Appendix 1: Implications

Legal Implications

The case of Daniel Thwaites Plc v Wirral Borough Magistrates' Court (Case No: CO/5533/2006) at the High Court of Justice Queen's Bench Division Administrative Court on 6 May 2008, [2008] EWHC 838 (Admin), 2008 WL 1968943, Before the Honourable Mrs Justice Black.

In this case it was summed up that:

A licensing authority must have regard to guidance issued by the Secretary of State under section 182. Licensing authorities may depart from it if they have reason to do so but will need to give full reasons for their actions.

Furthermore the Thwaites case established that only conditions should be attached to a licence with a view to promoting the Licensing objectives and that 'real evidence' must be presented to support the reason for imposing these conditions.

This judgement is further supported in the case of The Queen on the Application of Bristol Council v Bristol Magistrates' Court, CO/6920/2008 High Court of Justice Queen's Bench Division The Administrative Court, 24 February 2009, [2009] EWHC 625 (Admin) 2009 WL648859 in which it was said:

'Licensing authorities should only impose conditions which are necessary and proportionate for the promotion for licensing objectives'.

In addition to this, it was stated that any condition attached to the licence should be an enforceable condition.

Consultation

The premises licence application was subject to a 28 day consultation in accordance with the Licensing Act 2003 and its regulations.

The Responsible Authorities were consulted on the application.

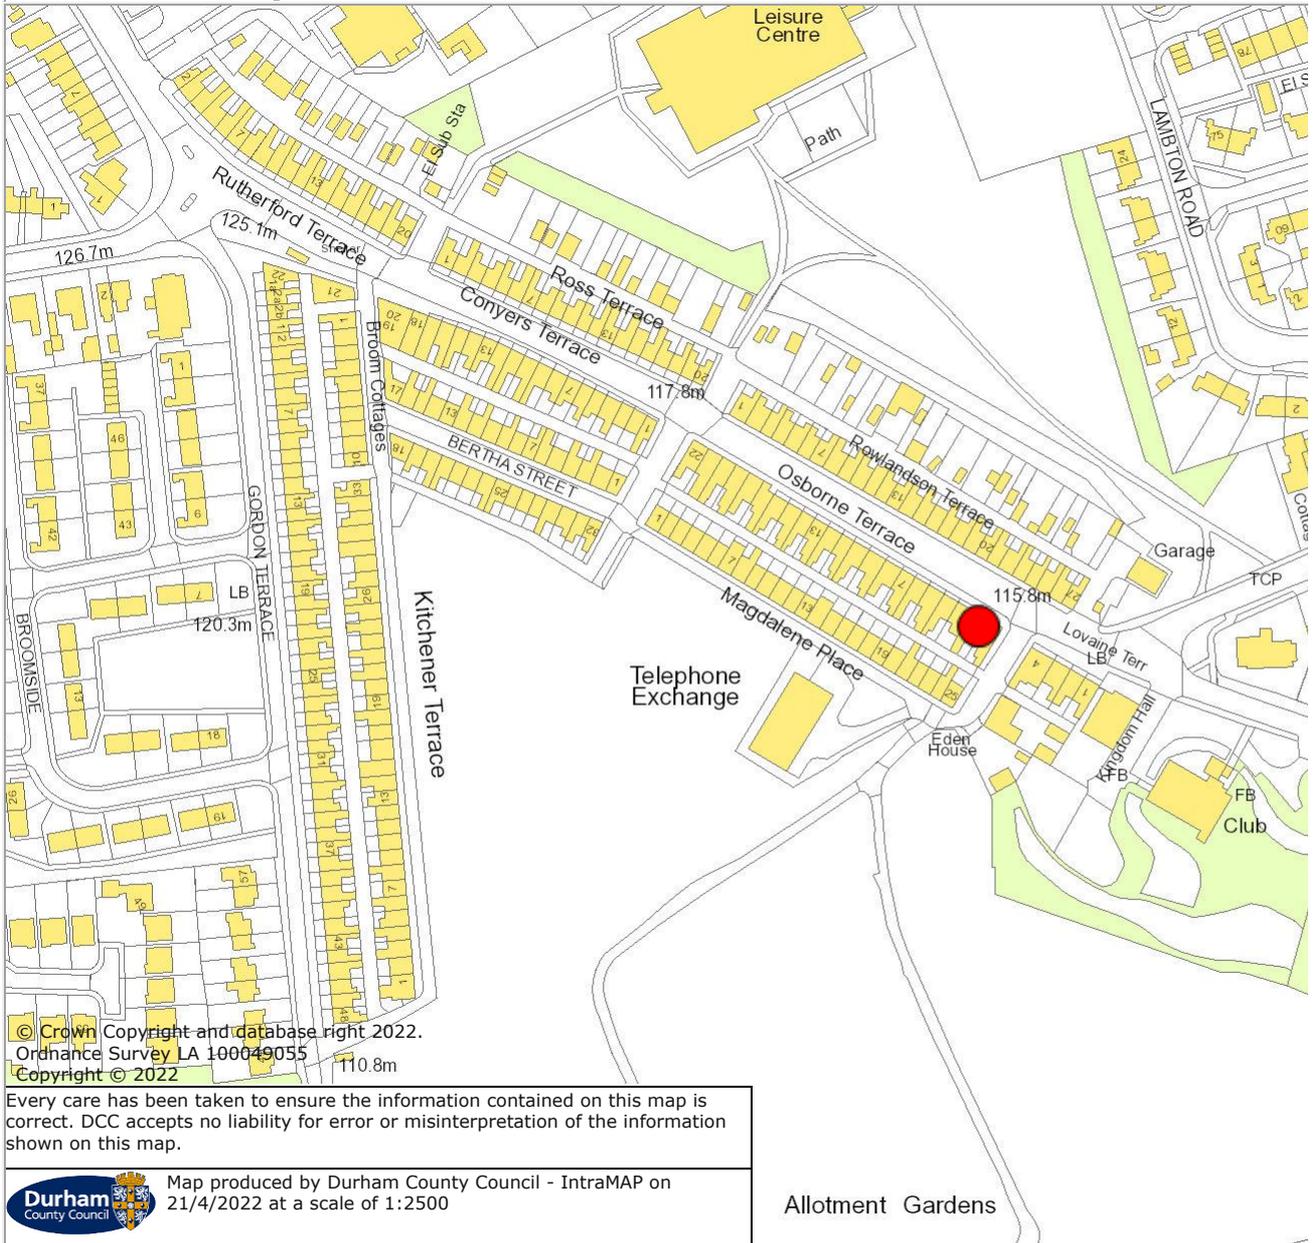

The notice of application was displayed on the premises for a period of 28 days.

Notice of the application was published in a newspaper which was circulated within the vicinity of the premises.

In addition, details of the application were available to view on the Council's website throughout the 28 day consultation period.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].

- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.

- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

To whom it may concern,

Durham Constabulary wish to object to the application for a premises licence at Go Local, 2 Osbourne Terrace, Ferryhill, Durham under the prevention of crime and disorder and protection of children from harm licensing objectives. I have delegated authority from the Chief Constable of Durham Constabulary, a responsible authority under the Licensing Act 2003.

The application proposes the licensable activity of alcohol sales from 6am to 11pm each day with the designated premises supervisor named as Iruthayanathan Clustan

The concerns of Durham Constabulary are as follows,

The owners of the shop already have a current premises licence on the property (DCCC/PLA0474) which was granted/issued on 4th December 2018 with the premises licence holder (PLH) shown as Carly HESHANTH and her husband shown as the designated premises supervisor (DPS) with daily alcohol sales from 7am until 10pm.

To our knowledge the applicant Iruthayanathan Clustan has a tenancy in place for Go Local, 2 Osbourne Terrace, Ferryhill, Durham.

The PLH of the existing licence was made aware of underage sales taking place at the premises by the tenants which has been evidenced via the shops CCTV system, that the PLH has access too.

Durham Constabulary are in receipt of this evidence of underage sales with a total of 4 offences taking place on 15th October 2021, twice on 27th October 2021 and a further incident on 30th October 2021. The sales relate to alcohol and vape products.

The CCTV evidence from these incidents were of sufficient weight that fixed penalty notices were issued by Durham Constabulary on 30th December 2021

In particular, the sales that took place of 15th October 2021 were of significant concern, where 4 litres of vodka were sold to two, 14-year-old females which is not only an offence but highly irresponsible and a huge safety risk.

The footage of all these offences will be produced by Durham Constabulary should it be required by licensing committee.

Durham Constabulary have also been made aware that the tenants have since turned off the stores CCTV to prevent any further evidence of offences being gathered by the PLH or any responsible authority. CCTV remains a licencing condition on the existing licence.

Durham Constabulary have had contact from the existing PLH regarding the situation at the premises. [REDACTED]

To prevent further age-related offences that could jeopardise the premises licence, the DPS of the existing licence has removed himself from the position and thus removing the ability to sell alcohol from the store by the tenants.

The tenants have now applied for their own premises licence proposing Mr Clustan as the DPS.

This is an unusual set of circumstances and although the tenancy issue is a civil matter, Durham Constabulary cannot support a second premises licence under these circumstances, when one already exists, especially when the proposed PLH/DPS for the second licence has committed offences that have placed the original premises licence and local children at such risk.

Durham Constabulary highly doubt that the licencing objectives have been upheld during parts (if not all) of the tenancy period and have little confidence that the licensing objectives will be upheld if Mr Clustan should be successful in this application despite the application making mention of CCTV and challenge 25 under the proposed licensing conditions.

On 26th February 2022 licensing officer Paul Conroy visited the premise and documented the following on Durham Constabulary's licensing system *alcohol clearly on display amongst some of the reasons were he has a license application in and it was the customers who removed the covers.*

Durham Constabulary are aware that Mr Clustan, during the period where the existing licence has no DPS, has given notice of 6 temporary events to allow for alcohol sales at the premises whilst they are in the process of applying for their own licence application.

Durham Constabulary have objected to all of the notices based on the above evidence but unfortunately due to a procedural error the first 4 notices were granted, the 2 most recent TEN notices which have been submitted were objected to due to the concerns.

In summary there is already a premise licence in place for this premises albeit with no DPS due to the previous DPS requesting to be removed when finding out about the underage sales. The Applicant could request to be the DPS under the current premise licence however has not done so and we can only presume this is due to the ongoing dispute between the owners of the shop and the tenants.

Thankyou

Caroline

Hello,

I would like to propose an objection based on the Protecting children from harm: the applicant and his wife have been fined by the police for selling alcohol to underage children.

I have the fine references if needed as i am the current licence holder for the above property and had to remove my DPS for the above reason. I did this to make sure that all local children where safe and to prevent public harm and children.

I am also the landlord for this above property.

Kind Regards

Good Afternoon,

i emailed last week in regards to the above property and how i am the landlord of the building. I currently have a premises licence myself for the said building and had to remove the DPS back in november due to the tenants who have applied for a new licence selling alcohol to underage children. They (Iruthayanathan and) where issued with fixed fines from the police themselves.

I removed the DPS so that alcohol could not be served at the above premises to protect the local children and also protect my licence its self.

I have now been informed that he has been granted 2 temporary events to sell alcohol from the premises may i ask how this is possible when the building has no dps? He doesnt have a licence yet either?

You can contact Ferryhill Police themselves for the CCTV footage of them selling alcohol to children, and the date and fine number.

I am actually really disappointed with this, as beforehand the council used to have to ask for a lease or some sort of evidence that whoever was applying for the licence was actually allowed in the building i.e, a copy of the lease ect.

Regards
C Heshanth

Hi Karen

Here are the references from Ferryhill Police who issued the fixed £90 penalties back in december.

Obviously if you need more information it would be best to contact them for that.

I have cctv footage if you would like that sending by post on a memory stick as i think the files will be too big to send through email. Or i could drop it off.

Paul Conroy has also got a usb stick with the footage on he did send it to the council back in december also. He is aware of the sales made by the applicant.

Kind Regards,
C Heshanth

Appendix 6: Statement of Licensing Policy

7.1 The Prevention of Crime and Disorder - Licensed premises, especially those offering late night / early morning entertainment, alcohol and refreshment can, if not properly managed, become a source of public nuisance, generating crime and disorder problems. **The council expects** all licensed premises to be properly managed at all times to prevent this from happening and will focus attention on standards of management practice at licensed premises when carrying out its administrative and enforcement functions.

The council encourages, and will look positively on, the provision by licensees of comprehensive and documented staff training. Documented staff training conducted in respect of:

- Preventing underage sales
- Minimising drunkenness
- Managing and resolving conflict
- Emergency procedures
- Compliance with the licence conditions
- Relevant obligations and offences under the Licensing Act, particularly those associated with the sale of alcohol
- Identification and refusal of underage sales
- Use of accredited training courses and recognised industry qualifications (e.g. BII)

The council expects every holder of a premises licence, club premises certificate or temporary event notice to be responsible for minimising the impact of crime, disorder and anti-social behaviour by their patrons both on and within the immediate vicinity of their premises, including for example on the pavement, in a beer garden, a marquee, in a smoking shelter etc.

The **council expects** all applicants to demonstrate, in their operating schedules, that suitable and sufficient measures, ranging from the design and layout of the premises through to the daily operation of the business, have been identified and will be implemented and maintained with the intention of preventing crime and disorder.

The council recommends that procedures to deal with drunken customers, violence and anti-social behaviour, in and outside premises, and the provision of closed-circuit television in certain premises should be considered by applicants, licencees and event organisers when addressing this issue.

The council encourages personal licence holders to actively participate in established "Pubwatch" schemes, where issues relating to crime and disorder can be addressed. **The council encourages** involvement in the "Best Bar None" initiative which enables premises to demonstrate good safe operating procedures. Such schemes have been very successful in reducing the negative impact of alcohol across a range of circumstances.

The council recognises and promotes effective and responsible management of all licensed and authorised premises through competent, efficient and regular instruction, recorded training, supervision of staff and the adoption of good practice,

such as 'Challenge 25'. These are amongst the most important control measures for the achievement of all Licensing Objectives.

The council will take a positive view of anyone who invests in appropriate training, and nationally accredited qualifications tailored to the licensing sector. Training records should be kept available for inspection by relevant enforcement agencies as a matter of good practice.

It is important that qualified and competent people are present who can discuss any problems or matters of concern arising from the licensable activities at or near to the premises with officers from DCC Licensing Services and Police.

The council also considers it to be good practice if the DPS or premises licence holder is present in the licensed area of the premises:

- Between 22:00 hours and closing time, when the premises is one that regularly opens after midnight for both regulated entertainment and the sale or supply of alcohol for consumption on the premises
- At all times when the premises are a "vertical drinking establishment" where little or no seating is provided
- At times where there is a substantial increase in customers i.e. for televised major sporting events etc.

Maximum occupancy: When its discretion is invoked, the council will only impose a maximum number of people that can attend premises or an event where there is a clear and justifiable need in respect of that premises or event. Any such decision will be based on the nature and style of the operation.

The council will consider information provided by the applicant and any other body (the Council's Building Control Section, Environmental Health Section and the Durham and Darlington Fire and Rescue Service) before setting a maximum number. Applicants will be expected to detail the arrangements that would be put in place e.g. provision of door staff to ensure that the permitted number of people attending the premises or event will not be exceeded.

Security: Whenever security operatives/door supervisors are employed at licensed premises to carry out security functions they must be licensed by the Security Industry Authority (SIA). If a licensee directly employs security operatives, they will need to be licensed by the SIA as a supervisor/manager. The numbers of licensed door supervisors, both male and female, required at any premises will be dependent upon the nature of the activities licensed and the characteristics and capacity of the establishment as well as the hours of trading.

Toughened/Safety Glass: Licensed venues that provide the sale or supply of alcohol for consumption on the premises should consider the introduction of toughened/safety glass. This policy expectation applies especially to any premises associated with a higher risk for potential crime and disorder. This will be particularly

relevant for high-volume vertical drinking establishments and those premises open beyond midnight in areas where there is a high concentration of venues.

The council and several of its partners have signed a collective new pledge as part of an ongoing campaign to eradicate single use plastics. The agreement commits all signatories to significantly reduce, and work towards ultimately removing, the use of unnecessary single use plastics from their operations. If alternatives to normal glass are used, the use of suitable alternatives, including non-single use plastics, is encouraged.

Drugs/Knives/Weapons: The council will expect licensees to take all reasonable steps to prevent the presence of drugs on licensed premises and to take appropriate steps to prevent drugs changing hands or consumed within the premises to prevent tragedies and harm because of drug misuse.

The council will expect licensees to be familiar with the Home Office Drug Strategy booklet entitled Safer Clubbing (ISBN 1840827807) or other subsequent editions. The council also expects that licence holders will also take steps to prevent the presence of knives and other weapons on their premises and that a log be kept of all drug, knife and weapon incidents. Licence holders should also consider arranging training for their staff on drugs, knives and weapons and to have policies for dealing with the possession of drugs, knives and weapons and the supply of drugs.

In addition to the information provided above, **Table 1 in Appendix VI** provides recommendations, suggestions and examples for how to prevent the specific crime/disorder outlined. This table is not exhaustive, and every applicant must consider the specific situation, location and circumstances associated with their premises, activities, clientele and workforce when identifying hazards, assessing risks and identifying controls.

7.4 Protection of Children from Harm - the protection of children from harm includes the protection of children from moral, psychological and physical harm. This includes not only protecting children from the harms associated directly with alcohol consumption but also wider harms such as exposure to strong language and sexual expletives (for example, in the context of exposure to certain films or adult entertainment). The Secretary of State's Guidance to the Licensing Act 2003 also makes clear that the authority must also consider the need to protect children from sexual exploitation when undertaking licensing functions.

While the Act does not prohibit children from having free access to any licensed premises, the council recognises that limitations may have to be considered where it appears necessary to protect children from physical, moral or psychological harm and the effects of alcohol on parenting. Applicants must be clear in their operating schedules about the activities and times at which the events would take place to help determine when it is not appropriate for children to enter the premises.

Consideration should also be given to the proximity of premises to schools and youth clubs so that applicants take appropriate steps to ensure that advertising relating to their premises or relating to events at their premises, is not displayed at a time when children are likely to be near the premises.

The council will expect applicants, when preparing an operating schedule or club operating schedule, to set out the steps to be taken to protect children from harm when on the premises. **The council will also expect** any licence holder who wishes to hold events for children to provide it, and the Police, with a detailed risk assessment of that event including how the event will be managed, staffing levels for the event and how any child will be prevented from being exposed to any harm.

The council will give considerable weight to representations about child protection matters particularly from the Local Safeguarding Children's Board who act as the responsible authority under the Act for matters relating to child protection. In addition to the responsible authority whose functions relate directly to child protection, the Director of Public Health may also have access to relevant evidence to inform such representations.

These representations may include, amongst other things, the use of health data about the harms that alcohol can cause to underage drinkers. Where a responsible authority, or other person, presents evidence to the council, linking specific premises with harms to children (such as ambulance data or emergency department attendances by persons under 18 years old with alcohol-related illnesses or injuries), this evidence will be considered. The council will also consider what action is appropriate to ensure this licensing objective is effectively enforced.

In relation to applications for the grant of a licence in areas where evidence is presented, on high levels of alcohol-related harms in persons aged under 18, the council will also consider what conditions may be appropriate to ensure that this objective is promoted effectively.

The council will judge the merits of each separate application before deciding whether to impose conditions limiting the access of children to individual premises where it is necessary to prevent physical, moral or psychological harm.

The council will expect all licence holders or premises, that wish to allow children on to their premises, to ensure that access is restricted where appropriate. This could include ensuring that all children are accompanied and that they do not have access to, or sight of, alcohol. **The council will consider** the following when dealing with a licence application where children may have limited access:

- Limitations on the hours when children may be present.
- Limitations or exclusion when certain activities are taking place.
- Requirements for an accompanying adult to be present.
- Full exclusion of people under 18 from the premises when certain licensable activities are taking place (e.g. entertainment of a sexual nature).
- Limitations on the parts of premises to which children might be given access.
- Any other limitations appropriate to the application and according with the four licensing objectives.

The council recommends that retailers of alcohol ensure that their staff are properly trained in all aspects of responsible retailing, including the sale of alcohol and age restricted sales. The Council fully endorses and promotes knowledge of and adherence to Challenge 25 within the retail business sector.

Further advice and information on age restricted sales and training can be found by contacting Durham County Council's Trading Standards service at trading.standards@durham.gov.uk

The council will work closely with the Police and the Council's Trading Standards service to ensure the appropriate enforcement of the law, especially relating to the sale and supply of alcohol to children. We know alcohol is harmful to the health of children and young people whose minds and bodies are still developing.

Alcohol must not be served to persons under the age of 18, except in limited circumstances allowed by the law, and then only after verifying a person's proof of age e.g. 16 and 17-year-olds may drink beer, wine or cider with a table meal in relevant premises, where accompanied by an adult aged 18 years or over. The currently accepted verifications for proof of age are a passport, a photo card driving licence or a proof of age scheme such as Challenge 25.

The council is aware of a young person's vulnerability to alcohol and events, which are aimed at children under the age of 18 years on licensed premises, will not be supported by the council unless the applicant can demonstrate that all safeguards for children have been addressed (such as the removal of alcohol advertising).

The council, Durham Constabulary Harm Reduction Unit and the Local Safeguarding Children Board have produced a "good practice guide" for an event catering for under-18's and mixed events of under and over 18's. This guide is highly recommended by the council and should be adhered to by licence holders and event organisers. The guide is reproduced in Appendix I.

Recorded staff training programs, the use of a refusals register, in-store signage and limited access to alcoholic drink can all reduce the likelihood of illegal sales and proxy sales and are encouraged by the council.

Access to Cinemas: The 2003 Act requires that any premises showing films must ensure that children are not able to view age restricted films (as classified by the British Board of Film Classification). **The council will expect** any licence holder or applicant who intends to show films to outline suitably robust measures on how they will protect children from exposure to this potential harm. The authority may impose suitable conditions if it believes it is required for the promotion of the four licensing objectives.

The Act provides that it is mandatory for Licensing Authorities to include a condition in all premises licences and club certificates authorising the exhibition of film, for the admission of children to the exhibition of any film to be restricted in accordance with the recommendations given to films either by the British Board of Film Classification or by the council itself.

Should the council need to adopt its own system of film classification the information regarding such classifications will be published on the council's website.

Children and Public Entertainment: Many children go to see and/or take part in entertainment arranged especially for them. For example, children's film shows and dance or drama school productions, and additional arrangements may be required to safeguard them while at the premises. Where many children are likely to be present on any licensed premises, for example a children's pantomime, disco/rave or similar event, the authority expects all children to be supervised by an appropriate number of adults and to ensure that the venues put measures in place to prevent any child being exposed to harm.

Where entertainment requiring a licence is specifically presented for children, the council will normally expect the presence of at least one member of staff from the Licensed premises for every 50 children present to ensure their safety and protection from harm and to control their access and egress from the premises. The council will require those caring for or supervising children to have undergone an appropriate criminal record check with the Disclosure and Barring Service.

Venue operators may also apply their own admissions policy to their premises. If a venue has carried out a risk assessment that deems it appropriate to exclude children or young persons from their premises, then that is a matter for them.

The council will expect all venue operators to risk assess their venues accordingly against the nature of the licensable activities they intend to carry out. This could include, for example, allowing accompanied children into a premise up until a certain time and then excluding them for the rest of the time the premises are open.

Regarding this licensing objective, the council considers Durham County Council Safeguarding Children Board to be the competent authority for matters relating to the protection of children from harm. A protocol exists between Durham Local Safeguarding Children Board and Durham Constabulary. All safeguarding concerns identified because of premises, personal applications and all variations to licences are covered by this protocol.

Applicants are advised to seek advice from the Local Safeguarding Children Board and incorporate any recommendations in their Operating Schedule before submitting their applications.

The council strongly recommends that events, involving persons under the age of 18 years and persons over 18 years, do not take place unless there are sufficient and robust control measures in place. Experience has shown that mixed age events are extremely difficult to control and manage and they have led to persons under the age of 18 being exposed to alcohol and entertainment late into the night.

It is the council's view that mixed age events should not take place within the late-night economy, particularly at venues that are alcohol and entertainment-led and which are operating late at night. It is the council's view that these mixed aged events can have an adverse impact on a young persons wellbeing as well exposing them to unacceptable levels of harms associated with the night time economy.

In addition to the information above, **Table 4 in Appendix VI** provides recommendations, suggestions and examples of how to protect children from each of the dangers outlined. This table is not exhaustive, and every applicant must consider the specific situation, location and circumstances associated with their premises, activities, cliental and workforce when identifying hazards, assessing risks and identifying controls.

Appendix II Framework Hours: recommended terminal hours for the sale of alcohol and the provision of late-night refreshment for different types of premises

Category of Premises	Weekdays*	Weekends*	Bank Holidays*
Premises licensed for the sale or supply of alcohol for consumption on or off the premises e.g. pubs, social clubs and nightclubs	07.00 to 00.00	07.00 to 01.00	Good Friday Plus 1 Hour. For all other bank holidays, an additional hour be added to the terminal hour of the day preceding the bank holiday (i.e. if the Monday is the bank holiday, the Sunday is normal trading plus 1 hour)
Premises licensed for the sale of alcohol for consumption off the premises only e.g. off licences, supermarkets and garages	07.00 to 23.30	07.00 to 00.30	Good Friday Plus 1 Hour. For all other bank holidays, an additional hour be added to the terminal hour of the day preceding the bank holiday (i.e. if the Monday is the bank holiday, the Sunday is normal trading plus 1 hour)
Premises with licences not including the sale or supply of alcohol (community centres, village halls)	07.00 to 00.00	07.00 to 01.00	Good Friday Plus 1 Hour. For all other bank holidays, an additional hour be added to the terminal hour of the day preceding the bank holiday (i.e. if the Monday is the bank holiday, the Sunday is normal trading plus 1 hour)
Premises licensed primarily for late night refreshment e.g. takeaways	01.00	02.00	Good Friday Plus 1 Hour. For all other bank holidays, an additional hour be added to the terminal hour of the day preceding the bank holiday (i.e. if the Monday is the bank holiday, the Sunday is normal trading plus 1 hour)

* **NOTE:** For the purposes of this matrix, weekdays mean Monday to Thursday; Weekends include Friday night into Saturday Morning, Saturday night into Sunday morning and Sunday night into Monday morning; and Bank Holidays means Sunday night into Monday morning and Monday night into Tuesday morning.

Appendix 7: Section 182 Guidance

Crime and disorder

- 2.1 Licensing authorities should look to the police as the main source of advice on crime and disorder. They should also seek to involve the local Community Safety Partnership (CSP).
- 2.2 In the exercise of their functions, licensing authorities should seek to co-operate with the Security Industry Authority (“SIA”) as far as possible and consider adding relevant conditions to licences where appropriate. The SIA also plays an important role in preventing crime and disorder by ensuring that door supervisors are properly licensed and, in partnership with police and other agencies, that security companies are not being used as fronts for serious and organised criminal activity. This may include making specific enquiries or visiting premises through intelligence led operations in conjunction with the police, local authorities and other partner agencies. Similarly, the provision of requirements for door supervision may be appropriate to ensure that people who are drunk, drug dealers or people carrying firearms do not enter the premises and ensuring that the police are kept informed.
- 2.3 Conditions should be targeted on deterrence and preventing crime and disorder including the prevention of illegal working in licensed premises (see paragraph 10.10). For example, where there is good reason to suppose that disorder may take place, the presence of closed-circuit television (CCTV) cameras both inside and immediately outside the premises can actively deter disorder, nuisance, anti-social behaviour and crime generally. Some licence holders may wish to have cameras on their premises for the prevention of crime directed against the business itself, its staff, or its customers. But any condition may require a broader approach, and it may be appropriate to ensure that the precise location of cameras is set out on plans to ensure that certain areas are properly covered and there is no subsequent dispute over the terms of the condition.
- 2.4 The inclusion of radio links and ring-round phone systems should be considered an appropriate condition for public houses, bars and nightclubs operating in city and town centre leisure areas with a high density of licensed premises. These systems allow managers of licensed premises to communicate instantly with the police and facilitate a rapid response to any disorder which may be endangering the customers and staff on the premises.
- 2.5 Conditions relating to the management competency of designated premises supervisors should not normally be attached to premises licences. It will normally be the responsibility of the premises licence holder as an employer, and not the licensing authority, to ensure that the managers appointed at the premises are competent and appropriately trained. The designated premises supervisor is the key person who will usually be responsible for the day to day management of the premises by the premises licence holder, including the prevention of disorder. A condition of this kind may only be justified as

appropriate in rare circumstances where it can be demonstrated that, in the circumstances associated with particular premises, poor management competency could give rise to issues of crime and disorder and public safety.

- 2.6 The prevention of crime includes the prevention of immigration crime including the prevention of illegal working in licensed premises. Licensing authorities should work with Home Office Immigration Enforcement, as well as the police, in respect of these matters. Licence conditions that are considered appropriate for the prevention of illegal working in licensed premises might include requiring a premises licence holder to undertake right to work checks on all staff employed at the licensed premises or requiring that a copy of any document checked as part of a right to work check are retained at the licensed premises.

Protection of children from harm

- 2.22 The protection of children from harm includes the protection of children from moral, psychological and physical harm. This includes not only protecting children from the harms associated directly with alcohol consumption but also wider harms such as exposure to strong language and sexual expletives (for example, in the context of exposure to certain films or adult entertainment). Licensing authorities must also consider the need to protect children from sexual exploitation when undertaking licensing functions.
- 2.23 The Government believes that it is completely unacceptable to sell alcohol to children. Conditions relating to the access of children where alcohol is sold and which are appropriate to protect them from harm should be carefully considered. Moreover, conditions restricting the access of children to premises should be strongly considered in circumstances where:
- adult entertainment is provided;
 - a member or members of the current management have been convicted for serving alcohol to minors or with a reputation for allowing underage drinking (other than in the context of the exemption in the 2003 Act relating to 16 and 17 year olds consuming beer, wine and cider when accompanied by an adult during a table meal);
 - it is known that unaccompanied children have been allowed access;
 - there is a known association with drug taking or dealing; or
 - in some cases, the premises are used exclusively or primarily for the sale of alcohol for consumption on the premises.
- 2.24 It is also possible that activities, such as adult entertainment, may take place at certain times on premises but not at other times. For example, premises may operate as a café bar during the day providing meals for families but also provide entertainment with a sexual content after 8.00pm. It is not possible to give an exhaustive list of what amounts to entertainment or services of an adult or sexual nature. Applicants, responsible authorities and licensing authorities will need to consider this point carefully. This would broadly include topless bar staff, striptease, lap-, table- or pole-dancing, performances involving feigned violence or horrific incidents, feigned or actual sexual acts or fetishism, or entertainment involving strong and offensive language.
- 2.25 Applicants must be clear in their operating schedules about the activities and times at which the events would take place to help determine when it is not appropriate for children to enter the premises. Consideration should also be given to the proximity of premises to schools and youth clubs so that applicants take appropriate steps to ensure that advertising relating to their premises, or relating to events at their premises, is not displayed at a time when children are likely to be near the premises.
- 2.26 Licensing authorities and responsible authorities should expect applicants, when preparing an operating schedule or club operating schedule, to set out the steps to be taken to protect children from harm when on the premises.
- 2.27 Conditions, where they are appropriate, should reflect the licensable activities taking place on the premises. In addition to the mandatory condition regarding age verification, other conditions relating to the protection of children from harm can include:
- restrictions on the hours when children may be present;
 - restrictions or exclusions on the presence of children under certain ages when particular specified activities are taking place;
 - restrictions on the parts of the premises to which children may have access;

- age restrictions (below 18);
- restrictions or exclusions when certain activities are taking place;
- requirements for an accompanying adult (including for example, a combination of requirements which provide that children under a particular age must be accompanied by an adult); and
- full exclusion of people under 18 from the premises when any licensable activities are taking place.

- 2.28 Please see also Chapter 10 for details about the Licensing Act 2003 (Mandatory Licensing Conditions) Order 2010.
- 2.29 Licensing authorities should give considerable weight to representations about child protection matters. In addition to the responsible authority whose functions relate directly to child protection, the Director of Public Health may also have access to relevant evidence to inform such representations. These representations may include, amongst other things, the use of health data about the harms that alcohol can cause to underage drinkers. Where a responsible authority, or other person, presents evidence to the licensing authority linking specific premises with harms to children (such as ambulance data or emergency department attendances by persons under 18 years old with alcohol-related illnesses or injuries) this evidence should be considered, and the licensing authority should also consider what action is appropriate to ensure this licensing objective is effectively enforced. In relation to applications for the grant of a licence in areas where evidence is presented on high levels of alcohol-related harms in persons aged under 18, it is recommended that the licensing authority considers what conditions may be appropriate to ensure that this objective is promoted effectively.
- 2.30 The 2003 Act provides that, where a premises licence or club premises certificate authorises the exhibition of a film, it must include a condition requiring the admission of children to films to be restricted in accordance with recommendations given either by a body designated under section 4 of the Video Recordings Act 1984 specified in the licence (the British Board of Film Classification is currently the only body which has been so designated) or by the licensing authority itself. Further details are given in Chapter 10.
- 2.31 Theatres may present a range of diverse activities and entertainment including, for example, variety shows incorporating adult entertainment. It is appropriate in these cases for a licensing authority to consider restricting the admission of children in such circumstances. Entertainments may also be presented at theatres specifically for children. It will be appropriate to consider whether a condition should be attached to a premises licence or club premises certificate which requires the presence of a sufficient number of adult staff on the premises to ensure the wellbeing of the children during any emergency.

Offences relating to the sale and supply of alcohol to children

- 2.32 Licensing authorities are expected to maintain close contact with the police, young offenders' teams and trading standards officers (who can carry out test purchases under section 154 of the 2003 Act) about the extent of unlawful sales and consumption of alcohol by minors and to be involved in the development of any strategies to control or prevent these unlawful activities and to pursue prosecutions. Licensing authorities, alongside the police, are prosecuting authorities for the purposes of these offences, except for the offences under section 147A (persistently selling alcohol to children). Where, as a matter of policy, warnings are given to retailers prior to any decision to prosecute in respect of an offence, it is important that

each of the enforcement arms should be aware of the warnings each of them has given.
