

## **Delegated Decision**

**08 November 2019**

**Granting Of A Section 50 Licence To  
Install New Private water Supply  
connection for Aynsley Terrace/Barr  
House Avenue, Consett, County  
Durham**

**Ordinary Decision/Key Decision No.**

---

### **Report of Network Management**

**Brian Buckley, Strategic Highways Manager**

#### **Electoral division(s) affected:**

Consett North

#### **Purpose of the Report**

- 1 To seek approval to grant a licence in accordance with Section 50 of the New Roads and Street Works Act 1991 (NRSWA) to enable Emma Martin to install a private water supply connection within the adopted highway.

#### **Executive summary**

- 2 An application to install a private water supply connection in Aynsley Terrace, Consett, County Durham has been submitted by Derek Martin, Aynsley Terrace, Consett, DH5 8NF.

#### **Recommendation**

- 3 In line with legislation allowing the installation of apparatus in the highway I suggest the application be permitted in accordance with current practice and procedure.

## Background

- 4 It is illegal to dig up the adopted highway without consent of the Highway Authority (Highways Act 1980 Section 131). The installation of apparatus within the highway is permissible under Section 50 of the New Roads And Street Works Act 1991 upon request / consent of the Highway Authority.

## Details of any alternative options considered and rejected when making the decision

- 5 As the works are not being undertaken by a statutory undertaker, there is no alternative other than to consider the apparatus as private, until such times as the connections are adopted by a statutory undertaker. Therefore, a licence under Section 50 of the New Roads and Street Works Act is required to authorise and control the proposed works.

## Main implications

### *Legal Implications*

- 6 A standard S50 Licence is to be signed by both parties and sealed. Details of the agreement are to be registered with the land registry, as appropriate. The Highway Authority is to record the agreement and inform the utility companies accordingly upon request about private apparatus in the highway

### *Finance Implications*

- 7 A licence fee of £824 has been paid. This licence fee incorporates administration, inspection, registration and legal fees. A cash bond of £2,500 has also been obtained to cover the reinstatements to be completed

## Conclusion

- 8 Decision to grant a licence in line with Section 50 of the New Roads And Street Works Act 1991. This section of the Act permits the installation of apparatus in the highway in line with the terms and conditions imposed by the Highway Authority for County Durham.
