

## Index of Multiple Deprivation (IMD) 2019

[Return to Look-](#)

Index of Multiple Deprivation 2019 - Overall Decile  
(most deprived nationally)

See 'Weighting' below (row 42)

Income Overall Score IMD Income Rank IMD (County Durham) Income Rank IMD (England)	-The Income Deprivation Domain measures the proportion of the population experiencing deprivation relating to low income. The definition of low income used includes both those people that are out-of-work, and those that are in work but who have low earnings (and who satisfy the respective means tests).
Employment Overall Score IMD Employment IMD Rank (County Durham) Employment IMD Rank (England)	-The Employment Deprivation Domain measures the proportion of the working-age population in an area involuntarily excluded from the labour market. This includes people who would like to work but are unable to do so due to unemployment, sickness or disability, or caring responsibilities.
Education Overall Score IMD Education IMD Rank (County Durham) Education IMD Rank (England)	-The Education, Skills and Training Deprivation Domain measures the lack of attainment and skills in the local population. The indicators fall into two sub-domains: one relating to children and young people and one relating to adult skills.
Health Overall Score IMD Health IMD Rank (County Durham) Health IMD Rank (England)	-The Health Deprivation and Disability Domain measures the risk of premature death and the impairment of quality of life through poor physical or mental health. The domain measures morbidity, disability and premature mortality but not aspects of behaviour or environment that may be predictive of future health deprivation.
Crime Overall Score IMD Crime IMD Rank (County Durham) Crime IMD Rank (England)	-The Crime Domain measures the risk of personal and material victimisation at local level.
Housing Overall Score IMD Housing IMD Rank (County Durham) Housing IMD Rank (England)	-The Barriers to Housing and Services Domain measures the physical and financial accessibility of housing and local services. The indicators fall into two sub-domains: 'geographical barriers', which relate to the physical proximity of local services, and 'wider barriers' which includes issues relating to access to housing such as affordability.
Environment Overall Score IMD Environment IMD Rank (County Durham) Environment IMD Rank (England)	-The Living Environment Deprivation Domain measures the quality of the local environment. The indicators fall into two sub-domains. The 'indoors' living environment measures the quality of housing; while the 'outdoors' living environment contains measures of air quality and road traffic accidents.
Income Deprivation Affecting Children Index (IDACI) Overall Score IMD Income Deprivation Affecting Children Index (IDACI) Rank (County Durham) Income Deprivation Affecting Children Index (IDACI) Rank (England)	The Income Deprivation Affecting Children Index (IDACI) measures the proportion of all children aged 0 to 15 living in income deprived families. It is a subset of the Income Deprivation Domain which measures the proportion of the population in an area experiencing deprivation relating to low income. The definition of low income used includes both those people that are out-of-work, and those that are in work but who have low earnings (and who satisfy the respective means tests).
Income Deprivation Affecting Older People Index (IDAOPI) Overall Score IMD Income Deprivation Affecting Older People Index (IDAOPI) Rank (County Durham) Income Deprivation Affecting Older People Index (IDAOPI) Rank (England)	The Income Deprivation Affecting Older People Index (IDAOPI) measures the proportion of all those aged 60 or over who experience income deprivation. It is a subset of the Income Deprivation Domain which measures the proportion of the population in an area experiencing deprivation relating to low income. The definition of low income used includes both those people that are out-of-work, and those that are in work but who have low earnings (and who satisfy the respective means tests).
