## **Internal Audit Charter**

---

### **Report of Stephen Carter, Interim Chief Internal Auditor & Corporate Fraud Manager**

#### **Electoral division(s) affected:**

Countywide

#### **Purpose of the Report**

- 1 The purpose of this report is to seek agreement on the revised Internal Audit Charter to take immediate effect and to be applied to reviews undertaken as part of the Internal Audit plan for 2021/22.

#### **Executive Summary**

- 2 The Internal Audit Charter defines the Internal Audit Service's purpose, authority and responsibility. It establishes Internal Audit's position within the organisation, including the nature of the Chief Internal Auditor and Corporate Fraud Manager's functional reporting relationship with the Joint Committee; authorises access to records, personnel and physical properties relevant to the performance of engagements; and defines the scope of internal audit activities.
- 3 The Charter reflecting the changes made to the PSIAS in 2017 was previously considered by the Joint Committee at its meeting of 07 October 2020. The Charter is subject to annual review by the Chief Internal Auditor and Corporate Fraud Manager. On this occasion, with no new revisions made to the PSIAS, it is considered that no further amendments to the Charter are required.

#### **Recommendation**

- 4 It is recommended that in considering the content of the report, the Joint Committee approve the Internal Audit Charter attached at Appendix 2.

## Background

- 5 The Public Sector Internal Audit Standards (PSIAS), that came into effect from April 2013, and which were subsequently revised from 01 April 2017, define internal audit as,

‘an independent, objective assurance and consulting activity designed to add value and improve an organisation’s operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes’.
