Purpose of the Report

1) The purpose of this report is to present the draft Safe Durham Partnership Plan (SDPP) 2020-25 for comment. The committee will receive a presentation at the meeting. The draft plan is attached as Appendix 2.

Executive summary

2) Section 6 of the Crime and Disorder Act 1998 requires the responsible authorities (commonly referred to collectively as a Community Safety Partnership (CSP)) in a local government area to work together in formulating and implementing strategies to tackle local crime and disorder in the area. In County Durham this is the Safe Durham Partnership.

3) The 2007 Regulations set out the way in which the responsible authorities should carry out their functions as a CSP under Section 6 of the Act, and require the preparation of:

(a) a partnership plan for the local government area, setting out the CSP’s priorities.

(b) a county level community safety agreement, setting out the ways the responsible authorities in the county might work more effectively to implement the identified priorities by joint working.

4) The Safe Durham Partnership Board has the responsibility for delivering the SDPP, which is informed by a strategic assessment as part of Durham Insight.

5) The SDPP has been aligned to the Director of Public Health Annual Report 2018 and the Durham Vision 2035.
6) The priorities within the plan will remain in place for a year whilst the strategic governance review takes place, following the agreement of the Vision 2035 by the County Durham Partnership.

**Recommendation**

7) Members of the Safer and Stronger Communities Overview and Scrutiny Committee are recommended to provide comment on the draft SDPP to andrea.petty@durham.gov.uk or julie.bradbrook@durham.gov.uk by 14 February 2020.
Background

8) The County Durham Vision 2035 is a document developed with partners as a shared vision for the next 15 years with three strategic ambitions:

(a) More and Better jobs  
(b) People live long and independent lives  
(c) Connected communities

The SDPP will take forward the Vision ambitions and objectives relating to community safety.

9) The Crime and Disorder Act 1998 placed a statutory duty on local authorities to form a Community Safety Partnership (CSP) to tackle crime, disorder, anti-social behaviour, substance misuse, other behaviour adversely affecting the local environment and to reduce re-offending. In County Durham, the CSP is the Safe Durham Partnership.

10) The Safe Durham Partnership has a duty to develop an annual strategic assessment of the key risks and threats that crime and disorder pose to the communities of County Durham and a duty to produce and publish a plan which sets out the strategic approach that will be used to tackle crime and disorder throughout the County.

11) The SDPP is informed using the evidence base in Durham Insight which is the online shared intelligence, research and knowledge base for County Durham. The site provides users an easy way to access and share information, intelligence, research and knowledge for deeper insights about their local area or communities. Durham insight informs and supports our Strategic Assessment, which is used to inform the SDPP.
