Hi Karen ,

The one on the left with the barrels on (submitted by Mr Mitchell) is inside the yard itself (we are currently not open to the public), the one in the middle is above the external door on Newgate (it makes no mention of a bar or tap room) and the one on the right (market private) is on one of the doors in the alleyway.

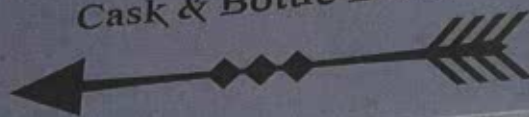

Best regards,

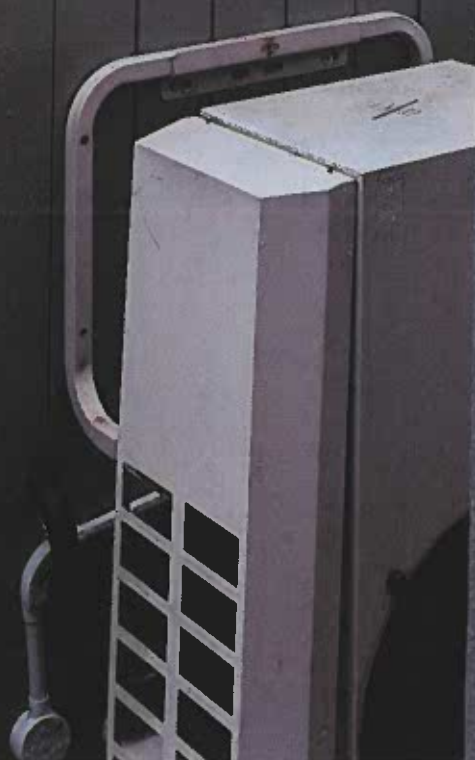

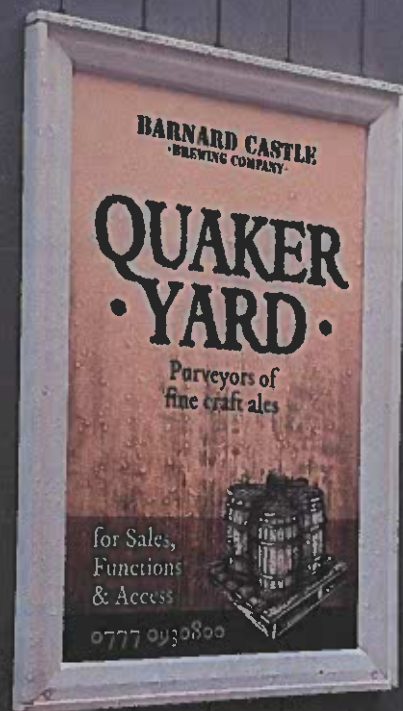

Kevin.

For the attention of Karen Robson.

I am writing to you concerning the Proposed licence of The Barnard Castle Brewing Company on Newgate.

As a fellow independent retailer in Barnard Castle I feel that this would be an asset and should be encouraged.

I do know that there has been some objections but I think that they are mistaken on the impact it will have.

Please do not hesitate to contact me if you need anymore information.

Yours Faithfully
