Yvonne Raire,
Senior Licensing Officer,
P.O. Box 617
Durham
DH1 9HZ.

Market Place,
Barnard Castle,
County Durham,
DL12 8NF,
22nd August 2019.

Dear Madam.

Re:- Application for a Premises Licence
Spice Island Barnard Castle DL12-8NF

I write to confirm our objections still stands
unfortunately we are unable to attend the Hearing
on Thursday 5th September 2019.

We have lived here over 16 years, and Never complained
but since June 2019 our lives have been Hell
they have Demolished the Extractor Chimney and
just left it, when we have complained about Noise
we were told to go away, Is this the behavior of
Responsible People.

There Pot Wash and Smoking Area is Next to One
of our Bedrooms as is the Cellar

We have telephoned the Police, (its logged as a Disturbance) who say it is a Council Matter, the Council have been "Unable to Control" this situation from the outset.

The Perpatrators of these Disturbances are asking you to Grant them a licence to allow them to make Noise legally until 3.00am in the Morning

This is a Residential Area and Planning + licence was turned down three doors away because of it being Residential

Yours Faithfully

S.W. BRUMMITT
