  - Note the content of the Annual Report

## **Background**

- 8 In March 2016, Durham County Council's Children's Services were inspected by OFSTED who found that services required improvement. Their report made fourteen recommendations including: "Review existing arrangements to ensure that political and senior leaders have access to improved quantitative and qualitative performance information that enables them to have an accurate picture of the current practice delivered to children, so that they can develop strategies to maintain and improve the quality of front-line practice."
- 9 Following the publication of the Ofsted Inspection report an Ofsted Improvement Plan was developed and was grouped into four themes, including The Strengthening Political and Management Oversight theme. Benchmarking was undertaken, and as a result changes were made to political oversight arrangements, including the functions, membership, governance and administration of the Corporate Parenting Panel. Work has also been undertaken to raise the profile of the Corporate Parenting Panel's work.
- 10 Further work has been done following the approval of changes to the constitution, and terms of reference for the Corporate Parenting Panel were agreed, which incorporates all aspects of the constitutional changes. The terms of reference include the functions described in the Constitution with the responsibilities of the Corporate Parenting Panel in relation to each of the functions clearly set out.
- 11 The terms of reference make specific reference that the Corporate Parenting Panel will prepare and provide an annual report that will be shared with Council, Cabinet and Scrutiny.

## **Development of the Annual Report**

- 12 To ensure the voice of the child is reflected in the work of the Corporate Parenting Panel, it was agreed that young people from the Children in Care Council, supported by officers from Transformation and Partnerships, would develop the Corporate Parenting Panel's Annual Report for 2017-18.
- 13 The young people worked on the design, content and language of the Annual Report to ensure it was easy to read and understand.
- 14 The Annual Report was well received, and a decision was made to follow a similar process for the development of the Annual Report for 2018-19.

- 15 To ensure we continue to raise the profile of the Corporate Parenting Panel, the Durham County Council Communications and Marketing Team have been involved in the development of the 2018-19 Annual Report to ensure it follows a more corporate format, whilst ensuring it uses language and design which is also appealing to young people.
- 16 The Annual Report will hold a more prominent position on the Durham County Council website, and will again be hosted on the Investing in Children Website, and the Children in Care Council website.
