4 Quarterly Performance and Operational Report

The Bereavement Services Manager asked Members to note the performance figures from January 2019 to March 2019 and the comparison to the same period for 2018, highlighting that there was a net decrease of 21 cremations. It was noted there was a total of 650 for the three-month period with the January to March 2019 profile breakdown showing 198 from Durham, 26 from Spennymoor and 426 from outside of the area.

Councillors were asked to note that the figure for the total number of cremations to 31 March 2019 was 2,392, compared to a prudent budget assumption of 2,200 cremations, representing an over-achievement in cremation fee income of £117,750. Members noted comparative figures for the previous nine financial years, noting a nine-year average of 2,293 cremations.

The Bereavement Services Manager asked Members to note the number of memorials sold in comparison to the same period the previous year, an increase of £11,096 in value terms.

The Joint Committee were asked to recall that at the February meeting it had been agreed to recruit to the vacant Crematorium Attendant post. The Bereavement Services Manager noted there was one applicant, a current Relief Operative and they were appointed to the position. Accordingly, the Bereavement Services Manager noted that in order to ensure business continuity it was proposed to advertise for additional Relief Cremator Operators who could work between both Durham and Mountsett Crematoria.

Councillors were asked to note that in respect of Wi-Fi connectivity being provided at the Crematorium, the equipment had now been installed successfully.

The Bereavement Services Manager explained the necessary arrangements would be made as regards representation at the Joint Conference of the Federation of Burial and Cremation Authorities and the Cremation Society of Great Britain, to be held at the Hilton Ageas Bowl, Southampton from Monday 1 to Wednesday 3 July 2019.

The Bereavement Services Manager informed Members that the Recycling of Metals Scheme had generated a sum of £7,000 for the Great North Air Ambulance and that arrangements had been made in respect of the cheque being presented to the charity. Members were informed that additional funds from the scheme in 2018 had resulted in the first scheduled round of nominations commencing immediately to distribute those funds.

The Joint Committee noted that following an Internal Audit recommendation, a procurement exercise had been undertaken as regards entries into the Book of Remembrance. It was explained that the exercise had been completed with the original company being successful, through providing the work at a slightly lower price.

The Chairman asked if there were any questions on the report, Members noted their thanks to the Bereavement Services Manager.

Resolved:

- (i) That the current performance of the Crematorium be noted.
- (ii) That the current situation with regards the Crematorium Attendant's post be noted.
- (iii) That the advertising for Relief Cremator Operators be agreed.
- (iv) That the installation of Wi-Fi at the Crematorium be noted.
- (v) That the attendance at the Joint Conference of the Federation of Burial and Cremation Authorities be noted.
- (vi) That the distribution of recycling income to the respective charity be noted.
- (vii) That the continuation of the current supplier with regards the Book of Remembrance be noted.

5 Financial Monitoring Report 2018/19 - Provisional Outturn as at 31/03/2019

The Head of Finance and Transactional Services, Paul Darby referred Members to the Financial Monitoring Report, with the provisional outturn as at 31 March 2019 (for copy see file of minutes).

The Joint Committee noted that the updated projected revenue outturn was showing a surplus, of £888,024 against a budgeted surplus of £752,693. It was noted that the major variances were set out within the report.

Members noted that in terms of the capital programme, this was reported as being £64,356 under budget, with the underspends being set out within the report. It was noted outstanding items would be carried forward into the 2019/20 Capital Budget.

Members noted a projected total reserve of £1,889,684 at the year-end, giving a strong financial position.

Councillor P Jopling noted the strong financial position of the Crematorium and congratulated Officers for their work. She asked if the numbers fluctuated over time and had there been any impact from other facilities. The Head of Finance and Transactional Services noted that there was a general trend of more cremations, and while Durham Crematorium did face competition, the number of cremations forecast was prudent. He added Members were aware from previous meetings as regards the levels of fees and charges and noted he felt this help ensure Durham was well placed in terms of affordability. The Head of Finance and Transactional Services reminded Members of the planning permission that had been granted regards a crematorium at Castle Eden, though no development had taken place as yet.

He reassured Members that those issues were noted, that Officers were mindful of the risks and referred back to the previous report which set out the last nine years statistics in relation to numbers of cremations.

Councillor P Jopling noted that the extras, such as memorials and plaques were also useful in helping to generate income and asked how these products and services were marketed. The Head of Finance and Transactional Services noted the Bereavement Services Manager engaged with Funeral Directors and there had been investment in the Crematorium website. The Bereavement Services Manager reminded Members of the recent inclusion of direct cremations and noted that the Crematorium had seen a number of people take up this option.

Resolved:

That the April 2018 to March 2019 Revenue Spend Financial Monitoring Report and associated Provision Outturn position at 31 March 2019 be noted.

6 Risk Register 2018/19

The Head of Finance and Transactional Services asked Members to note the Risk Register Update 2018/19 update report, the Joint Committee considering updates on a 6 monthly basis. Members recalled that the report set out Strategic Risks and Operational Risks with risks regularly reviewed by the DCC Risk Management Team and the Bereavement Services Manager.

It was noted that there had been no new major risks identified, and that the risk in relation to changes to certification services had now been removed as there was not an impact on the Crematorium from those changes. The Head of Finance and Transactional Services noted that all risks were within the tolerable or managed levels.

The Chairman noted the risk relating to tree branches and commented that the work undertaken in relation to trees and hedgerows at the Crematorium had been carried out to a very high standard. Councillor P Jopling agreed, adding that at the last meeting held at the Crematorium the quality of the work spoke to the level of craftsmanship involved. The Chairman added that she felt the results were beautiful and enhanced the setting of the Crematorium and asked the Bereavement Services Manager to pass on thanks to those involved.

Resolved:

That the Members of the Central Durham Crematorium Joint Committee note the content of the report and the updated position.

7 Annual Internal Audit Report 2018/19

The Chief Internal Auditor and Corporate Fraud Manager, Paul Bradley referred Members to the Annual Internal Audit Report 2018/19 (for copy see file of minutes).

The Chief Internal Auditor and Corporate Fraud Manager reminded the Joint Committee that the Annual Internal Audit Report fulfilled the requirements of Public Sector Internal Audit Standards and CIPFA Local Government Application note in order to deliver an annual audit opinion.

Members were informed that the report looked at the Joint Committee's systems of governance, risk management and internal control and that, from the work undertaken, the Chief Internal Auditor and Corporate Fraud Manager was able to provide a "Substantial" overall assurance opinion of the adequacy and effectiveness of internal control operating across the Joint Committee in 2018/19. Members were reminded that "Substantial" was the highest level of assurance rating.

The Chief Internal Auditor and Corporate Fraud Manager noted that two medium and two best practice recommendations had been made and that the Crematorium had taken actions in relation to those.

The Chairman noted it was an excellent report and thanked the Officers for their hard work in once again obtaining a substantial assurance.

Resolved:

That the content of the Annual Internal Audit Report and the overall "Substantial" opinion on the adequacy and effectiveness of the Joint Committee's control environment for 2018/19 be noted.

8 Terms of Reference

The Clerk to the Joint Committee, Sarah Grigor reminded Members that as the January meeting of the Joint Committee would not have been quorum, it had been rescheduled for February.

She noted that accordingly the Joint Committee, at its meeting in February, had asked for an update to its Terms of Reference to include a clause relating to Substitute Members to avoid a similar situation in future.

The Clerk to the Joint Committee explained the process required for amended Terms of Reference to be considered, noting she had consulted with the Clerk to Spennymoor Town Council as regards the proposed substitution clause.

She explained that following the process as described and the matter being considered at a meeting of Durham County Council's Full Council, the amended Terms of Reference would be reported back to the Joint Committee at its Annual General Meeting in June.

Resolved:

That the update in relation to the ongoing work in respect of Terms of Reference of the Joint Committee be noted.

**Changes to Constitution/Terms of
Reference**

Report of the Clerk to the Joint Committee

Electoral division(s) affected:

Countywide

Purpose of the Report

1. This report provides details of a review of the Central Durham Crematorium Joint Committee's Constitution, which in accordance with the Annual Governance Statement requirements is reviewed on an annual basis at the Joint Committee's Annual General Meeting.

Executive Summary

2. The Central Durham Crematorium Joint Committee has its own terms of reference and Constitution. These were last updated on 24 April 2013 and have been reviewed (without amendment) on an annual basis since then.
3. A meeting of the Central Durham Crematorium Joint Committee in January 2019 had to be cancelled because it was inquorate. Cancellation of the meeting could have been avoided if the Joint Committee's Constitution provided for substitute members.
4. An amended constitution of Central Durham Crematorium will be put before the County Council meeting on 19 June 2019, to allow for substitute members. It is expected that this amendment will be approved. The Joint Committee is asked to note and support the updated Constitution (attached) to allow for substitute members going forwards.

Recommendation(s)

5. It is recommended that:

- (i) The Committee note the outcome of the review of the Constitution of the Central Durham Crematorium Joint Committee in accordance with the requirements of the Annual Governance Statement; and
- (ii) subject to the proposed amendments being approved by Durham County Council on 19 June 2019, adopt the proposed changes to the Constitution to allow for the appointment of substitutes going forwards.

Background Information

6. The Constitution has been reviewed by the Clerk to the Central Durham Crematorium Joint Committee.
7. Members will recall that the Constitution, as adopted in 2013, retained the constituent authority legal titles, expenditure and subsequent surplus distribution arrangements to Durham County Council/Spennymoor Town Council on an 80/20 basis: and policies concerning the transfers to reserves of retained surpluses.
8. The constituent authority membership appointments and asset ownership remain as per the original constitution of 3 May 1983.
9. The Central Durham Crematorium Joint Committee will continue to operate within the procedure rules and financial regulations of the lead partner authority, Durham County Council, who will continue to be responsible for the management of the facility and for supporting the Joint Committee.
10. The review has not indicated that the Constitution needs to be significantly updated. However, a meeting of the Central Durham Crematorium Joint Committee in January 2019 had to be cancelled because it was inquorate. Cancellation of the meeting could have been avoided if the Joint Committee's constitution provided for substitute members. It is proposed therefore to amend the Constitution of the Joint Committee to provide for this arrangement in the future.
11. The proposed clause relating to the substitution of members in the Constitution will mean that if a member of the committee wishes a substitute to attend a meeting, they must notify the Clerk in writing by 4pm on the day before the meeting of the nominated substitute. Substitutes are entitled to speak and vote on all items of business. A member may only nominate a substitute from the same relevant authority of which they are a member. Members should be mindful of the political balance of the Committee when nominating a substitute. A copy of the amended Constitution is shown at Appendix 2 with the revised sections highlighted for convenience.
12. The amended Constitution will be presented to a meeting of County Council on 19 June 2019, for approval. The outcome will be reported to the Committee at its meeting on 26 June 2019.

The Central Durham Crematorium Joint Committee is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively. It also has a responsibility under the Local Government Act 1999 to make arrangements to secure continuous improvement in the way in which its functions are exercised, having regard to a combination of economy efficiency and effectiveness. This Committee was established in 1955 by the Rural District Council of Durham and the Urban District Council of Brandon and Byshottles (transferred to the City of Durham Council, 1983) and the Urban District Council of Spennymoor (transferred to Spennymoor Town Council, 1983).

Following Local Government Reorganisation in 2009, as successor to the City of Durham Council, Durham County Council acts as the lead authority.

The Central Durham Crematorium Joint Committee is also responsible for putting in place proper arrangements for the governance of its affairs, facilitating the effective exercise of its functions, which includes arrangements for the management of risk and performance.

The Central Durham Crematorium Joint Committee has adopted a local code of corporate governance, which is consistent with the principles of the CIPFA / SOLACE Framework `Delivering Good Governance in Local Government` and operates under the policies and strategies including Contract Procedure Rules, Financial Procedure Rules, Financial Regulations, developed, agreed and adopted by the Durham County Council, its lead authority.

2 Requirements

The Accounts and Audit Regulations 2015 require smaller authorities to prepare an Annual Governance Statement (AGS) every year.

The AGS is set out in Section 1 of the Joint Committees Annual Governance and Accountability Return and sets out seven statements or 'assertions'. These are summarised below:

- i. We approved the accounting statements prepared in accordance with the guidance notes within this Return.*
- ii. We maintained an adequate system of internal control, including measures designed to prevent and detect fraud and corruption and reviewed its effectiveness.*
- iii. We took all reasonable steps to assure ourselves that there are no matters of actual or potential non-compliance with generally accepted good practice that could have a significant financial effect on the ability of the body to conduct its business or on its finances and have reported our financial results to our host authority for inclusion in their accounts.*
- iv. We carried out an assessment of the risks facing the Joint Committee and took appropriate steps to manage those risks, including the introduction of internal controls and/or external insurance cover where required.*
- v. We maintained throughout the year an adequate and effective system of internal audit of the accounting records and control systems.*
- vi. We took appropriate action on all matters raised during the year in reports from internal and external reviews.*
- vii. We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on the Joint Committee and where appropriate have included them in the accounting statements.*

In approving the Annual Governance Statement, the Joint Committee is required to provide an answer of 'yes' or 'no' to each of the above assertions.

The Joint Committee is expected to have relevant evidence in place to support each 'yes' answer and would need to provide an explanation to the external auditor if it is not able to provide a 'yes' answer, including details of how the Joint Committee will address any identified weaknesses in its governance arrangements.

This document evidences how the Joint Committee complies with the requirements behind each assertion, as set out in 'Governance and Accountability for Smaller Authorities in England – A Practitioners' Guide to Proper Practices'.

3 Governance Arrangements during 2018/19

The key elements of the systems and processes that comprise the governance arrangements are detailed in Durham County Council's Local Code of Corporate Governance, which is documented in the Council's Constitution. This sets out the key documents and processes that determine the way the Council is directed and controlled to meet the seven statements or assertions.

The following sections demonstrate assurance that the Council has complied with each of these assertions in practice, and also highlights where we have further improved our corporate governance arrangements during 2018/19.

Assertion 1: We approved the accounting statements prepared in accordance with the guidance notes within this Return

The Joint Committee prepares a Revenue and Capital budget in advance of each financial year and robust budget setting processes are in place to support the Joint Committee's decision making process. The budget makes prudent but realistic estimates of income and expenditure, capital investment requirements and the need to maintain prudent levels of reserves.

Comprehensive monthly budgetary control systems including income and expenditure reconciliations and the preparation of regular financial reports which indicate actual expenditure against budget and forecast year end positions are also undertaken and reported quarterly to the Joint Committee, with corrective action being taken where required to address any budget issues.

The Corporate Director: Resources and Chief Finance Officer (CFO) is responsible for:

- ensuring the proper administration of the financial affairs of the Joint Committee
- establishing the Financial Management Standards and monitoring compliance with them
- reviewing the Financial Management Standards regularly to ensure they remain fit for purpose
- ensuring that proper professional practices, standards, and ethics are adhered to
- advising on the key strategic controls necessary to secure sound financial management

- ensuring that financial staffing resources are adequate to maintain adherence to these standards
- establishing a framework of documented business processes that support these financial management standards and ensuring that they are reviewed regularly

The Joint Committee prepares accounting statements each year via the Annual Return and these are supported by comprehensive working papers, supporting records and reconciliations.

Officers undertake a monthly reconciliation of the Joint Committee's bank accounts to the accounting records held on its financial management system. Quarterly budgetary control reports setting out actual spending and income against budget and details of financial performance are reported to the Joint Committee. The year end bank reconciliation also forms part of the year end external audit's limited assurance review.

The Joint Committee uses the lead authority, Durham County Council's Investment Strategy for short term investments.

The Head of Finance & Transactional Services is responsible for putting in place sound arrangements for ensuring that the Joint Committee's annual accounts are accurately prepared in accordance with statutory obligations and proper practices. The accounting statements are set out in the Annual Return and are prepared in accordance with 'Governance and Accountability for Smaller Authorities in England – A Practitioners' Guide to Proper Practices to be applied in the preparation of statutory annual accounts and governance statements'. The accounting statements are approved by the Joint Committee prior to 30 June every year, in accordance with the statutory timetable set out in the Accounts and Audit regulations 2015.

Assertion 2: We maintained an adequate system of internal control, including measures designed to prevent and detect fraud and corruption and reviewed its effectiveness.

The Joint Committee, via its lead authority Durham County Council has in place comprehensive Financial Management Standards governing how it operates in accordance with the law and proper practices. These are supported by various policies and procedures covering specific requirements.

The Financial Management Standards cover how the Joint Committee orders goods and services, incurs liabilities, manages debtors, makes payments and handles receipts and how it puts in place efficient arrangements for safeguarding public money. A Risk Management strategy is in place supported by risk registers. Risk assessments are

carried out and the registers updated on a six monthly basis. The Joint Committee employs an Internal Auditor to undertake audits of all key services and systems and report on possible weaknesses or required improvements in internal controls. The system of internal control is risk based and focussed on key risk areas such as cash and fixed assets.

The Joint Committee, via its lead authority pays its staff in accordance with an approved establishment list and grading structure and in line with the terms and conditions as set out in the National Joint Council for Local Government Services 'Green Book' which sets out the national agreement on pay and conditions of service for local government staff. Comprehensive internal controls and checks are in place around the payroll system with significant internal audit time spent checking the accuracy and legitimacy of salary payments. The Joint Committee is responsible for ensuring compliance with all duties under employment legislation and has met its pension obligations and is not aware of any instances of non-compliance.

The Corporate Director: Resources and Treasurer to the Joint Committee is responsible for ensuring that the Joint Committee meets its statutory responsibilities in relation to VAT and putting in place robust arrangements for the processing of VAT and ensuring that the quarterly VAT claims are processed accurately and on time. All finance officers have had VAT training.

The Joint Committee revises its Service Asset Management Plan (SAMP) in September every year and ensures that its assets are secured, properly maintained and efficiently managed. This is demonstrated by:-

- Continuing to identify the property needs of the service to enable it to deliver its vision
- Continuing to assess the condition, sufficiency, suitability, accessibility and energy performance of the crematorium and looking at their appropriateness to deliver the future service
- Identifying the portfolio gaps and appraising the options and priorities to close the gaps between future needs and current provision

The lead authority, Durham County Council has in place a Treasury Management policy and an annual Treasury Management strategy which includes the framework for the management of loans and comprises:

- Current treasury position
- Capital financing plans (including Prudential and Treasury Indicators)

- Interest Rate Outlook
- Policy on borrowing in advance of need
- Investment Strategy
- Minimum Revenue Provision Policy
- Policy on use of external service providers

The Joint Committee has responsibility for conducting, at least annually, a review of the effectiveness of its governance framework including the system of internal control. The review of effectiveness is informed by the work of senior managers within the authority who have responsibility for the development and maintenance of the governance environment, the annual report of the Chief Internal Auditor and Corporate Fraud Manager, and also by comments made by the external auditors and other review agencies and inspectorates.

Assertion 3: We took all reasonable steps to assure ourselves that there are no matters of actual or potential non-compliance with generally accepted good practice that could have a significant financial effect on the ability of the body to conduct its business or on its finances and have reported our financial results to our host authority for inclusion in their accounts.

The Joint Committee is responsible for ensuring that all relevant laws and regulations have been complied with in the undertaking of all service activity and decision making.

Durham County Council and Central Durham Crematorium Joint Committee Constitutions set out how they operate, how decisions are made and the procedures which are followed to ensure that these are effective, transparent and accountable to service users.

Central Durham Crematorium Joint Committee ensures that its financial management arrangements conform to CIPFA standards by:-

- Appointing as its Treasurer, the Corporate Director: Resources and Chief Finance Officer (CFO) from the lead authority along with the Head of Finance & Transactional Services under the scheme of delegated responsibilities by the Treasurer. The Corporate Director and Head of Finance are professionally qualified and possess the necessary skills, knowledge and experience to perform effectively in both a financial and non-financial role
- Ensuring the finance function in support to the Treasurer is adequately qualified and resourced to fulfil its duties and a structure

is in place that provides a line of professional accountability for the finance staff

- Ensuring that key CIPFA Codes such as the Prudential Framework for Local Authority Capital Finance and the Treasury Management Code are complied with where required
- Having a clearly articulated Medium Term Financial Plan/Reserves Strategy and Policy
- Producing Monthly Budgetary Control Reports which are considered on a quarterly basis by the Joint Committee
- Ensuring proper Internal Audit, Risk and Governance arrangements are in place
- Maintaining the Service Asset Management Plan.

Membership to the Federation of Burial and Cremation Authorities, which requires that each year a signed declaration, is made so that the Codes of Practice have been strictly adhered to. The Crematorium is also subject to bi-annual inspection by the regulator (DCC) who has to be satisfied that all Environmental Legislation is being implemented.

Performance monitoring undertaken through the use of comparative statistics with other crematoria and across years.

The Internal Audit Section is also subject to an annual review of its activities and performance. Evidence of the effectiveness of the Audit Service is presented to, and reviewed by the Audit Committee of the lead authority, Durham County Council. The assurance provided by the review is presented to, considered by and minuted by the Central Durham Crematorium Joint Committee.

The Joint Committee has various measures in place to ensure that it does not take any decisions during the year that may exceed its powers or contravene any laws, regulations or proper practices. The lawfulness of all decisions referred to the Joint Committee is always considered by senior officers and is clearly referenced in reports, particularly in relation to decisions involving income or expenditure. The Joint Committee is not aware of any instances of non-compliance with law and regulations during 2018/19.

The Corporate Director of Resources & Treasurer to the Joint Committee ensures full compliance with the requirements of the Accounts and Audit Regulations 2015 in relation to the Joint Committee's financial management, accounting and audit arrangements.

The financial results of the Joint Committee are reported to the lead authority, Durham County Council at the end of every financial year for inclusion in their accounts.

Assertion 4: We carried out an assessment of the risks facing the Joint Committee and took appropriate steps to manage those risks, including the introduction of internal controls and / or external insurance cover where required.

Durham County Council and Central Durham Crematorium Joint Committee Constitutions set out how they operate, how decisions are made and the procedures which are followed to ensure that these are effective, transparent and accountable to service users.

A risk management approach is in operation that aids the achievement of strategic objectives, supports the decision making processes, protects the reputation and other assets of the Crematorium and is compliant with statutory and regulatory obligations.

The Central Durham Crematorium Joint Committee ensures that the Risk Management approach:-

- Is conducted in accordance with the Risk Management Policy and Strategy of Durham County Council. The Bereavement Services Manager is advised by the Corporate Risk Management Working Group where strategic and operational risks are considered
- Has strategically aligned the Internal Audit and Fraud service provision to enable access to trained investigators and allow greater coverage of counter fraud work when required
- Includes a Fraud Awareness training programme undertaken by Senior Officers

Involves regular reports by internal audit to those charged with governance, to standards defined in the CIPFA Code of Practice and in accordance with the Accounts and Audit Regulations 2015. These include the Chief Internal Auditor and Corporate Fraud Manager's independent opinion on the adequacy and effectiveness of the system of internal control, at the crematorium, together with recommendations for improvement.

Risk based assessments of key financial systems (as approved in the SLA) are carried out in the final quarter of the financial year to ensure maximum coverage of the Crematorium's financial transactions and provide an informed opinion on the robustness, adequacy and effectiveness of the system of internal control, at the crematorium, together with recommendations for improvement.

The production of a Risk Register with regular reviews undertaken by the Bereavement Services Manager along with action plan reports are

produced and approved where necessary. Full details are reported to the Joint Committee on a six monthly basis.

Service and operational risk registers are maintained through an evaluation of the gross risk based on an assessment of the impact and likelihood of the risk occurring. The net risk is evaluated on the same basis after taking into account mitigating control measures. Net risk evaluations are agreed by consensus and actions to mitigate and/or tackle issues arising from the individual risks are agreed for the upcoming year.

Risks are evaluated in a logical and straightforward process. Service risk assessments are based on the impact on finance, service delivery and stakeholders if the risk materialises, and also the likelihood that the risk will occur over a given period. Operational risk assessments are based on Durham County Council's health and safety risk assessment criteria, which include the likelihood of occurrence.

Assertion 5: We maintained throughout the year an adequate and effective system of internal audit of the accounting records and control systems.

The Joint Committee's internal audit provider is Durham County Council Internal Audit Services, whose service is delivered in accordance with a Service Level Agreement (SLA) approved by the Joint Committee every three years. The Internal Audit service is delivered in accordance with the requirements of the Accounts and Audit Regulations 2015 'for undertaking an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance'.

The Internal Audit service applies a risk based audit approach and when determining the annual audit opinion considers the following:

- The adequacy of risk identification, assessment and mitigation
- The adequacy and application of controls to mitigate identified risk
- The adequacy and extent of compliance with Durham County Council's corporate governance framework
- The extent of compliance with relevant legislation
- The extent to which the organisation's assets and interests are accounted for and safeguarded from loss of all kinds including fraud, waste, extravagance, inefficient administration and poor value for money

- The quality and integrity of financial and other management information utilised within the organisation

The Internal Audit service conforms to the requirements of the UK Public Sector Internal Audit Standards (PSIAS) as evidenced through an external assessment by 'self-assessment with independent external validation'.

Durham County Council's Financial Management Standards include a specific requirement that internal auditors are given access at all reasonable times to premises, personnel, documents and assets that the auditors consider necessary for the purposes of their work. This complies with the requirements of the Accounts and Audit Regulations 2015.

Assertion 6: We took appropriate action on all matters raised during the year in reports from internal and external reviews.

The Joint Committee's Internal Auditor reports the conclusions and recommendations from every audit examination to the Joint Committee on an annual basis and follows up on audit recommendations in subsequent audits to ensure that they have been implemented.

The Joint Committee considers the annual review of the Annual Return from the external auditors and the Corporate Director of Resources and Treasurer to the Joint Committee would put in place an action plan to deal with any matters raised, as and when necessary.

Assertion 7: We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on the Joint Committee and where appropriate have included them in the accounting statements.

During the annual closedown of the accounts, the Corporate Director of Resources and Treasurer to the Joint Committee assess whether there have been any events during the financial year or after year end, which may have potential consequences on the Joint Committee's finances. If any such events are identified, the Treasurer will determine whether the financial consequences need to be reflected in the accounting statements and disclose them as necessary.

4 Significant Governance Issues

Central Durham Crematorium Joint Committee is fully committed to the principles of Corporate Governance, and has made further progress in recent months in developing its arrangements.

The Internal Audit Section sought further assurance, via its annual plan of work and review of key systems.

As a result, Internal Audit has provided **Substantial** overall assurance opinion on the adequacy and effectiveness of internal control operating across the Joint Committee in 2018/19. This opinion provides assurance that there is a sound system of control in operation and there are no significant control weaknesses that warrant inclusion within the Annual Governance Statement.

5 Assurance Statement

We have been advised on the implications of the result of the review of the effectiveness of the governance framework and the system of internal control by the Central Durham Crematorium Joint Committee and are satisfied that plans to address weaknesses and ensure continuous improvement of the system are in place.

Financial Performance

- 12 Budgetary control reports, incorporating outturn projections, are considered by Regeneration and Local Services' Management Team on a monthly basis. The County Council's Corporate Management Team also considers regular budgetary control reports, with quarterly reports being considered by Cabinet / Overview and Scrutiny Committee. The outturn projections for the Central Durham Crematorium are included within this report.
- 13 The figures contained within this report have been extracted from the General Ledger and have been scrutinised and supplemented with information supplied by the Bereavement Services Manager. The following table highlights the revenue outturn financial performance of the Central Durham Crematorium as at 31 March 2019.

Explanation of Significant Variances between Original Budget and Forecast Outturn

- 14 The final outturn position is broadly in line with the provisional outturn position reported to the Joint Committee on 24 April 2019, with only minor changes across a number of budget levels at the final outturn (£2,242 decrease) to the overall net income for the year.
- 15 The following section outlines the reasons for significant variances by subjective analysis area (most of which was disclosed in the provisional outturn report), comparing the outturn position against the budget.

14.1 *Employees*

The outturn shows an under spend of **(£8,689)**, in relation to employee costs. The reasons for this are identified below:

- Training costs underspent by **(£2,000)** due to the training of the apprentice taking place in house and no other external training being identified.
- Staffing costs underspent by **(£6,689)** due to two employees taking flexible retirement, the apprentice starting mid year and a vacancy which is currently being covered by overtime.

14.2 *Premises*

The outturn shows an underspend of **(£1,737)** in relation to premises costs. The reasons for this are identified below:

- One off SAMP budgets relating to the replacement of the exterior gates was not required, instead repairs were carried out on the gates resulting in an underspend of **(£4,060)**.
- One off SAMP budgets relating to the re-lining of one hearth was not needed in year resulting in an underspend of **(£3,450)**.
- One off SAMP budgets relating to the hedge layering underspent by **(£2,098)**.
- General premises costs such as plant and equipment repairs, cremator servicing and building maintenance underspent by **(£1,192)**.
- Building Maintenance was overspent by **£1,906**.
- Utilities expenditure was overspent by **£7,157** mainly due to estimated water bills being processed which were too low compared to the actual consumption.

14.3 **Supplies and Services**

The outturn shows an overspend of **£6,064** in relation to supplies and services costs. The reasons for this are identified below:

- Due to the increase in cremations (highlighted later within the income section of the report), medical referee expenditure overspent by **£3,168**.
- Printing and stationery budgets overspent by **£1,838**.
- General office costs including telephones and office equipment overspent by **£1,007**.
- Purchase of Urns overspent by **£506** due to additional demand.
- One off SAMP budgets relating to the purchase of a pressure washer are underspent by **(£455)**.

14.4 **Income**

An increase in income of **(£128,327)** from the 2018/19 budget is included within the updated outturn forecasts. The reasons for this are identified below:

- The sale of large plaques, vase blocks, columbaria units and seats etc. was less than budget, resulting in an underachievement of income of **£2,164**.
- The outturn includes an additional 192 cremations compared to the budget, totalling an increased income to budget of **(£117,750)**. The outturn allows for a total of 2,392 cremations against a budgeted 2,200 during 2018/19.
- Miscellaneous sales and Book of Remembrance entries were higher than budget resulting in additional income of **(£7,700)**.
- Interest received was greater than budget resulting in additional income of **(£6,922)**.
- CAMEO income underachieved by **£1,881** due to a reduced Tradable Mercury Abated cremations (TMAC) charge of £7.98 compared to the estimate of £9. TMAC rates have reduced significantly since 2013 from £36.39 to the current rate of £7.98 in 2017.

16 **Capital Programme**

The following table highlights the capital outturn of the Central Durham Crematorium

	Base Budget 2018/19 £	Revised Budget 2018/19 £	Outturn 2018/19 £	Variance to Revised Budget Over/ (Under) £
Phase 3 Redevelopment Works				
Tarmac Roads and car park bays	0	38,850	37,490	(1,360)
Improvements to roadway	110,000	110,000	72,004	(37,996)
Improvements to boundry wall	25,000	25,000	0	(25,000)
Total	135,000	173,850	109,494	(64,356)

The cost of the Redevelopment Works is being financed from the Major Capital Works reserves. The outturn shows an underspend of **(£64,356)** and the main reasons for this are identified below:

- The tarmacking of the roads and car park bays, which had been carried forward from 2017/18, were completed under budget and resulted in an underspend of **(£1,360)**.
- The roadway improvements have to be carried out at weekends and the project was not completed until April 2019, resulting in an underspend of **(£37,996)** in 2018/19, which will be carried forward into 2019/20 to cover costs incurred in the current year.
- Delays in the procurement of the boundary wall improvements have resulted in the project having to be carried forward into 2019/20, resulting in an underspend of **(£25,000)**.

17 Earmarked Reserves

Contributions to the earmarked reserves are **£158,595** more than originally budgeted, due mainly to the additional cremations carried out throughout the year and the delays in the capital improvement works.

In line with the CDCJC Reserve Policy to maintain a General Reserve of 30% of the income budget, a transfer to the General Reserve of **£17,625** is required at year end.

The retained reserves of the CDCJC at 31 March 2019 are **£1,402,267** along with a General Reserve of **£485,175**, giving a forecast total reserves and balances position of **£1,887,442** at the year end.

Guidance notes on completing the 2018/2019 return

1. Make sure that your annual governance and accountability return is complete (ie no empty highlighted boxes), and is properly signed and dated. Avoid making amendments to the completed return. Any amendments must be approved by the Joint Committee, properly initialled and explanation provided. Annual governance and accountability return's containing unexplained or unapproved amendments may be returned and incur additional costs.
2. **Joint Committees must approve Section 1 on page 2 before approving Section 2 on page 3.**
3. Use the checklist provided below. Use a second pair of eyes, perhaps a member of the committee or the Chair, to review your return for completeness before sending it to us.
4. Do not send us any information not specifically asked for. Doing so is not helpful. However, you must notify us of any change of Clerk, Responsible Financial Officer or Chair.
5. Make sure that the copy of the bank reconciliation confirming the balance held on your behalf which you send with the return covers all your bank balances. If the Joint Committee holds any short-term investments, note their value on the bank reconciliation. We must be able to agree your bank reconciliation to Box 8 on the accounting statements (Section 2 on page 3). You must provide an explanation for any difference between Box 7 and Box 8.
6. Explain fully significant variances in the accounting statements on page 3. Do not just send in a copy of your detailed accounting records instead of this explanation. We want to know that you understand the reasons for all variances. Include a complete numerical and narrative analysis to support your explanation.
7. If we have to review unsolicited information, or receive an incomplete bank reconciliation, or you do not fully explain variances, this may incur additional costs for which we will make a charge.
8. Make sure that your accounting statements add up and the balance carried forward from the previous year (Box 7 of 2018) equals the balance brought forward in the current year (Box 1 of 2019).
9. Do not complete section 3. We will complete it at the conclusion of our work.

**Quarterly Performance and
Operational Report**

Report of Graham Harrison, Bereavement Services Manager and Registrar

Electoral division(s) affected:

Countywide

Purpose of the Report

1. To provide Members of the Central Durham Crematorium Joint Committee with an update relating to performance and other operational matters.

Executive summary

2. This report provides Members of the Central Durham Crematorium Joint Committee with an update of performance and operational matters at the crematorium.

Recommendation(s)

3. It is recommended that Members of the Central Durham Joint Committee:
 - a. Note the current performance of the crematorium.
 - b. Note the advertising for the relief crematorium attendants.
 - c. Note and agree to the increased costs with regards to office improvements.
 - d. Note the attendance at the Institute of Cemetery and Crematorium Management ICCM Learning Convention and Exhibition 2019.
 - e. Note the distribution of recycling income to the respective charity and the subsequent charity nomination.
 - f. Note the current situation with regards to document retention.

Background

- Update reports relating to performance and other operational matters are presented to the Central Durham Crematorium Joint Committee on a quarterly basis.

Performance Update - Number of Cremations

- The table below provides details of the number of cremations for the period 1 April to 31 May 2019 inclusive, with comparative data in the same period last year:

	2018/19	2019/20	Change
April	215 + 1*	164	-51 – 1*
May	229 + 1*	216 + 1*	-13
TOTAL	444 + 2*	380 + 1*	-64 – 1*

* = Non-Viable Foetus (NVF) ** = Stillborns (STs) *** = Body parts

- The full profile of where families came from can be seen in Appendix 2. In summary 106 came from Durham, 22 came from Spennymoor and 252 from outside of the area. There has been 1 NVF cremation undertaken for the period covered by this report compared to 2 in the comparable period last year, which is a decrease of 1 NVF and a decrease of 64 Cremations.
- Members may recall that the number of deaths were exceptionally high in April 2018, in line with national trends, which explains the decrease in numbers for the period. Numbers of cremations undertaken in the first two months of 2019/20 are broadly in line with numbers experienced in previous years and there is nothing to suggest a down turn in overall use of the crematorium or that funeral directors are choosing other facilities.

Memorials

- The table below outlines the number and value of the memorials sold in the period April to May 2019 compared to the same period the previous year.

	Apr – May 2018/19		Apr – May 2019/20	
	Number	£	Number	£
Vase Blocks	5	3,316	6	3,432
Large Plaques	7	2,964	8	3,074
Small Plaques	1	261	3	783
Niche	0	0	3	2,589
Renewal	16	2,306	7	1,164
Total	29	8,847	27	11,042

9. There were 27 memorials sold in the period to 31 May, generating £11,042 of revenue income. This compares with 29 / £8,847 in the same period last year. Whilst there has been a decrease of 2 memorials sold year on year, income generated was £2,195 more than the same period last year.

Operational Matters

Staffing

10. Members agreed at the April 2019 meeting to advertise for relief Crematorium Attendant posts. Adverts for these positions will be issued shortly, internally at Durham and Spennymoor Council, and also externally.

Crematorium Improvements to Office Accommodation

11. Members may recall from the September 2019 meeting that improvements to the office accommodation was included in the Service Asset Management Plan at an initial estimated cost of £150,000, subject to a feasibility study being required before final budget costs could be established.
12. This study has now been completed and estimated costs have now been estimated at £197,144, broken down as follows:

Element	Cost	Description
New Build	£67,600	Construction
Site Works	£20,000	Drainage removal and diversion
Prelims	£41,733	Scaffold; machinery; supervision
Statutory fees	£3,750	Building control; soil & drainage test
Statutory services	£1,000	Water
Direct payments	£4,000	Security
Professional fees	£20,904	Building design & project man'ment
Other costs	£0	BCIS cost index (5%)
Design Risk	£38,157	Contingency
Total	£197,144	

13. These additional costs include a large sum for drainage works, Prelims, professional fees and contingencies that were not previously factored into the estimates.
14. Members are therefore asked to release extra funding from the Major Capital Works Reserve in order to accommodate this extra work.

Institute of Cemetery and Crematorium Management ICCM Learning Convention and Exhibition 2019

15. As in previous years, the necessary arrangements will be made for representation at the Institute of Cemetery and Crematorium Management ICCM Learning Convention and Exhibition which is to be held at Chesford Grange Hotel, near Kenilworth from 23 to 25 September 2019. It is proposed that the Bereavement Services Manager and the Chair attend this conference as representatives of the Central Durham Crematorium Joint Committee.

Recycling of Metals Scheme

16. Members may recall that the Crematorium received a cheque relating to the recycling of metals scheme from the Institute of Cemetery and Crematorium Management to the sum of £7,000 for the Great North Air Ambulance and a letter of thanks and photograph of the cheque presentation can be seen in Appendix 3.
17. The Crematorium received a further cheque to the sum of £8,000 for Cancer Research North East with a photograph of the cheque presentation set out at Appendix 4. Extra funds from collections in 2018 has resulted in a 2nd round of nominations being made available and 'If u Care Share Foundation' have been nominated.

Audit Recommendation - Document Retention

18. Members may recall that at the January Meeting an audit recommendation relating to document retention was discussed and Members approved the option to place past records in secure storage and scan records going forward, with costs shown in the table below.

Description	Cost
One off cost for secure storage	£365
Annual storage costs	£325
Annual scanning costs (50,600 documents x £0.030)	£1,518
Total Annual Cost	£2,208

19. Discussions with the successful company have taken place and unfortunately they were unable to accommodate the scanning of the records to the quality we required.
20. We have therefore had to look at another company who can accommodate the scanning of the records as we would want them to be, however this will incur additional costs as shown below.

Description	Cost
One off cost for secure storage	£365
Annual storage costs	£325
Annual scanning costs (50,600 documents x £0.063)	£3,188
Hard Disk drive	£173
Logistics	£44
Total Annual Cost	£4,095

21. Internal Audit have confirmed that this is an acceptable solution. The additional cost of £1,887 will be factored into the 2019/20 revenue outturn projections.

Dear Mr Harrison

I would like to thank you on behalf of the Great North Air Ambulance Service, for the recent generous donation of £7000.00 raised by your recycling scheme for charities.

Your donation will have an impact on the lives of people across the region; people such as Steven Higgins, who was flown to hospital by the charity following a serious crash on the A66. Steven was assessed and treated by the GNAAS trauma team, then transferred to James Cook University Hospital in Middlesbrough, where he spent two weeks in intensive care and three months in hospital. Steven said: "I would be dead without GNAAS. It's a brilliant charity."

Last year we were called out 1072 times across our region. To enable us to continue to provide this service, we must raise more than £5m every year. We couldn't be there for people like Steven without the generosity of the communities we serve and greatly appreciated contributions such as yours.

Once more, thank you for your support, we couldn't continue to operate without you. We appreciate all donations and will never pressurise our supporters into giving more. If for any reason you would like to get in touch, please call us on 01325-487263 or visit www.gnaas.com. We'd love to hear from you.

Yours sincerely

Emily Leonard
