## **4 Observations from Pension Fund Committee held on 12 March 2020**

Ian Densham and Councillors Amanda Hopgood and Fraser Tinsley were in attendance at the Committee and provided their observations from the meeting.

The Board Members were pleased to note that the Pension Fund Committee had asked some challenging questions of the Managers and Advisers.

Councillor Tinsley referred to the Investment Strategy review and noted the proposed 5% shift from Index Linked Gilts to UK Property but felt that the absence of a risk profile had not been picked up by Members. Paul Cooper advised that a Committee training session on Index Linked Gilts on 6 March 2020 had addressed risks.

Following a question from Ian Densham, Paul Cooper explained that the decision to reduce the allocation to Index Linked Gilts would be included in the ISS, with the Corporate Director of Resources granted delegated authority to update the Strategy to reflect this. The 5% allocation for UK Property would remain with AB for the time-being.

Councillor Hopgood considered that the Pension Fund Advisers' views on the impact of Covid-19 were over-optimistic, and she was concerned about the effects on global and UK markets, and the impact this may have on the Fund. Paul Cooper replied that Durham Pension Fund was a long-term investor, and the 35% allocation in defensive markets would offset the riskier high return investments. The situation would be closely monitored; Officers met regularly with the Chair of the Committee between meetings, and the Chair attended BCPP Joint Committee meetings.

Board Members were informed that the Scheme Advisory Board would review governance arrangements in May 2020. Feedback would be provided at the next Board meeting for consideration, together with a review of the Work Plan.

**AGREED:**

That the observations be noted.

**5 Communications Review**

The Board considered a report of the Corporate Director of Resources which provided details of how different stakeholder groups received communication from the Pension Fund, and explained plans to develop the Communication Strategy (for copy see file of Minutes).

Councillor Hopgood referred to the Statement at Appendix 1 and asked if the Local Pension Board should be included in the list of those bodies the Administering Authority communicated with. Paul Cooper confirmed that the Statement would be updated to reflect this.

Neville Hancock noted the proposal for on-line access to benefits statements by scheme members, and welcomed the proposed guide to scheme benefits.

**AGREED:**

That the Communications Policy Statement be noted, and updated to include reference to the Local Pension Board.

**6 Internal Dispute Resolution Procedure (IDRP)**

The Board considered a report of the Corporate Director of Resources which provided a summary of the outcomes of internal dispute cases or Pensions Ombudsman cases the Pension Fund had been involved in since April 2019 (for copy see file of Minutes).

Following discussion it was **AGREED:**

That the report be noted.

**7 Date of Next Meeting**

**AGREED** that the next meeting be held at 2.00pm on Thursday 11 June 2020.
