**4 Quarterly Performance and Operational Report**

The Bereavement Services Manager, Graham Harrison asked Members to note the performance figures from January 2015 to March 2015 and the comparison to the same period for 2014, highlighting that there was a net increase of 99 cremations. It was noted there was a total of 683 for the three month period with the January to March 2015 profile breakdown showing 203 from Durham, 33 from Spennymoor and 447 from outside of the area. Councillors were asked to note that the figure for the total number of cremations to 31 March 2015 was 2,287, compared to a prudent budget assumption of 2,200 cremations, representing an over-achievement in cremation fee income of £44,810.

The Bereavement Services Manager noted the performance over the previous four financial years and reminded Members a Crematorium Brochure had been produced to promote the services available at the Crematorium and to help retain market share. It was added that the increase in cremation numbers indicated that the Crematorium had maintained a good reputation and good service provision while improvement works were being undertaken.

Members were asked to note the number of memorials sold in comparison to the same period the previous year, with sales being £4,846 less. It was explained that, as reported previously, a backlog exercise undertaken by Crematorium staff in relation to renewals last year had contributed to an increased amount of memorial sales in 2013/14.

The Joint Committee noted an issue in respect of long term sickness and arrangements put in place for Durham County Council to assist until such time as the employee returned to work.

Councillors noted the usual arrangements had been made for the Bereavement Services Manager and the Chairman of the Joint Committee to attend the Joint Conference of the Federation of Burial and Cremation Authorities and Cremation Society of Great Britain, to be held at Stratford-upon-Avon from Monday 6 to Wednesday 8 July 2015. It was noted on this occasion the Bereavement Services Manager would be accompanied by Councillor M Plews.

The Bereavement Services Manager informed Members that the Recycling of Metals Scheme had generated a sum of £4,487 for Macmillan Cancer Support. The Bereavement Services Manager noted that the cheque was presented to St. Cuthbert's Hospice by the Chairman and Vice-Chairman of the Joint Committee on 1 April 2015.

The Bereavement Services Manager referred Members to report setting out the update on Crematorium Improvement Works. It was added that the Phase 2 works had commenced on 15 November 2014 and had completed ahead of schedule on 16 March 2015. Members noted that Phase 3 works had commenced the weekend of 11 April 2015 and that the majority of works would be undertaken each weekend for approximately five months. It was explained that the Crematorium would remain closed on Mondays in order to have the facility prepared for services and it was noted there was sufficient capacity to accommodate the approximately 150 services displaced from the Mondays. The Bereavement Services Manager reassured Members that Funeral Directors had been consulted regarding the arrangements and all were happy to work alongside the Crematorium during the period of works.

Councillor D Bell asked if services held on Saturdays were charged at a higher cost to those held during the week. The Bereavement Services Manager noted they were charged at a higher rate, though this had not detracted from the popularity of such services. Councillor K Thompson asked whether the Phase 2 works had been completed on budget. The Bereavement Services Manager confirmed that the Phase 2 works had been completed on budget.

**Resolved:**

- (i) That the current performance of the Crematorium and monitoring against budget be noted.
- (ii) That the long term sickness absence be noted.
- (iii) That the attendance at the Burial and Cremation Conference be noted.
- (iv) That the distribution of recycling income to the respective charity be noted.
- (v) That the completion of Phase 2 works be noted.
- (vi) That the start date of the Phase 3 works be noted.

**5 Financial Monitoring Report - Provisional Outturn as at 31 March 2015**

The Principal Accountant, Ed Thompson referred Members to the Financial Monitoring Report, with the provisional outturn as at 31 March 2015 (for copy see file of minutes).

The Joint Committee noted that the income and expenditure were broadly in line with the base budget and the major variances were set out within the report. It was noted that Phase 2 works had been brought forward, however this had been offset by the increase in income. Members noted that a new unbudgeted annual cremation abatement payment from the CAMEO scheme had resulted in additional income of £42,779 relating to 2013/14 and also it was anticipated for a 2014/15 payment of £52,220 resulting in a total of £94,999 CAMEO abatement income in year.

It was explained that the provisional outturn position showed a net income of £46,589 above the base budget to be included in the major capital works reserves as previously agreed by Members. Members noted a projected Reserve of approximately £1.46 Million at the year-end, giving a strong financial position.

**Resolved:**

That the April 2014 to March 2015 Revenue Spend Financial Monitoring Report and associated Provision Outturn position at 31 March 2015 be noted.

**6 Risk Register Update 2014/15**

The Principal Accountant asked Members to note the Risk Register Update 2014/15 report, the Joint Committee considering updates on a 6 monthly basis. Members recalled that the report set out Strategic Risks and Operational Risks with risks regularly reviewed by the DCC Risk Management Team and the Bereavement Services Manager.

It was noted that the risk identified as Risk 19: "Loss of Knowledge and ability to cover existing workload through staff loss", a consequence of the retirement of the Superintendent and Registrar had been closed September 2014. It was added that Risk 3 in relation to "Impact on staff morale due to uncertainty over job evaluation and single status" would be removed, as single status had now been implemented.

It was explained that of the main risks that remained, such as “ICT and Power Failure”, plans were in place to best mitigate any problems that could arise. Members learned that the operational risk that had an outstanding action, in relation to “limited space in the office area” was set out within the appendix to the report.

**Resolved:**

- (i) That the Members of the Central Durham Crematorium Joint Committee note the content of the report and the updated position following the September review.
- (ii) That the Risk Registers are kept up-to-date and continue to be reviewed by the Joint Committee on a half yearly basis, the next one to be completed in September 2015.

## **7 Internal Audit Charter**

The Chairman introduced the Audit and Fraud Manager, Stephen Carter who was in attendance to speak to Members as regards an update to the Internal Audit Charter (for copy see file of minutes).

The Audit and Fraud Manager reminded the Joint Committee that the Internal Audit Charter had last been updated in January 2014 to reflect the changes in Public Sector Internal Audit Standards and working standards. Subsequent to further guidance updating proper practices underpinning the Accounts and Audit Regulations (England) 2011, Members were asked to note changes reflected in the Internal Audit Charter as attached to the report. It was explained that the main differences were the removal of “Full Assurance” and “No Assurance” from the Assurance Ratings, the remaining ratings being: “Substantial”; “Moderate” and “Limited” and changes to priority ratings to now be set out as: “High”, “Medium” and “Best Practice”.

**Resolved:**

That the Members of the Central Durham Crematorium Joint Committee approve the revised Internal Audit Charter.

## **8 Annual Internal Audit Report 2014/15**

The Audit and Fraud Manager, referred Members to the Annual Internal Audit Report 2014/15 (for copy see file of minutes).

The Audit and Fraud Manager thanked Members for the opportunity to present the report on behalf of the Chief Internal Auditor and Corporate Fraud Manager and reminded the Joint Committee that the Annual Internal Audit Report fulfilled the requirements of Public Sector Internal Audit Standards and CIPFA Local Government Application note for the Chief Internal Auditor and Corporate Fraud Manager to deliver an annual audit opinion.

Members were informed that the report looked at the Joint Committee's systems of governance, risk management and internal control and that, from the work undertaken, the Chief Internal Auditor and Corporate Fraud Manager was able to provide a "Substantial" overall assurance opinion of the adequacy and effectiveness of internal control operating across the Joint Committee in 2014/15. Members were reminded that "Substantial" was now the highest level of assurance rating.

The Audit and Fraud Manager noted that the appendices to the report set out the work undertaken by Internal Audit and highlighted strengths and weaknesses, setting out a few minor issues which were being addressed by the Bereavement Services Manager.

Councillor B Moir asked how the Committee could take assurance in the work carried out by Internal Audit. The Audit and Fraud Manager noted that not only did Internal Audit adhere to the Public Sector Internal Audit Standards, a review by a "Peer Authority" was due to be undertaken next February. It was added that the Council's Internal Audit section carried out regular self-assessments and was also subject to scrutiny by the County Council's Audit Committee as well as the Joint Committee itself.

**Resolved:**

That the content of the Annual Internal Audit Report and the overall "Substantial" opinion on the adequacy and effectiveness of the Joint Committee's control environment for 2014/15 be noted.

**9 Meetings of the Joint Committee**

The Chairman noted that the next meeting of the Joint Committee would be the Annual General Meeting, to be held on 24 June 2015 at 2.00pm, at County Hall, Durham. Councillors noted that the meeting scheduled for 30 September 2015 would be arranged to be held at Durham Crematorium, South Road to enable Members to view completed crematorium improvement works.

  - Significant Governance Issues – the Central Durham Crematorium Joint Committee must identify any areas of significant internal control weaknesses, including what action is being taken to address them
  - Signature by the leading member (Chair) & Treasurer to the Joint Committee.
- 7 The statement is initially compiled by the Head of Finance (Financial Services), in accordance with guidance contained within the CODE.

## **1 Scope of Responsibility**

The Central Durham Crematorium Joint Committee is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively. It also has a responsibility under the Local Government Act 1999 to make arrangements to secure continuous improvement in the way in which its functions are exercised, having regard to a combination of economy efficiency and effectiveness. This Committee was established in 1964 by the Urban District Councils of Stanley and Consett (transferred to Derwentside District Council, 1976) and the Urban District Councils of Blaydon and Whickham (transferred to Gateshead Metropolitan Borough Council, 1976).

Following Local Government Reorganisation in 2009, as successor to Derwentside District Council, Durham County Council acts as the lead authority.

The Central Durham Crematorium Joint Committee is also responsible for putting in place proper arrangements for the governance of its affairs and for ensuring that there is a sound system of internal control which facilitates the effective exercise of its functions and which includes arrangements for the management of risk.

The Central Durham Crematorium Joint Committee has adopted a code of corporate governance consistent with the principles of the CIPFA/SOLACE Framework 'Delivering Good Governance in Local Government' and operates under the policies and strategies including Contract Procedure Rules, Financial Procedure Rules, Financial Regulations, developed, agreed and adopted by the Durham County Council, its lead authority.

This statement explains how the Central Durham Crematorium Joint Committee has complied with the code and also meets the requirements of Regulation 4 (3) of the Accounts and Audit regulations (England) 2011.

## **2 The Purpose of the Governance Framework**

The governance framework comprises the systems, processes, culture and values by which the Central Durham Crematorium Joint Committee directs and controls its activities through which it accounts to, engages with and leads the community. It enables the Committee to monitor the achievement of its strategic objectives and to consider whether those objectives have led to the delivery of appropriate, cost-effective services.

The system of internal control is a significant part of that framework and is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of the Central Durham Crematorium Joint Committee's aims and objectives, its policies and procedures, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically.

The governance framework has been in place at the Central Durham Crematorium Joint Committee for the year ended 31 March 2015 and up to the date of approval of the Small Bodies Annual Return.

### **3 The Governance Framework**

The key elements of the systems and processes that comprise the governance arrangements are detailed in Durham County Council's Local Code of Corporate Governance, which is documented in the Council's Constitution. This sets out the key documents and processes that determine the way the Council is directed and controlled to meet the six core principles of the CIPFA/ SOLACE Framework.

The following sections demonstrate assurance that the Council has complied with each of these principles in practice, and also highlights where we have further improved our corporate governance arrangements during 2014/15.

#### **Defining and documenting the roles and responsibilities of the Central Durham Crematorium Joint Committee member and officer functions, with clear delegation arrangements and protocols for effective communication**

Central Durham Crematorium Joint Committee ensures that the necessary roles and responsibilities for the Governance of the crematorium are identified and allocated so that it is clear who is accountable for decisions that are made. This is achieved by:-

- The Central Durham Crematorium Joint Committee Constitution which clearly describes the composition of the Committee and how appointments are made. The roles of the Chair and Vice Chair are also clearly documented. Arrangements are in place for a review to be undertaken at the Annual General Meeting of the Joint Committee in June of each year.
- Ensuring that all policy and decision making is facilitated through the Central Durham Crematorium Joint Committee with all party membership being drawn from nomination by the constituent authorities.

#### **Identifying and communicating Central Durham Crematorium Joint Committee's vision of its purpose and intended outcomes for citizens and service users**

The vision for Central Durham Crematorium encompasses the lead Authority's 'Altogether Better Durham' focus reflecting the aim to improve service provision and make a real difference to service users.

The vision for the Central Durham Crematorium Joint Committee takes the following format:-

- To provide a sensitive, respectful and valued service fitting for the bereaved and their families
- To ensure sympathetic, supportive and confidential advice is given to the recently bereaved on funeral service arrangements and give assistance in co-ordinating the funeral process if required

- To provide consistent high quality standards of maintenance in Central Durham Crematorium, working to maximise value for money
- To fully comply with all environmental and regulatory standards and requirements
- To ensure the proper respect of Central Durham Crematorium with fair rules and regulations are fully explained to all visitors.

During 2014/15, the Joint Committee has engaged with Stakeholders to identify and communicate improvements to service provision and crematorium building requirements.

The Central Durham Crematorium Joint Committee revised its Service Asset Management Plan (SAMP) in September 2014 and commissioned further works as a result. The delivery of the Joint Committee's vision will be further demonstrated by:-

- Continuing to identify the property needs of the service to enable it to deliver its vision
- Continuing to assess the condition, sufficiency, suitability, accessibility and energy performance of the crematorium and looking at their appropriateness to deliver the future service
- Identifying the portfolio gaps and appraising the options and priorities to close the gaps between future needs and current provision
- Mapping a way forward to deliver the changes needed which takes in to consideration available funding streams and opportunities.

## The Outturn

7. The final outturn position is broadly in line with the provisional outturn reported to the Joint committee on 22 April 2015 with only a minor change (£3,232 increase) to the overall net income for the year.
8. The following sections outline the reasons for any significant variances by subjective analysis area (most of which was disclosed in the provisional outturn report), comparing the outturn position against the budget.

### 8.1 Employees

The outturn shows an over spend of **£7,548** in relation to employee costs. The reasons for this are highlighted below:

- The Pandemic Operator training and general training budgets were not required during 2014/15 resulting in an underspend of **(£3,500)**.
- Additional National Insurance and Pension contributions not included in the original budget of **£6,422** was incurred.
- Additional overtime not included in the original budget of **£4,626** was incurred.

### 8.2 Premises

The outturn shows an over spend of **£152,123** in relation to premises costs. The reasons for this are identified below:

- Detailed contractor discussions for Phase 1 of the Crematorium Redevelopment Works identified a re-profiling of works with elements brought forward to 2014/15 from later phases. This resulted in additional costs of **£42,769** in year.
- Phase 2 of the Crematorium Redevelopment Works had an initial budget of £30,000 for 2014/15. Due to the mild winter, the works were brought forward and completed in 2014/15, resulting in additional unbudgeted spend of **£141,464** in year.
- Maintenance and replacement works (canopy/guttering replacements, path/road repairs, general roof repairs and buildings maintenance) originally budgeted to be undertaken during 2014/15 have been re-profiled and will be undertaken during 2015/16. This resulted in an underspend of **(£13,502)**.
- Utility expenditure underspent by **(£13,074)**.
- Cremator abatement & equipment servicing, cremator repairs and plant and equipment servicing overspent by **£4,543**.
- Path, road and general building repairs underspent by **(£10,077)**.

### 8.3 *Supplies and Services*

The outturn shows an under spend of **(£4,667)** in relation to supplies and services costs. The reasons for this are identified below:

- The upgrade of the cremator software was not required in 2014/15, resulting in a saving of **(£4,500)**.
- The servicing of the Public Visual Reference System was not required in 2014/15, therefore saving **(£5,290)**.
- Due to the increase in cremations (highlighted later within the income section of the report), medical referee expenditure overspent by **£1,436**.
- General Admin budgets overspent by **£3,040**.
- Due to the increase in Masterplan sales, associated costs overspent by **£2,139**.
- Due to the increase in Book of Remembrance sales, associated costs overspent by **£1,029**.
- Hospitality and advertising budgets underspent by **(£2,000)**.
- Computer replacements underspent by **(£521)**

### 8.4 *Agency and Contracted*

The outturn shows an over spend of **£1,475** in relation to agency and contracted services costs. The reasons for this are identified below:

- Refuse collection costs overspent by **£3,825** due to the replacement of the previous contract.
- External audit fees were **(£1,500)** less than budgeted.
- The legionella contract, medical referee fees for post mortems and cremation register budgets were underspent by **(£850)**.

### 8.5 *Income*

An increase in income of **(£206,936)** from the 2014/15 budget is included within the final outturn. The main reasons are detailed below.

- An increase in the sale of large plaques, vase blocks, columbaria units and seats etc. resulted in additional income of **(£31,637)**.
- The outturn has taken into consideration 87 more cremations compared to budget, totalling an increased income to budget of **(£44,810)**. The outturn includes 2,287 cremations against a budget 2,200 during the 2014/15 financial year.

- Miscellaneous sales and Book of Remembrance entries were (**£4,888**) higher than budget.
- Interest receivable on the Crematorium current account and investments was (**£779**) higher than budget.
- A one off backdated VAT claim resulted in additional income of (**£29,823**).
- A new unbudgeted annual cremation abatement payment from the Crematoria Abatement of Mercury Emissions Organisation (CAMEO) has resulted in additional income of (£42,779) relating to 2013/14. It is also anticipated that the 2014/15 payment will be (£52,220), resulting in additional unbudgeted CAMEO abatement income of (**£94,999**) in year.

## 8.6 Earmarked Reserves

Contributions to the earmarked reserves are **£49,820** more than originally budgeted. Although the re-phasing (bringing forward) of the redevelopment works originally planned for completion in 2015/16 increased the expenditure for 2014/15, the additional unbudgeted income and the increased number of cremations resulted in a net additional contribution to earmarked reserves.

In line with the CDCJC Reserve Policy to maintain a General Reserve of 30% of the income budget, a transfer to the General Reserve of (**£59,460**) was required as part of the final accounts process. This resulted in a net transfer to the Major Capital Works Reserve of **£2,997**.

The retained reserves of the CDCJC at 31 March 2015 is **£1,015,633** along with a General Reserve of **£444,000**, giving a forecast total reserves and balances position of **£1,459,633** at the year end. This represents an in-year increase of **£94,457** (approximately 7% over the balances held at 31 March 2014).

# Small Bodies in England

## Annual return for the financial year ended 31 March 2015

---

Small relevant bodies in England with an annual turnover of £6.5 million or less must complete an annual return in accordance with proper practices summarising their annual activities at the end of each financial year.

The annual return on pages 2 to 5 is made up of four sections:

- Sections 1 and 2 are completed by the person nominated by the body.
- Section 3 is completed by the external auditor appointed by the Audit Commission.
- Section 4 is completed by the body's internal audit provider.

Each body must approve this annual return no later than 30 June 2015.

### **Completing your annual return**

Guidance notes, including a completion checklist, are provided on page 6 and at relevant points in the annual return.

Complete all sections highlighted in red. Do not leave any red box blank. Incomplete or incorrect returns require additional external audit work and may incur additional costs.

Send the annual return, together with your bank reconciliation as at 31 March 2015, an explanation of any significant year on year variances in the accounting statements and any additional information requested, to your external auditor by the due date.

Your external auditor will identify and ask for any additional documents needed for their work. Therefore, unless requested, do not send any original financial records to the external auditor.

Once the auditor has completed their work, certified annual returns will be returned to the body for publication or public display of sections 1, 2 and 3. You must publish or display the annual return, including the external auditor's report, by 30 September 2015.

It should not be necessary for you to contact the external auditor for guidance.

More guidance on completing this annual return is available in the Practitioners' Guides for either local councils or internal drainage boards. These publications may be downloaded from the National Association of Local Councils (NALC) or Society of Local Council Clerks (SLCC) websites ([www.nalc.gov.uk](http://www.nalc.gov.uk) or [www.slcc.co.uk](http://www.slcc.co.uk)) or from the members area of the Association of Drainage Authorities website ([www.ada.org.uk](http://www.ada.org.uk)).

## Guidance notes on completing the 2014/15 annual return

- 1 You must apply proper practices for preparing this annual return. Proper practices are found in the Practitioners' Guides\* which are updated from time to time and contain everything you should need to prepare successfully for your financial year-end and the subsequent audit. Both NALC and SLCC have helplines if you want to talk through any problem you may encounter.
- 2 Make sure that your annual return is complete (i.e. no empty red boxes), and is properly signed and dated. Avoid making any amendments to the completed return. But, if this is unavoidable, make sure the amendments are drawn to the attention of and approved by the body, properly initialled and an explanation is provided to the external auditor. Annual returns containing unapproved or unexplained amendments will be returned unaudited and may incur additional costs.
- 3 Use the checklist provided below. Use a second pair of eyes, perhaps a member or the Chair, to review your annual return for completeness before sending it to the external auditor.
- 4 Do not send the external auditor any information not specifically asked for. Doing so is not helpful. However, you must notify the external auditor of any change of Clerk, Responsible Financial Officer or Chair.
- 5 Make sure that the copy of the bank reconciliation which you send to your external auditor with the annual return covers all your bank accounts. If your body holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree your bank reconciliation to Box 8 on the Accounting statements. You must provide an explanation for any difference between Box 7 and Box 8. More help on bank reconciliation is available in the Practitioners' Guides\*.
- 6 Explain fully significant variances in the accounting statements on page 2. Do not just send in a copy of your detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include a complete analysis to support your explanation. There are a number of examples provided in the Practitioners' Guides\* to assist you.
- 7 If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or you do not fully explain variances, this may incur additional costs for which the auditor will make a charge.
- 8 Make sure that your accounting statements add up and the balance carried forward from the previous year (Box 7 of 2014) equals the balance brought forward in the current year (Box 1 of 2015).
- 9 Do not complete section 3. The external auditor will complete it at the conclusion of the audit.

| Completion checklist – 'No' answers mean you may not have met requirements |  | Done? |
|--|--|-------|
| All sections   | All red boxes have been completed?   |       |
|  | All information requested by the external auditor has been sent with this annual return? Please refer to your notice of audit. |       |
| Section 1  | Approval by the body confirmed by signature of Chair of meeting approving the accounting statements?                           |       |
|  | An explanation of significant variations from last year to this year is provided?  |       |
|  | Bank reconciliation as at 31 March 2015 agreed to Box 8?   |       |
|  | An explanation of any difference between Box 7 and Box 8 is provided?  |       |
| Section 2  | For any statement to which the response is 'no', an explanation is provided?   |       |
| Section 4  | All red boxes completed by internal audit and explanations provided?   |       |

## **Operational Matters**

### **Staffing**

6. The cleaner employed at the crematorium is still currently on long term sickness and arrangements are still in place for Durham County Council's facilities cleaning team to assist with the cleaning until such time as the employee returns to work.

### **Institute of Cemetery and Crematorium Management ICCM Learning Convention and Exhibition 2015**

7. As in previous years, the necessary arrangements will be made for representation at the Institute of Cemetery and Crematorium Management ICCM Learning Convention and Exhibition at the Forest Pines Hotel, North Lincolnshire from 28<sup>th</sup> September to 30<sup>th</sup> September 2015. The Bereavement Services Manager and either the Chair or Vice Chair attend this conference as representatives of the Central Durham Crematorium Joint Committee.

### **Recycling of Metals Scheme**

8. As Members may recall, arrangements were made for the cheque to be presented to St Cuthbert's Hospice by the Committee Chair, Vice Chair and the Bereavement Services Manager on 1 April 2015. A letter of thanks has been received from the above trust and can be found in Appendix 3.

### **Crematorium Improvement Works**

9. A Project update (No 7) was recently distributed to members and is attached at Appendix 4 for information.
10. Phase 3 works commenced on site over the weekend of the 11 April 2015 with the majority of the work undertaken over every subsequent weekend. This involves the crematorium remaining closed every Monday to ensure that any unfinished tasks can be completed before the crematorium re-opens for services on a Tuesday. Work is progressing well and this has enabled some elements of the build to be conducted during the week so as to hopefully speed up completion of the internal works to the project. All funeral directors have been advised of the arrangements and they continue to work alongside us to achieve the end result and remain supportive of the investment and improvements being made.

### **Recommendations:**

11. It is recommended that Members of the Central Durham Joint Committee:
  - (i) Note the current performance of the crematorium.
  - (ii) Note the continued long term sickness absence of the cleaner and the arrangements in place as a result.
  - (iii) Note the attendance at the Institute of Cemetery and Crematorium Management ICCM Learning Convention.
  - (iv) Note the distribution of recycling income to the respective charity.
  - (v) Note the progress of the Phase 3 works.

DURHAM

20 April 2015

**To everyone at Durham Crematorium, we can't say thank you enough**

Thank you so much for your fantastic donation of £4,487 to Macmillan Cancer Support. Because of your continued generosity we'll be able to reach more people with our life-changing support.

### **No one should face cancer alone**

Macmillan believes that everyone affected by cancer should be able to get the help and support they need, so they don't go through cancer alone. That's exactly what your donation is helping us achieve.

Your donation will help us to fund more nurses and therapists to help people through cancer treatment. It will help us to provide more information and support centres offering free and confidential advice. It will support us in our campaigns to improve cancer care and fight discrimination. Your donation will help us be there for patients, carers, families and communities every step of the way.

### **Managing cancer in the workplace**

Please remember that the Macmillan team is here to help you and your colleagues too. Each year, over 100,000 people of working age are diagnosed with cancer in the UK. More than 500,000 people are balancing caring for a loved one with cancer with a full or part time job. That's why Macmillan offers a free and comprehensive range of work and cancer resources to support employers, line managers and employees. Visit [macmillan.org.uk/work](http://macmillan.org.uk/work) to find out more and order our free *Essential work and cancer toolkit* for your organisation.

Thanks again for being such an important part of the Macmillan team. Without your help, we wouldn't be able to keep providing our vital services. Together we are all Macmillan Cancer Support.

Best wishes,

A handwritten signature in blue ink that reads "Marie".

Crematorium Re Development Project Update  
Issue 7 March 2015

Project meetings have been held on a regular basis with key representation to plan and review progress against the operation and financial aspects, this supports and guides the regular project team meetings that have been continuing.

(Before and after photos below).

Direct Services started construction of the internal walls week-ending 2<sup>nd</sup> May 2015 and the floor screening the following weekend along with the creation of the new exit area.

The following weekend involved the laying of the flooring of the new exit area, along with the installation of the first fix of electrical heating and mechanical works. This also allowed the installation of the air conditioning system to the chapel area.

During the week saw the demolition of the existing book of remembrance area and the scaffolding erected in order to continue with the brickwork ready for the roofing works to the extension.

Internal walls continued to be erected along with the laying of the flooring to the new toilet area and the installation of hand basins.

Last weekend saw the alterations to the existing disabled toilet and the last of the internal walls erected.

### **What is coming up?**

Direct Services are currently carrying out the plastering works and mechanical and electric works still ongoing .It is proposed that the chapel area may be ready for decorating in the next couple of weeks.

### **Communications**

Member briefings will be issued giving up to date details of progress across the project. Future issues will also summarise the budgetary position.

Notices have been placed in the Crematorium grounds advising visitors of what is happening and why.
