSIAS) as evidenced through an external assessment by 'self-assessment with independent external validation'.

Durham County Council's Financial Management Standards include a specific requirement that internal auditors are given access at all reasonable times to premises, personnel, documents and assets that the auditors consider necessary for the purposes of their work. This complies with the requirements of the Accounts and Audit Regulations 2015.

Assertion 6: We took appropriate action on all matters raised during the year in reports from internal and external reviews.

The Joint Committee's Internal Auditor reports the conclusions and recommendations from every audit examination to the Joint Committee on an annual basis and follows up on audit recommendations in subsequent audits to ensure that they have been implemented.

The Joint Committee considers the annual review of the Annual Return from the external auditors and the Corporate Director of Resources and Treasurer to the Joint Committee would put in place an action plan to deal with any matters raised, as and when necessary.

Assertion 7: We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on the Joint Committee and where appropriate have included them in the accounting statements.

During the annual closedown of the accounts, the Corporate Director of Resources and Treasurer to the Joint Committee assess whether there have been any events during the financial year or after year end, which may have potential consequences on the Joint Committee's finances. If any such events are identified, the Treasurer will determine whether the financial consequences need to be reflected in the accounting statements and disclose them as necessary.

4 Significant Governance Issues

Mountsett Crematorium Joint Committee is fully committed to the principles of Corporate Governance, and has made further progress in recent months in developing its arrangements.

The Internal Audit Section sought further assurance, via its annual plan of work and review of key systems.

As a result, Internal Audit has provided **Substantial** overall assurance opinion on the adequacy and effectiveness of internal control operating across the Joint Committee in 2017/18. This opinion provides assurance that there is a sound system of control in operation and there are no significant control weaknesses that warrant inclusion within the Annual Governance Statement.

6 Assurance Statement

We have been advised on the implications of the result of the review of the effectiveness of the governance framework and the system of internal control by the Mountsett Crematorium Joint Committee and are satisfied that plans to address weaknesses and ensure continuous improvement of the system are in place.

Explanation of Significant Variances between Original Budget and Forecast Outturn

6. The final outturn position is broadly in line with the provisional outturn position reported to the Joint Committee on 27 April 2018, with only very minor changes across a number of budget levels at the final outturn (£446 increase) to the overall net income for the year.

7. The following section outlines the reasons for significant variances by subjective analysis area (most of which was disclosed in the provisional outturn report), comparing the outturn position against the budget.

7.1 **Employees**

The outturn shows an underspend of **(£4,139)** in relation to employee costs. The reasons for this are identified below:

- The Business Admin Apprentice costs were lower than budgeted due to the age of the apprentice and the post holder left in February, resulting in an underspend of **(£5,104)**.
- The staff training budget overspent by **£965** due to coursework fees.

7.2 **Premises**

The outturn shows an overspend of **£1,523,566** in relation to premises costs. The reasons for this are identified below:

- Utility charges underspent by **(£805)**.
- The installation of air conditioning budget was not required as the costs have been incorporated within the cremator replacement works, resulting in an underspend of **(£15,000)**.
- The replacement of carpets to the office area budget was also incorporated within the cremator replacement works, resulting in an underspend of **(£10,000)**.
- The redecoration works underspent by **(£8,097)**. Internal works were completed as planned but the external works have been delayed due to the poor weather.
- The cremator replacement and crematorium extension works have been charged to the revenue account and total **£1,564,515**. There was no budget for the works initially incorporated into the Premises Budget set in January 2017 due to the uncertainty at the time of the level of reserves and the loan required from DCC to fund the works. The costs incurred in 2017/18 have been accommodated from a combination of utilising the Cremator Replacement Reserve and in-year underspends across other budget heads.
- Cremator servicing and repairs underspent by **(£2,710)** due to the old cremators being replaced during the year.
- General repairs underspent by **(£4,337)** due mainly to the cremator replacement works being undertaken this year.

7.3 **Supplies and Services**

The outturn shows an overspend of **£3,064** in relation to supplies and services. The reasons for this are highlighted below:

- General office costs and sundry items underspent by **(£3,385)**.
- Due to the increase in cremations and a back dated payment from 2015, medical referee expenditure is overspent by **£3,630**.
- The environmental surcharges payable for tradable mercury abated cremations from the CAMEO scheme is overspent by **£2,819**, again due to the increase in cremation numbers

7.4 **Income**

An increase in income of **(£67,671)** from the 2017/18 budget is included within the final outturn. The reasons for this are identified below:

- The outturn has taken into consideration an additional 96 cremations compared to budget, totalling excess income to budget of **(£60,022)**. The outturn is based on a total of 1,396 cremations against a budget estimate of 1,300 during 2017/18.
- Interest is **(£303)** higher than expected due to a slight increase in interest rates and higher levels of balances than originally forecast.
- Book of Remembrance and Memorial Plaque income were **(£7,346)** higher than budget.

8. **Earmarked Reserves**

The 2017/18 base budget included provision for a £280,746 contribution to the Cremator Replacement Reserve in year.

The cremator replacement and extension works were nearing completion at the year end and therefore the budgeted contribution to the Cremator Replacement reserve and the brought forward balance on this reserve has been applied to fund these works. The closing balance of £61,781 will be utilised in 2018/19 upon completion of the project.

In line with the MCJC Reserve Policy to maintain a General Reserve of 30% of the income budget, a transfer to the General Reserve of **(£900)** was required at year end.

The retained reserves of the Mountsett Crematorium Joint Committee at 31 March 2018 are **£101,151**, along with a General Reserve of **£264,300**, giving a total reserves and balances position of **£365,451** at the year end. This represents an in year decrease of **(£1,157,803)** (approximately 76% decrease on the balances held at 31 March 2017) – reflecting the application of reserves to fund the cremator replacements in year.

Recommendations and reasons

9. It is recommended that:-

Guidance notes on completing the 2017/2018 return

1. Make sure that your annual governance and accountability return is complete (ie no empty highlighted boxes), and is properly signed and dated. Avoid making amendments to the completed return. Any amendments must be approved by the Joint Committee, properly initialled and explanation provided. Annual governance and accountability return's containing unexplained or unapproved amendments may be returned and incur additional costs.
2. **Joint Committees must approve Section 1 on page 2 before approving Section 2 on page 3.**
3. Use the checklist provided below. Use a second pair of eyes, perhaps a member of the committee or the Chair, to review your return for completeness before sending it to us.
4. Do not send us any information not specifically asked for. Doing so is not helpful. However, you must notify us of any change of Clerk, Responsible Financial Officer or Chair.
5. Make sure that the copy of the bank reconciliation confirming the balance held on your behalf which you send with the return covers all your bank balances. If the Joint Committee holds any short-term investments, note their value on the bank reconciliation. We must be able to agree your bank reconciliation to Box 8 on the accounting statements (Section 2 on page 3). You must provide an explanation for any difference between Box 7 and Box 8.
6. Explain fully significant variances in the accounting statements on page 3. Do not just send in a copy of your detailed accounting records instead of this explanation. We want to know that you understand the reasons for all variances. Include a complete numerical and narrative analysis to support your explanation.
7. If we have to review unsolicited information, or receive an incomplete bank reconciliation, or you do not fully explain variances, this may incur additional costs for which we will make a charge.
8. Make sure that your accounting statements add up and the balance carried forward from the previous year (Box 7 of 2017) equals the balance brought forward in the current year (Box 1 of 2018).
9. Do not complete section 3. We will complete it at the conclusion of our work.

Mountsett Crematorium Performance and Operational Report

Report of Graham Harrison, Bereavement Services Manager

Purpose of the Report

1. To provide Members of the Mountsett Crematorium Joint Committee with an update relating to performance and other operational matters.

Performance Update - Number of Cremations

2. The table below provides details of the number of cremations in April and May 2018, with comparative data for the same period last year:

	2017/18	2018/19	Change
April	88	114	+ 26
May	118	129	+ 11
TOTAL	206	243	+ 37

3. There were 243 cremations undertaken during the period 1 April 2018 to 31 May 2018, compared to 206 in the comparable period last year, an increase of 37 year on year.
4. The increase is consistent with Office for National Statistics data which shows there were nearly 20,000 more deaths in England and Wales in the first five months of 2018 compared to the same periods in the previous five years, prompting calls for a Government investigation. Some statisticians believe it can be attributed to the problems being experienced within the NHS and cuts in social care, along with a winter flu outbreak.

The profile of where families came from can be seen below:

Gateshead	77
Durham	145
Outside Area	21
Total	243

Memorials

4. The table below outlines the number and value of the memorials sold in the period April to May 2018 compared to the same period the previous year.

	(Apr - May) 2017/18		(Apr - May) 2018/19	
	Number	£	Number	£
Large Plaques	3	1,206	2	804
Small Plaques	4	1,044	6	1,566
Total	7	2,250	8	2,370

5. In the first two months of this financial year there were 8 memorials sold, with a value of £2,370, compared to 7 / £2,250 in the same period last year – a year on year increase of 1 / £120. There is now a wider choice of plaques available at the crematorium, which is proving popular with service users.

Staffing

6. Members may recall that the vacant Business Admin Apprentice position was advertised on the National Apprentice website with a closing date of 18 April 2018. Shortlisting was undertaken and six applicants were invited for interview, however 5 failed to attend the interviews. We are therefore arranging to re-advertise this position again.

Institute of Cemetery and Crematorium Management ICCM Learning Convention and Exhibition 2018

7. As in previous years, the necessary arrangements will be made for representation at the Institute of Cemetery and Crematorium Management ICCM Learning Convention and Exhibition which is to be held at Oxford Belfry Hotel, Milton Common, Nr Thame, Oxfordshire from 1st to 3rd October 2018. It is proposed that the Bereavement Services Manager and the Chair attend this conference as representatives of Mountsett Crematorium Joint Committee.

Recycling of Metals Scheme

8. Members may recall that the Crematorium received a cheque relating to the recycling of metals scheme from the Institute of Cemetery and Crematorium Management to the sum of £5,000 for Cruse Bereavement Care. Arrangements were made for the Chair to present the cheque to the charity and a photograph of the presentation and letter of thanks is attached at Appendix 2.
9. Additional funds from collections in 2017 have resulted in an extra round of nominations being made available and we have just received another cheque to the sum of £5,000 for Marie Curie. Arrangements are to be made for the cheque to be presented to the charity by the Committee Chair, Vice Chair and the Bereavement Services Manager.

Replacement of Cremators and Installation of Mercury Abatement Plant

10. Members will recall that an update was given at the last meeting regarding the installation of the 2 new cremators with Mercury Abatement equipment to replace the existing cremators.

11. The position remains unchanged and we are still working with A.T.I. to try and resolve ongoing issues.

Recommendations and Reasons

12. It is recommended that Members of the Mountsett Joint Committee:
- Note the current performance of the crematorium.
 - Note the re-advertising of the Business Admin Apprentice post.
 - Note the attendance of the Bereavement Services Manager and Chair to the Learning Convention and Exhibition.
 - Note the distribution of recycling income received to the respective charity.
 - Note the progress with regards to the cremator replacement.

On behalf of the Tees Valley & Durham Area Management Committee I thank you for the most generous donation of £5000 from the recycling scheme. This donation could not have come at a better time as Cruse Tees Valley & Durham Area are now starting to feel the effects of the austerity measures that the local authorities are facing and our income is not meeting our needs.

This money will go a long way to help the bereaved people of County Durham this year and will enable our volunteers to travel to the wider areas of the county and hire rooms for the client's convenience.

The Committee would also like to thank Cllr Owen Temple for his support.
