Evenwood

Purpose of the Report

- 1 To seek approval to grant a licence in accordance with Section 50 of the New Roads and Street Works Act 1991 (NRSWA) to enable Miss Jaqueline Thompson and Quantum Power Connections Ltd to install a private electric connection within the adopted highway.

Executive summary

- 2 An application to install a private electric connection in B6282 Toft Hill Lane, Toft Hill, Bishop Auckland, County Durham has been submitted by Miss Jaqueline Thompson (High Farm Holiday Park), High Farm, Toft Hill, Bishop Auckland, DL14 0QA and Quantum Power Connections Ltd, Unit 60 Blue House Point Road, Portrack Lane, Stockton On Tees, Cleveland, England, TS18 2QL

Recommendation

- 3 In line with legislation allowing the installation of apparatus in the highway I suggest the application be permitted in accordance with current practice and procedure.

Background

- 4 It is illegal to dig up the adopted highway without consent of the Highway Authority (Highways Act 1980 Section 131). The installation of apparatus within the highway is permissible under Section 50 of the New Roads And Street Works Act 1991 upon request / consent of the Highway Authority.

Details of any alternative options considered and rejected when making the decision

- 5 As the works are not being undertaken by a statutory undertaker, there is no alternative other than to consider the apparatus as private, until such times as the connections are adopted by a statutory undertaker. Therefore, a licence under Section 50 of the New Roads and Street Works Act is required to authorise and control the proposed works.
