# Annual Governance and Accountability Return for the financial year ended 31 March 2019

---

The annual governance and accountability return on pages 2 to 7 is made up of four sections:

- Sections 1 and 2 are completed by the person nominated by the Joint Committee
- Section 3 is completed by Mazars LLP as the reviewer appointed by the Joint Committee.
- In addition, the internal audit report is completed by the Joint Committee's internal audit provider.

Each Joint Committee must approve Section 1 and Section 2.

### Completing your annual governance and accountability return

Guidance notes, including a completion checklist, are provided on page 7 and at relevant points in the annual governance and accountability return.

Complete all highlighted sections. Do not leave any highlighted box blank. Incomplete or incorrect returns require additional work and so may incur additional costs.

Send the annual governance and accountability return, together with your bank reconciliation as at 31 March 2019, an explanation of any significant year on year variances in the accounting statements and any additional information requested, to us, Mazars LLP by the due date.

We will identify and ask for any additional documents needed for our work. Therefore, unless requested, do not send any original financial records.

Once we have completed our work, the certified annual governance and accountability return will be returned to the Joint Committee for publication and public display of Sections 1, 2 and 3. It is recommended that you publish and display the annual governance and accountability return, including the external auditor's report, by 30 September 2019.

It should not be necessary for you to contact us for guidance.

***\*Please note that this annual governance and accountability return is a variant of the version produced by JPAG for parish councils and other smaller authorities. As joint committees are not covered by JPAG's Practitioner's Guide it does not part of proper practice defined in the Practitioner's Guide.***

### Respective responsibilities of the Joint Committee and the reviewer

The Joint Committee has taken on the responsibility of ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The Joint Committee prepares a return which:

- summarises the accounting records for the year ended 31 March 2019; and
- confirms and provides assurance on various governance matters in accordance with generally accepted good practice.

This report has been produced in accordance with the terms of our engagement letter dated 1 April 2019 (“the Engagement Letter”) and in accordance with the International Standard on Related Services 4400 applicable to agreed-upon-procedures engagements as published by IAASB.

We have performed the following work in respect of the annual governance and accountability return prepared by the Joint Committee:

- agreed the bank reconciliation to the annual governance and accountability return and bank statements;
- agreed the annual governance and accountability return to the trial balance or ledger;
- ensured the trial balance and accounting statements add up;
- agreed any precept or other income from local taxation / levy to the funding body;
- agreed any loans to the Public Works Loan Board or whoever the loan is with;
- checked the comparative figures to prior year accounts;
- undertook an analytical review of the figures and investigate variances above agreed tolerance levels;
- ensured that the accounting statements and annual governance statement have been signed and dated as required;
- investigated any no answers in the Annual Governance Statement; and
- investigated any no answers in the Internal Audit Report.

The bank reconciliation included in the Joint Committee’s submission for audit review did not show the correct bank statement figure for the current account because unrepresented cheques were netted off the balance rather than shown as reconciling items on the reconciliation. The bank reconciliation is a key management control and in future the Joint Committee should ensure that it is prepared correctly as part of the submission.

We have not subjected the information contained in our report to checking or verification procedures except to the extent expressly stated above and this engagement does not constitute an audit or a review and, as such, no assurance is expressed. Had we performed additional procedures, an audit or a review, other matters might have come to light that would have been reported.

You were responsible for determining whether the agreed upon procedures we performed were sufficient for your purposes and we cannot, and do not, make any representations regarding the sufficiency of these procedures for your purposes.

Our report is prepared solely for the confidential use of the Joint Committee. Our report must not be used for any purpose other than for which it was prepared or be reproduced or referred to in any other document or made available to any third party without the written permission of Mazars LLP.

We accept no liability to any other party who is shown or gains access to this report.
