PCC Decision Records

Report of the Police and Crime and Commissioner

Purpose

1. To update Panel Members on the Police and Crime Commissioner's decision register for 2021-22 and address the forward plan.

Background

2. Key decisions are made at an Executive Board comprising the PCC, the PCC's Chief Executive, the Chief Constable, and the Joint Chief Finance Officer. Other officers of the PCC or the Chief Constable will attend as and when required. On occasion it is necessary to take decisions outside of this process for reasons of expediency, but all relevant parties are consulted and informed.

Decision Making Process

3. All key decisions are supported by a report setting out the decision required, all relevant factors to be considered, the outcome of any consultation undertaken and the risks and implications of the course of action being recommended.
4. An online record is maintained of all key decisions taken by the OPCC. This includes a link to any documents which are disclosable under FOI. This record includes decisions taken by the PCC or any person to whom delegated powers have been granted.
5. The PCC will consider holding public meetings when this will provide a means of consultation on decisions (i.e. precept consultation) where there is a clear interest in actively seeking views of the community.
6. The PCC may choose to delegate powers to any deputy appointed, her statutory officers or a senior member of police staff.
7. A record is kept of all decisions made under delegated powers detailing the factors taken into consideration, including any consultation carried out.
8. Decisions to be made by the PCC will relate in the main to his statutory functions and financial responsibilities. A Forward Plan for key decisions to be taken over a 3 month period will be published on the PCC's website.
9. Generally Key decisions are likely to include:

- The preparation, drafting and issuing of the Police and Crime Plan
