

## **Budget Amendment for Durham County Council Conservative Group**

### **MTFP 10**

#### **Amendment 3**

The Council, in respect of the Cabinet's 2020/21 budget and MTFP 10 to consider :

#### **Investment**

##### ***(a) AAP Youth Funds***

Remove the proposed £100,000 ongoing revenue proposal to establish a youth parliament and instead provide this funding to Area Action Partnerships to augment their existing youth funds – for more localised investment.

This budget amendment is a reallocation of proposed expenditure within the 2020/21 budget and there is no impact on the 2020/21 net budget requirement or the MTFP model.
