Youth Justice Plan

2017 to 2019

Annual Refresh 2018

National

Service

Foreword

It is my pleasure to present County Durham Youth Offending Service Youth Justice Plan 2018/19. This statutory plan reviews the work of the service over the last year and sets out priorities for the next 12 months. It is a refresh of our plan for the period 2017 – 2019.

County Durham Youth Offending Service (CDYOS) continues to achieve some remarkable outcomes. Since 2007/08, the number of young people entering the criminal justice system has reduced by an impressive 89.4% as a result of effective joint work between the service and the Police. We know that for most young people this will be their only involvement in the youth justice system and that they will not be in trouble again.

Since 2010/11 the number of young people committing offences has reduced by 69.2%, and the number of offences has reduced by 56.6%. The number of young people re-offending and the number of offences they commit have also reduced. Most of those offences had a victim, so that means there are many fewer victims too. That's great news for our community as a whole.

Many other achievements are set out in the plan, including the success of Restorative Justice; speech, language and communication work; and community reparation. CDYOS continues to be acknowledged nationally having received a number of awards for its innovation. CDYOS' work over the last 12 months to improve its response to the health needs of young people who offend has led to the development of a co-commissioned model of health provision creating a multi-skilled health team made up of School Nurse, Consultant Psychologist, Speech Language Therapists, Substance Misuse specialists, Liaison and Diversion staff and Emotional Wellbeing specialists.

These achievements would not be possible without the full and active engagement of a wide range of partners, committed to working together to meet the needs of challenged and challenging young people. I would like to thank the partners who make up the Youth Offending Service partnership for their continued commitment of time, expertise and resources.

I would also like to thank the staff of the service for their hard work and endeavour to support young people who have many complex needs and challenges, and who do so with enthusiasm and professionalism.

All public services are facing challenges from reduced funding, and CDYOS is no different. However, the service has set out realistic priorities for the future, building on the firm foundations of strong partnership working it has developed. This plan gives the full flavour of what has been achieved and what the next steps are.

I am confident that by continuing to work together, we can continue to achieve great things.

Alan Reiss,
Chief of Staff, Office of the Durham Police, Crime and Victims' Commissioner
On behalf of CDYOS Management Board

Executive Summary

The Youth Justice Plan 2018/19 highlights work done to date, and key achievements and outcomes for 2017/18. It outlines key priorities, budget, staffing, service developments and the service improvement plan for 2018/19.

'County Durham YOS has a good reputation and performs to a high standard. The service is proud of its creative and innovative approach to service delivery and has won a number of awards, in particular for work around restorative practices. It was apparent that staff and managers alike are widely respected, skilled and experienced in understanding, and working with, some of the hardest to reach young people in the county.' (Peer Review)

Our Key Achievements:

1. National Outcome Measures 2017/18

■ **First Time Entrants to the Youth Justice System (FTEs):**

Between October 2016 and September 2017 the rate of FTE per 100,000 population in County Durham at 324 is higher than nationally which is 304. The County Durham rate is lower than the North East at 394.

The latest available locally sourced data shows 119 young people entering the Youth Justice System between April 2017 and March 2018 at a rate of 277. This is the lowest ever rate achieved.

■ **Re-offending**

Ministry of Justice (MoJ) data (April 2015 – March 2016 cohort) shows a re-offending rate of **46.4%** which is a **7.6% reduction** compared to the previous year. This is higher than England rate which is 42.2% but below the North East rate which is 50%.

■ **Use of Custody**

Custodial Sentences:

The CDYOS performance is on par with the England and North East region at a rate per 1,000 10-17 population of 0.4. The most up to date locally sourced information (April 2017-March 2018) shows 15 custodial sentences which is a reduction in the rate to 0.35.

Remand Bed Nights: 419

This is a 33.4% reduction on the previous year.

Appendix 2 provides detailed charts which illustrate the above information.

2. Co-Commissioned Health Model:

The work carried out with Public Health to understand the health needs of young people who offend has led to the implementation of a co-commissioned multi-skilled Health Team based in CDYOS comprising School Nurse, Clinical Psychologist, Speech Language Therapists, Substance Misuse Specialists, Liaison & Diversion Specialists and Mental Health Specialists. This team ensures the often complex health needs of young people who offend are effectively assessed and responded to so that they are supported to achieve good health outcomes.

3. Work With Victims, including Young Victims:

Our work with the victims of youth crime has engaged 192 victims in restorative approaches. In particular, our work with young people who are the victims of youth crime has provided dedicated support and an opportunity to re-build and restore confidence. Young people who offend have also engaged in 4,000 hours of unpaid work in and across communities in County Durham as a means of reparation.

4. Supporting Young People's Education and Progression:

The Service has continued to prioritise the development of resources and interventions to meet young people's speech, language and communication needs. This has supported young people in engaging actively with their learning in respect of desistance and their active participation in CDYOS programmes of intervention. The implementation of the Skill Mill, a Community Interest Company, providing employment and training for young people under the supervision of CDYOS supported 4 young people none of whom have committed further offences. Three have progressed into further, long term, employment. Feedback from the young people tells us that they value the opportunity to learn new skills and gain valuable experience in the world of work.

The work carried out during 2017/18 which has supported our Key Achievements has been:-

Reducing First Time Entrants (FTEs)

- Ensured we delivered a 'scaled approach' to young people subject to out of court disposals (OOCd);
- Introduced Asset Plus as our assessment of young people and families in out-of-court disposals
- Reviewed and developed our process for identifying families under the Stronger Families programme;
- Expanded, developed and improved our range of intervention programmes delivered by the Delivery Team;

- Our new co-commissioned model of health provision;
- Further development of ClearCut Communication resources to support young people's engagement in the Youth Justice System;
- Our child-centred approach – where safeguarding of young people is a priority alongside preventing re-offending;

- Secured funding to implement a co-commissioned Health Model of multi-professional health provision;
- Enhanced the range of health professionals in the service who work to their specialist skills and support a range of health needs of young people who offend or who are at risk of offending;
- Secured funding to provide for 0.4fte Consultant Psychologist to provide clinical supervision for CDYOS case managers working with young people exhibiting sexually harmful behaviour and young people experiencing trauma

Work with Victims, including Young Victims

- Improved the involvement of victims in deciding the type of reparation work to be undertaken;
- Expanded our programme for parents who are victims of their child's offending;
- Continued to improve the service we offer to victims and young people who offend through our restorative justice work;
- Further developed and embedded our group of mentors and 'leaders' all of whom are young people who have been victims of crime and expanded both the group size and the range of activities on offer;
- Expanded restorative justice interventions across all orders in the service;

- Continued to work closely with the Office of the Police, Crime and Victims' Commissioner (OPCVC);
- Embedding new roles for volunteers in service delivery and having over 50 trained active volunteers;
- Our specialist Restorative Justice (RJ) work to support victims of youth crime;
- Delivering our work in the communities where young people and families live;
- Delivering over 4,000 hours of court ordered reparation/ unpaid work and raising over £800 for charity from young people's reparation work;

- Expanded our ClearCut Communication resources for young people in the Youth Justice System and provided training in SLCN and use of our resources to numerous agencies both locally and nationally;
- Extended the use of volunteers as mentors for young people under the supervision of CDYOS and acted as Independent Visitors for

- young people looked after by the Local Authority;
- Extended young people's volunteering opportunities;
- Influencing the youth justice system nationally – over 50 YOTs have purchased and are using our ClearCut Communication resources;

In 2018/19 we will:

- Reduce First Time Entrants to the Youth Justice System;
- Reduce re-offending by young people;
- Reduce the use of custody for both sentenced and remanded young people.

By:

- Improving how we communicate with young people and the interventions we do with them;
- Putting victims, including young victims, and restorative justice at the heart of everything we do;
- Reducing re-offending by targeting our resources on those young people committing the most offences and improving their engagement in opportunities for education, employment and training;
- Ensuring we have robust quality assurance and staff management processes in place and a skilled management team to manage these processes;
- Ensuring that we listen and respond to what young people and their families are telling us;
- Ensuring that volunteering, by both adults and young people, is a key component of the work we do with young people and victims;
- Ensuring that case management systems and administration support provides the highest quality support to staff and managers in the delivery of services to courts, communities, victims, families and young people.

See **Appendix 3** (Service Improvement Plan 2018/19) for more detail.

Introduction

Youth Offending Teams (YOTs) are statutory partnerships, established under the Crime and Disorder Act 1998, with the principal aim of preventing offending by children and young people. Local Authorities are responsible for establishing a Youth Offending Team within their area. Police, National Probation Service and Clinical Commissioning Groups (CCGs) are statutorily required to assist in their funding and operation.

Local authorities continue to have a statutory duty to submit an annual youth justice plan relating to their provision of youth justice services. Section 40 of the Crime and Disorder Act 1998 sets out the youth offending partnership's responsibilities in producing this plan. It states that it is the duty of each local authority, after consultation with the partner agencies, to formulate and implement a statutory annual youth justice plan setting out:

- How youth justice services in their area are to be provided and funded;
- How the Youth Offending Service (YOS) will be composed and funded, how it will operate, and what functions it will carry out.

Plans covering more than one year require an annual refresh and updating of key information, particularly in relation to finance and governance.

Statutory requirements placed on the YOS and the Management Board include:

- Complying with the statutory requirements laid out in s.38 to 40 of the Crime and Disorder Act 1998, and other relevant sections of the Act;
- Complying with National Standards for Youth Justice (including returning the annual NS audit). From 1 July 2017 AssetPlus is the only assessment framework approved by the YJB and is therefore mandatory for compliance with National Standards and assessments;
- Submitting required data to the YJB in adherence with the relevant YJB data recording guidance;
- Ensuring Connectivity is used to transfer data across the youth justice system (including case transfers and stage updates under AssetPlus sent between YOT; between YOTs and YJB Placements; and between YOTs and the secure estate in accordance with AssetPlus requirements).

The overarching role that youth offending services have in case management for all young people in the youth justice system is recognised as one of the key factors in the success seen in recent years. This includes: a reduction in the number of young people in the youth justice system, in first time entrants to the youth justice system, and the number in custody.

'There is no doubt that a key strength of the youth justice system has been the delivery through YOTs of locally based, multi-disciplinary services for children who offend.'
(The Taylor Review, paragraph 18).

County Durham Youth Offending Service

County Durham Youth Offending Service (CDYOS), a statutory multi-agency partnership, is part of Children and Young People's Services, Durham County Council, and is managed by them on behalf of the partnership. Active links are maintained at both strategic and operational level to Criminal Justice, Community Safety and Children, Young People and Families arenas.

The Service is represented at strategic level in a range of key partnerships (e.g. Children and Families Partnership, Safe Durham Partnership (CSP), Local Safeguarding Children Board (LSCB), Local Criminal Justice Board (LCJB), Strategic MAPPA Board, Think Family Partnership etc.), as well as relevant sub groups.

Strategic Purpose of CDYOS

- To prevent re-offending by children and young people;
- To reduce First Time Entrants (FTEs) to the youth justice system;
- To be achieved by delivering specialist interventions;
- Underpinned by safeguarding and public protection.

For 2018/19, CDYOS' primary focus is on the following three outcome areas:

- reducing first time entrants
- reducing re-offending
- reducing the use of custody (both sentenced and remanded)
- and ensuring public protection/safeguarding by providing specialist interventions.

We will embed service improvements; focus on the quality of practice; and work to ensure we continue to improve outcomes and focus on core business.

See Appendix 3: Service Improvement Plan 2018/19

Structure and Governance

Governance – Management Board

CDYOS is accountable to a multi-agency Management Board, chaired by the Head of Children's Services, Children and Young People's Services, Durham County Council. The membership and terms of reference of the Management Board are reviewed annually. Membership is at Chief Officer or appropriate Senior Officer level.

The Management Board consists of:

- Children and Young People's Services, Durham County Council (DCC) - Chair;
- Durham Constabulary;
- National Probation Service;
- North East Commissioning Support (NECS) representing the two Clinical Commissioning Groups (CCGs);
- HM Courts and Tribunals Service;
- Improving Progression of Young People Team, DCC;
- Office of the Police, Crime and Victims' Commissioner (OPCVC);
- Durham Tees Valley Community Rehabilitation Company;
- Public Health, DCC;
- SEND and Inclusion, Education, DCC;
- NHS England Health and Justice (new member from April 2017)

Membership and governance are reviewed annually in line with '*Modern Youth Offending Partnerships – Guidance on Effective Youth Offending Team Governance in England*' (MoJ/YJB, November 2013) to ensure they remain robust in a complex and changing operating environment.

From January 2017, the Management Board has established a series of subgroups/aligned partnership groups. The Board receives regular updates from the Chairs (CDYOS Board members) at each meeting. This ensures synergy and ensures youth justice continues to be a priority across the wider partnership arena.

Subgroups include the following (Chair in brackets):

- Health Steering Group (YOS Manager CDYOS);
- Reducing Re-offending (cross cutting subgroup across Safe Durham Partnership and Safer Darlington Partnership - OPCVC);
- Victims and Witnesses (cross cutting across Safe Durham Partnership and Safer Darlington Partnership – OPCVC);

- Vulnerable Child Pathway (subgroup of Healthy Child Programme Board – Public Health);
- Transitions (group to be established across DTV CRC area, Durham, Darlington and Tees Valley, to include the 5 YOS – CRC)

The Management Board reports to the Children and Families Partnership, Safe Durham Partnership and County Durham Partnership (overarching partnership for Co. Durham). Durham County Council's Overview and Scrutiny Committees also monitor performance against the 3 national outcome measures and receive annual presentations from the Strategic Manager CDYOS on progress against the Youth Justice Plan.

The Management Board ensures CDYOS can deliver effective youth justice services and improve outcomes for young people by:

- Providing clear performance oversight and direction;
- Receiving regular budget reports;
- Ensuring the service is adequately resourced;
- Providing clear governance and accountability;
- Reviewing the statutory partners' budget contribution to CDYOS;
- Ensuring excellent links with the Children and Families Partnership, Safe Durham Partnership, Local Criminal Justice Board (LCJB), Local Safeguarding Children Board (LSCB) and broader partnership arena.

This is achieved by providing:

- Strategic oversight and direction;
- Support;
- Partnership working;
- Planning and resources.

The Youth Justice Plan, after approval by the Management Board, is presented to Cabinet and full Council for approval before submission to the YJB.

Durham County Council (DCC) Structures

Durham County Council's new Chief Executive took up post in January 2016. A major transformation programme across the whole council commenced in 2016. This has included the creation of some new service groupings.

The former Children and Adults Service directorate was disaggregated during 2016 and two new directorates created: Children and Young People's Services and Adult and Health Services. Each has a Corporate Director.

CDYOS is part of Children and Young People's Services, Durham County Council and managed by them on behalf of the partnership. On the 1st April 2018, CDYOS restructured along with the wider Children's Services and now the Strategic Manager (Children's Services Reform & CDYOS) is line managed by the Head of Head of Early Help, Assessment and Safeguarding (EHAS) (Chair of the Management Board) and is a member of Children's Services EHAS Management Team.

Children and Young People's Services include:

- One Point (Early Help, Prevention and Think Family Services)
- CDYOS
- Aycliffe Secure Services
- Child Protection and Disability
- Looked After Children and Permanence
- First Contact and Intervention
- Families First
- Education

Children and Young People's Services provides a clear continuum of services (including early help and prevention, education, children's social care, specialist youth justice services) and valuable opportunities for joint work and innovation across the spectrum of services. Think Family and Early Help Strategies underpin CDYOS' work.

CYPS Strategic Managers work closely with the Corporate Director and Heads of Service on cross cutting themes e.g. quality improvement.

CDYOS continues to work closely with colleagues in Adult and Health Services (e.g. Public Health) and across the council. Joint work and innovation is essential in the context of a rapidly changing operating environment and reducing resources.

Reducing Youth Crime – Integrated Strategic Planning

The primary focus of CDYOS – preventing re-offending by young people, reducing first time entrants to the Youth Justice System and reducing the use of custody – is fully integrated

into the following strategic plans/strategies in County Durham:

- Safe Durham Partnership (SDP) Plan;
- County Durham Children, Young People and Families Plan;
- Durham County Council Plan;
- The Sustainable Community Strategy for County Durham;
- Safe Durham Partnership Reducing Re-Offending Strategy;
- Safe Durham Partnership Integrated Restorative Practice Strategy;
- Safe Durham Partnership Anti-Social Behaviour Strategy;
- Safe Durham Partnership Alcohol Harm Reduction Strategy;
- Safe Durham Partnership Drug Strategy
- Think Family Strategy;
- Early Help Strategy;
- Durham Police, Crime and Victims' Plan;
- County Durham Joint Health and Wellbeing Strategy;
- Durham County Council Strategy for Children and Young People with Special Educational Needs and / or Disabilities.

The health needs of young people who offend are included in both the Joint Strategic Needs Assessment and Joint Strategic Assessment. This maximises opportunities for joint work across partnerships and ensures a co-ordinated strategic approach across County Durham.

CDYOS has developed effective links with health partners. During 2016/17 the service worked with Public Health and partners to complete a Health Needs Assessment (HNA) of young people who offend. This has resulted in a new co-commissioned model of health provision in CDYOS for 2017/19, agreed by the Management Board and health commissioners. The HNA has been shared with a range of partnerships

The service has developed effective links with the Office of the Police, Crime and Victims' Commissioner. CDYOS partnership priorities are included in the Police, Crime and Victims' Plan.

Think Family work in Co. Durham has been improved by the active involvement of CDYOS. Additional funding was secured to expand the role of CDYOS volunteers as family mentors for the Stronger (Troubled) Families programme until March 2018.

Resources and Value for Money

CDYOS is committed to the following principles:

- maintaining front line delivery and core services to young people and partners as far as possible;
- ensuring CDYOS remains in a position to improve practice and outcomes for young people;
- ensuring young people are safeguarded and risk is managed;
- ensuring Value for Money (VfM).

These underpin all our work re. budgetary management. Robust financial management is underpinned by regular budget reports to the Management Board, CYPS Management Team and Finance colleagues, DCC.

Budget 2018/19

CDYOS budget comprises partnership funding, YJB funding and specific grant funding. The budget allocation is reviewed annually by CDYOS Management Board and all partners (Police, Probation, Health (CCGs) and Local Authority) agree funding contributions for the following year.

CDYOS pooled budget for 2018/19 is £2,439,746.
92% of CDYOS budget is spent on staff costs.
94% of this is front line delivery.

A detailed budget breakdown can be found at Appendix 2.

CDYOS partnership has implemented a comprehensive youth crime strategy, focused on reducing re-offending, which includes out of court and post court.

Our nationally recognised fully integrated out of court system has evidenced success in reducing first time entrants and re-offending and is an Invest to Save strategy. It has resulted in 89.5% reduction in first time entrants since 2007/08; and 56.7% reduction in the number of offences committed and 69.3% reduction in the number of young people offending since 2010/11. The number of young people re-offending and the number of offences committed has fallen consistently since 2010/11.

YJB Grant Funding 2018/19

The YJB provides 2 grants which are part of CDYOS' pooled budget:

- Youth Justice (YOT) Grant (England)
- Remands to Youth Detention Accommodation (RYDA) Grant

Both grants are ring-fenced to youth justice services.

Youth Justice (YOT) Grant: £612,038

The ring-fenced grant is provided by the YJB to local authorities *'for the purposes of the operation of the youth justice system and the provision of youth justice services'* (*'Youth Justice Plans: YJB Practice Note for Youth Offending Service Partnerships', YJB, May 2017*). The grant may only be used by the Local Authority to fund its Youth Offending Team with a view to achieving the following outcomes:

- Reduction in youth re-offending;
- Reduction in the numbers of first time entrants to the Youth Justice System;
- Reduction in the use of the youth custody;
- Effective public protection;
- Effective safeguarding.

The YJ Grant is used as part of CDYOS pooled budget (see Appendix 2). This supports delivery of our Service Improvement Plan 2018/19 which focuses on the key outcome measures:

- Reducing re-offending;
- Reducing first time entrants;
- Reducing use of custody;
- Underpinned by safeguarding and public protection.

Uncertainty caused by late notification of YJB grants can cause problems re. business planning.

Remands to Youth Detention Accommodation: £30,373

From April 2013, the full cost of all remand bed nights became the responsibility of the local authority, following implementation of that part of the Legal Aid, Sentencing and Punishment of Offenders (LASPO) Act 2012. The Remand to Youth Detention Accommodation (RYDA) presents a new – and major – burden and risk to local authorities. The grant is for bed nights in Young Offenders Institutions (YOI) only.

Budget Savings 2018/19

CDYOS, like all public services, has to manage within a tough budgetary environment.

Since 2010/11, CDYOS budget has reduced by £2.1m (37.4% reduction). It should be noted the budget savings have been achieved while improving performance across a range of measures by developing new and more efficient ways of working.

We managed the revised budget envelope for 2018/19 by:

- reviewing all staffing in light of service needs and re-profiling some posts to increase resilience/capacity;
- restructuring the Service
- formalising working arrangements for service operation 6 days per week (7 when necessary), including Bank Holidays, with dedicated management cover;
- reducing management and support/admin services;
- introducing a range of lean admin processes/operating procedures;
- reducing all non-staffing expenditure to an absolute minimum;
- maximising Durham County Council's support structures;
- changing the way we work with local partnerships (e.g. Safe Durham Partnership/ Children and Families Partnership etc.).

Staffing and Service Delivery

Service Delivery

CDYOS works with young people across the whole Youth Justice spectrum (out of court and post court) to reduce re-offending. All young people have been through formal Police processes (e.g. arrest/Police custody suite).

CDYOS work includes:

- pre conviction arena (bail and remand management);
- fully integrated out of court system (nationally recognised);
- community sentences;
- long term custodial sentences.

CDYOS ensures the delivery of court orders (both in the community and custody) in line with National Standards for Youth Justice, national Case Management Guidance and other statutory requirements. We recruit, train, manage, supervise and deploy volunteers to carry out a range of functions (including the statutory delivery of Referral Order Panels). We operate a fully staffed court rota for the Youth Court, Remand Court, Crown Court and Special Courts (Saturdays and Bank Holidays) with dedicated management cover. We ensure safeguarding and management of risk, including public protection, in relation to young people in the Youth Justice System.

Restorative Justice underpins all our work. CDYOS works with victims of youth crime to ensure meaningful input to work with young people who have offended and has expanded restorative justice across all orders within existing resources. CDYOS was awarded the Restorative Service Quality Mark in 2016. CDYOS also achieved Investing in Children accreditation in 2016 for our work with young victims of crime.

As a result of the increasing complexity of cases, CDYOS operates a specialist model of case management, enabling staff to work to their expertise. The primary focus of staff is on their specialist roles. Specialist case managers in our two case management teams are responsible for assessment, intervention planning and overall case management. Interventions, based on risk of re-offending, are delivered by the Delivery Team and Wrap Around Team

The focus of all our work is reducing re-offending. We operate a multi-professional Team around the Child, maximising expertise of professionals in CDYOS, and utilising additional skills from across our partnership as required.

In 2017/18, over 4000 hours of court ordered reparation were completed by young people supervised by CDYOS.

Staffing

The Service is staffed in line, and fully complies, with the requirements of the Crime and Disorder Act 1998, including:

- Social Workers;
- Probation Officer (NPS);
- Police Officers;
- Police staff;

There is a range of other staff, for example:

The Voice of Young People in the Youth Justice System

Young people play an active role in the work of CDYOS. Their involvement during 2017/18 has helped to shape the Service Improvement Plan 2018/19 and the priorities included in the Youth Justice Plan.

The service has numerous ways of obtaining young people's views, including;

- e-survey;
- Manager reviews of cases with young people;
- Referral Order panel reviews with young people;
- Every assessment includes a self-assessment by the young person;
- Re-engagement Panels with young people (for those at risk of breach/non-compliance);
- Every intervention programme is concluded by obtaining young people's views on the work undertaken;
- With Youth in Mind – young victims' consultation and engagement group.

The active participation of young people in their own assessments and intervention plans is a theme running through all CDYOS quality assurance work.

Young people supervised by CDYOS provide feedback on intervention programmes, both those provided by CDYOS and those delivered in partnership, at the end of each intervention. Their views are used, among other things, by CDYOS to determine what is included in our Directory of Interventions, used by all case managers.

Young people's feedback, their experience and frequent lack of understanding of their journey through the criminal justice processes, has been – and continues to be – central to our Speech, Language and Communication Needs Strategy. Their engagement in the process – both as young people who offend and young victims of crime – has transformed how we work and been central to the development of our ClearCut Communication resources, regarded as national best practice and purchased by other YOTs nationally.

With Youth in Mind, our young people's group, comprising young victims of crime (aged 9 to 20), actively shapes our work with young victims to improve the service we offer. Over 80 young people have been involved since the group was established in May 2015. Some young people are trained as team leaders to offer peer support to other young victims of crime.

'We started this group because we all were very interested in helping young people because of our own experiences. This could be about bullying or problems at home with the idea being that young people support other young people who have had similar experiences. The leaders and staff put time and effort in and really care about you and you get the chance to talk about different stuff and plan what you want to do for activities.'

(Members of With Youth in Mind)

'County Durham Youth Offending Service continues to demonstrate its commitment to young people's rights by engaging with young people as both victims of crime as well as young people who offend. The Service listens to their views and has taken seriously the issues they have raised. Investing in Children is proud to be able to make their Award TM in recognition of this commitment to young people's involvement.'

(Investing in Children, 2016)

Our Health Needs Assessment included feedback from young people and this helped to shape the new co-commissioned model of health provision.

The views of parents/carers and victims also shape service delivery e.g. our Parenting Support Group which supports parents who are victims of their own child's offending.

Partnership Arrangements

Partnership Arrangements

Partnership arrangements in place to deliver effective and efficient youth justice services in County Durham include:

- Partners (Police, National Probation Service and Health) have maintained their specialist staff and financial contributions to the service for 2018/19;
- Durham County Council is the lead partner;
- The Management Board consists of statutory partners plus broader membership (Office of the Police, Crime and Victims' Commissioner, HMCTS, CRC, Public Health, SEND);
- NHS England Health and Justice have joined the Board from April 2017;
- Seniority of Management Board members;
- Management Board members are proactive, working both within and outside the Board, to support the work of the service;
- Subgroups/aligned groups ensure effective linkages and synergy with other partnerships/work and avoid duplication;
- Partnership work to support the development of a range of projects and initiatives e.g. Speech Language and Communication Needs (SLCN) Strategy; work with RSPCA, Fire and Rescue Service, Police re. development of additional intervention programmes; Positive Futures re. interventions directory;
- CDYOS Interventions Directory includes some interventions delivered in partnership; some are delivered by partners for CDYOS.

Effective Partnership Work

CDYOS has strong partnership work with an extensive range of partners at both strategic and operational level. Partners include:

- Criminal Justice (Police, Probation, Courts);
- Community Safety (DCC, Health, Fire and Rescue);
- Children and Families Partnership (DCC, Health, Police, VCS);
- Local Safeguarding Children Board;

- Multi-Agency Public Protection Arrangements (MAPPA);
- Office of the Police, Crime and Victims' Commissioner (OPCVC);
- Health (HDFT, CCGs, NECS, TEWV, NTHFT);
- National Probation Service (NPS);
- Durham Tees Valley Community Rehabilitation Company (CRC);
- Think Family/Stronger (Troubled) Families;
- Local Criminal Justice Board (LSCB).

CDYOS is a key partner in the Criminal Justice Board for Durham and Cleveland. Chaired by the Police, Crime and Victims' Commissioner, the Board has recently set out an ambitious vision for an end-to-end criminal justice system which supports victims, reduces re-offending and supports rehabilitation. All partners are committed to working across organisational boundaries, pursuing shared objectives, sharing performance information and data, and working together to solve problems.

Partnership resourcing in CDYOS is formalised by HR Service Level Agreements (SLAs) in regards to seconded staff. SLAs are reviewed annually.

The Service operates a range of protocols with partners (including courts, health, Children and Adolescent Mental Health Service (CAMHS), Children's Services (former children's social care) which are regularly reviewed.

'There were good examples of sound and effective operational partnership arrangements. A particularly good example was...housing provision available for young people. This was underpinned by an effective protocol and well integrated practice supported by the availability of plentiful, quality arrangements. The effective working relationships between the YOS and the wider Children's Services were apparent.'
(Peer Review)

Commissioned Services

Our co-commissioned health provision in CDYOS (2017/19) is based on the findings and recommendations of our Health Needs Assessment of young people who offend in County Durham. Jointly lead by Public Health and CDYOS, it has provided, for the first time, a comprehensive analysis of health needs of young people in contact with CDYOS and has enabled us to enter into discussions to commission health services, confident of the needs to be met.

In addition to services commissioned for CDYOS, the service has also been commissioned to deliver training to other services for 2018/19. This includes:

- SLCN awareness/ ClearCut Communication resources, both locally and nationally
- ClearCut Communication resources and/or training have been purchased by over 50 YOTs and a range of other services nationally;
- Restorative Approaches training for partners, including Residential staff;
- Independent Visitors for LAC (using some of our volunteers).

Stronger (Troubled) Families

CDYOS is an active partner in the successful delivery of the Stronger Families programme in County Durham. A Think Family Mentor is aligned to CDYOS, supporting staff in ensuring we 'Think Family'.

Resettlement after Custody

As a result of our multi-agency approach to resettlement, all young people leaving custody in 2017/18 had appropriate accommodation sourced and available prior to release. CDYOS works closely with Housing and Children's Services to ensure young people are effectively resettled.

No young people were remanded to the secure estate in 2016/17 as a result of inappropriate accommodation.

Prevent

Local Authorities, including Youth Offending Services, are subject to a duty under section 26 of the Counter Terrorism and Security Act 2015, in the exercise of their functions, to have 'due regard to the need to prevent people from being drawn into terrorism'.

This duty, known as the Prevent duty, applies to a wide range of public bodies. Within CDYOS this duty is discharged through our casework with young people who have offended and through our membership of partnerships charged with carrying out the Prevent work. All CDYOS staff have been trained in Prevent and the inherent duties through use of e-learning. CDYOS also has two staff trained to deliver 'WRAP' (Workshop to Raise Awareness of Prevent) training which was rolled out to staff during 2017/18. All managers attended a presentation by Dr Dave Sloggett, a leading authority on Prevent, in April 2016.

Case Managers have worked closely with Police and other colleagues when concerns about radicalisation/extremism have been identified with young people and/or families.

Information Sharing

Partnership information sharing protocols/agreements work very well and ensure holistic assessment, intervention and outcomes for young people who offend. Staff have access to a range of case management systems/ databases in CDYOS offices, including:

- All Police intelligence systems inc. PNC, Sleuth, Blue Delta, Red Sigma, Vicman (Police);
- SystemOne (Health);
- ICS/SSID (Safeguarding/ Children's social care);
- Capita ONE (Education);
- Hanlon (DurhamWorks);
- CareDirector Youth (Youth Justice case management system).

Police intelligence systems are available to a group of vetted and suitably trained staff in CDYOS, in addition to Police Officers and Police staff.

The range of case management systems / databases in CDYOS allows staff and secondees to access critical, real time information regarding the young person/family to support management of risk and vulnerability. This ensures holistic assessment and information sharing to improve outcomes for young people in the Youth Justice System.

In addition, CareDirector Youth is available for:

- Emergency Duty Team (EDT);
- All magistrates courts in County Durham for CDYOS access.

DurhamWorks

CDYOS is a Delivery Partner of the DurhamWorks programme (Youth Employment Initiative) and, as a result, significant additional resource is available to support young people who are known to the Service into education, employment and training. This is an exciting development and will continue the steady increase of the number of young people (age 16 to 18 years) in education, employment and training. DurhamWorks ends in July 2018.

National recognition of CDYOS’ work since 2010 includes:

Risks to Future Delivery against Youth Justice Outcome Measures

All public services are facing challenges from reduced funding, and CDYOS is no different. CDYOS budget has reduced by £2.1m (37.4%) since 2010/11. Despite this, CDYOS has continued to improve outcomes for young people who offend, families, victims and communities.

The service has set out realistic priorities for the future, based on the firm foundations built over recent years. These are outlined in this plan.

Risks to future delivery against youth justice outcome measures

Risks have been identified (see table on pages 22-23) and a series of mitigating actions agreed.

In addition there are a number of other actions in place to mitigate risk, including:

- Sector Led Improvement;
- Peer Review;
- Role of CDYOS Youth Justice Consultants;
- HMIP Practice Assessors;
- CDYOS Quality Assurance Framework;
- Involvement in Youth Justice Reform Programme;
- Development work with colleagues in CYPS and across partnerships;
- Workforce Development.

Sector Led Improvement

Involvement in Sector Led Improvement enables CDYOS to keep up to speed with national developments, share good practice and learn from others.

CDYOS is involved in effective practice sharing through the North East Practice Development Group and the Youth Justice Board, involving practice exchange, quality assurance and developing protocols.

The Youth Justice Resource Hub contains examples of good practice in the Youth Justice System, enabling effective practice to be disseminated across the sector. CDYOS' work is included on the hub e.g. our Parenting Support Group (which supports parents who are victims of their child's offending). This resource has been accessed by other youth justice professionals over 350 times (May 2017).

CDYOS Youth Justice Consultants

Youth Justice Consultants have a crucial role in driving forward service improvement and quality of front line practice. They have shared responsibility for the delivery of high quality services; provide senior case management advice and guidance to staff; and play a vital role

in quality assurance for both OOC and post court. They have driven forward service improvements in a range of areas, e.g. AssetPlus; Child Sexual Exploitation (CSE); Speech Language and Communication Needs; interventions; and the voice of the young person in the Youth Justice System.

HMIP Practice Assessors

Two Youth Justice Consultants and a team manager are HMIP Practice Assessors. This helps to mitigate risk by keeping CDYOS' practice up to speed with inspection standards.

CDYOS Quality Assurance (QA) Framework

CDYOS has implemented a Quality Assurance Framework which covers all QA work undertaken by line managers in the service. One element of this is a case audit programme and quarterly thematic audits, including reviewing our practice against HMIP thematic inspections and implementing improvement areas. In 2017/18 we developed and implemented an Out-of-Court Improvement Plan based upon recommendations provided by HMIP as an outcome of the thematic audit of CDYOS undertaken in 2017. In addition, during 2018/19 a self-assessment against the HMIP standards will be undertaken as a matter of priority.

Themed audits to be undertaken in 2018/19 include:

- SEND
- SLCN
- CSE
- Full case file audits
- Substance Misuse
- Outcomes

Both the Management Development programme, for CDYOS managers, and the staff focus sessions will continue throughout 2018/19, as part of our QA framework.

Development work with CYPS and across Partnerships

Development work with colleagues in CYPS includes: developing pathways with One Point; improving outcomes for young people with SEND in the Youth Justice System; work to reduce offending by Looked After Children; and a range of improvement activity. CDYOS is represented on the Children's Services Quality Improvement Champions Network which is improving the quality of assessment, plans, the voice of the child and progress towards outcomes.

Development work with partners includes: work with the Reducing Re-offending Group (desistance pathways etc.) and work with the Child Advocacy Centre.

Workforce Development

An extensive programme of workforce development is in place (including youth justice, CYPS, SEND, LSCB etc.) to ensure CDYOS staff and managers can maintain and develop their skills in a rapidly changing operating environment.

Diversity

CDYOS is committed to meeting the needs of the young people, families and victims with whom we work. All staff have undertaken specialist diversity training for youth offending, SLCN training and, in addition, case managers have undertaken specialist diversity training for assessments. Diversity issues are a specific category on the checklist used by managers to countersign assessments and intervention plans

‘We were extremely impressed by the enthusiasm and dedication of the staff team, who were clearly motivated to provide the best service to meet the needs of the young people engaged with the service. There was substantial evidence from both the staff team and the young people themselves. We heard good evidence of relationship based practice and young people felt their YOS workers were there for them.’

(Peer Review)

'We would like to thank members of the youth offending service for all their help, support and advice. They have all been fantastic... We felt A had not received the right support until working with members of the YOS.

Over the years we have had a variety of agencies working with A, but we have never received such caring, conscientious, understanding and outstanding support that we have received from the youth offending service. We can't praise or thank the staff who have worked with A enough. We are going to miss them, their support and advice immensely. They are a credit to your service.'
(Family of a young person, March 2017)

Review of Performance against the Three Key Indicators

First Time Entrants 2007/08 – 2017/18

As a result of our close work with partners and our fully integrated out of court system which provides assessment and intervention when a young person has gone through formal Police process (e.g. arrest/ Police custody suite), we have reduced first time entrants (FTEs) and re-offending. Our Police Colleagues undertake “restorative approaches” on the street which in turn prevents referral for pre-caution disposals.

Between Oct.11-Sept.12 and Oct.16-Sept.17, we have achieved a **52.1% reduction** in first time entrants, from 290 to 139.

Table 1:

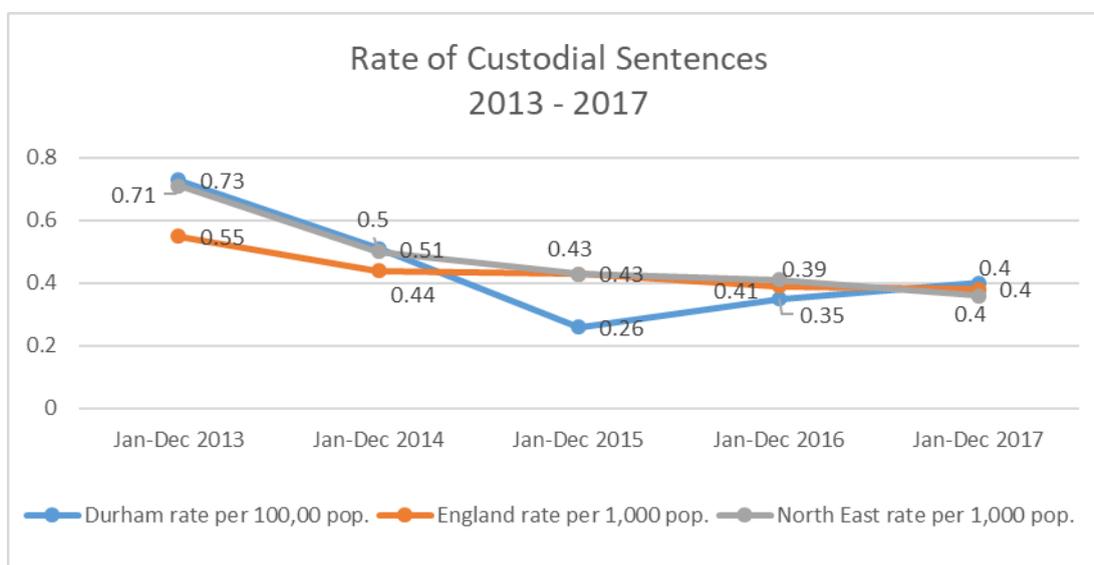

The latest available locally sourced data shows 119 young people entering the Youth Justice System between April 2017 and March 2018 at a rate of 277. This is the lowest ever rate achieved.

Reducing the Use of Custody 2011/12 – 2017/18

Between 2013 and 2017 we have reduced the rate of custodial sentences from 0.73 to 0.4.

The CDYOS performance is on par with the England and North East region at a rate per 1,000 10-17 population of 0.4.

The most up to date locally sourced information (April 2017-March 2018) shows 15 custodial sentences which is a reduction in the rate to 0.35.

We have reduced the number of remand bed nights (Remands to Youth Detention Accommodation) by **33.4%**, on the previous year.

Number of Young People Offending and Offences Committed 2010/11 – 2017/18

Since 2010/11 we have achieved a **56.7% reduction** in the number of offences committed, from 2464 in 2010/11 to 1068 in 2017/18; and a **69.3% reduction** in the number of young people offending, from 1270 in 2010/11 to 390 in 2017/18. This includes **all** offences committed by young people aged 10-17 years, resulting in a Pre Reprimand Disposal (PRD) 2008 - 2013 / Pre Caution Disposal (PCD) 2013 onwards, out of court disposal or a court conviction. Most of these offences had a victim, so that means many fewer victims too.

Reducing Re-offending 2007/08 – 2015/16

Re-offending is measured nationally by the MoJ. and includes all young people who:

- Receive an out of court disposal (N.B. This does not include the Pre Caution Disposal)
- Receive a court conviction
- Were discharged from custody

The measure counts any offences committed in a 12 month follow up period, where those offences are proved by a court conviction or out of court disposal in that period or in a further 6 months. This gives a methodologically robust measure of re-offending.

All data is taken from the Police National Computer (PNC) and is summarised before distribution to youth offending services/teams.

Ministry of Justice (MoJ) data (April 2015 – March 2016 cohort) shows a re-offending rate of **46.4%** which is a **7.6% reduction** compared to the previous year. This is higher than the England rate which is 42.2% but below the North East rate which is 50%.
