## Durham County Council's - Summary

- **Location 1 – Tollgate Fields** - Concerns have been made previously regarding obstructive parking across residents' driveways in this area. The County Council have attempted to resolve this by introducing advisory access protection markings. Unfortunately, motorists on occasion ignore these road markings and park across the driveways leaving residents unable to access their driveways.
- **Location 2 – C12A to Station Road Junction** - There have been concerns raised by West Rainton Parish Council with inappropriate parking on this junction causing visibility issues.

### **Recommendation**

Officers recommend that the Committee resolves to set aside the objection/s and endorse the proposal, in principle, which will then guide the Corporate Director in the exercise of delegated decision making.
