Dear Ms Upchurch

Thank you for your email consultation regarding the alleged footpath near Ladley Burn, Wolsingham.

I have not walked this alleged path, and have limited experience of walking in this part of the county. However, this is an attractive area, and the alleged path appears also to be an attractive one, readily accessible from Wolsingham. It would offer local people and residents a relatively short circular walk following both sides of Ladley Burn, and I hope that the application will be successful.

Yours sincerely

Dear Josephine,
