Belmont

**Purpose of the Report**

An amendment is required to the Belmont Park and Ride Site Access Road Prohibition of Motor Vehicles Order to manage and restrict prohibited vehicles from entry.

**Executive summary**

To amend the current order from prohibition of motor vehicles except buses and electric vehicles to only except buses.

**Recommendation**

Progress to advert.

## **Background**

The Belmont park and ride site access road from the A690 heading in a north easterly direction is currently 'Prohibition of motor vehicles except buses and electric vehicles' this is to be amended to 'Prohibition of motor vehicles except buses'

This has been requested by Durham County Council Traffic Section Manager as the electric charging points have been removed from the car park. This will allow the park and ride service to run un-interrupted and the proposals will reduce any misunderstanding for electric vehicle users wishing to park in this location and charge their motor vehicle.

There is an entrance for all other vehicles approx. 270m to the north east of the service road.
