Dear Yvonne,

Many thanks indeed for your update on this application.

The City of Durham Parish Council does wish to maintain its objection. We would elaborate that noisy groups of revellers (up to 800) going home at 2am or later creates a public nuisance. Allowing this application would have the inevitable and foreseeable consequence of increasing the noise on the streets. Consequently, the City of Durham Parish Council wishes to continue with its objection.

Yours sincerely,

**Adam Shanley**

**Subject:** Former Walkabout, Durham - Amendments to premises licence application

Dear Sir/Madam

I am writing to you as a person who has submitted a representation to the Licensing Authority in relation to the new premises licence application for Former Walkabout, 13-15 North Road, Durham.

I would advise you that the application has amended the application by adding additional conditions to the application relating to noise control measures at the premises.

I attach full details of the additional conditions for your information.

In light of this amendment to the application, please can you let me know as soon as possible whether:

- a. You still wish to proceed with your representation/objection to this application and proceed to a hearing or,
- b. You wish to withdraw your representation/objection and no longer consider a hearing to be necessary.

If you require any further information, please let me know.

Regards

**Yvonne Raine**
