1 Minutes of the meetings held on 30 September and 22 November 2011

The minutes of the meetings held on 30 September and 22 November 2011 were agreed as a correct record and signed by the Chairman.

2 Declarations of interest, if any

There were no declarations of interest in relation to any items of business on the agenda.

3 Durham Gate Speed restrictions and access restrictions - Report of Corporate Director, Regeneration and Economic Development

The Business Manager informed the Committee that the report relating to speed and access restrictions had been presented for re-consideration by the Highways Committee following an administrative oversight at the previous meeting of the Highways Committee (for copy see file of Minutes). This was to ensure that those objectors to the scheme could make their representations to the Committee in person. However, following further discussion with Green Lane Residents Association it had become apparent that a street name had been incorrectly identified in the text of the legal order. Given this discrepancy it was felt appropriate to reconsider and re-advertise the legal order. The Committee would then be in a position to consider the report early in the New Year.

Resolved

That the report be withdrawn to allow for a re-advertisement of the legal order.

4 Prohibition And Restriction Of Waiting And Prohibition Of Loading / Unloading Amendment Order 2011 - Stanley - Report of Corporate Director, Regeneration and Economic Development

The Business Manager informed the Committee that the item relating to the prohibition and restriction of waiting and prohibition of loading/unloading amendment order in Stanley (for copy see file of Minutes) would have to be withdrawn following an issue regarding the consultation process with local members. The Business Manager informed the Committee that new safeguards and checking procedures would be put in place to ensure that similar errors could not be made in the future.

Resolved

That the item be formally withdrawn to allow wider consultation with local members and considered at a meeting early in the New Year.
