Purpose of the Report

- 1 To provide the Corporate Overview and Scrutiny Management Board (COSMB) with the updated work programme for 2022/2023.

Executive summary

- 2 COSMB review their work programme each year to reflect the objectives and associated outcomes and actions identified within the Council Plan and in the context of the County Durham Vision 2035.
- 3 The proposed COSMB work programme has been framed around the shared County Durham Vision 2035 based on the three strategic ambitions of 'more and better jobs', 'long and independent lives' and 'connected communities'. COSMB's work programme also reflects the fourth ambition which captures our corporate initiatives and the ambition to be an excellent council.
- 4 This year the Council Plan has been refreshed to reflect the political changes in the Council since May 2021 and new initiatives on the environment and climate change.

Recommendations

- 5 COSMB is recommended to:

- a) Receive and comment on the proposed COSMB work programme for 2022/23
- b) Agree the COSMB work programme for 2022/2023 and the flexibility it offers to respond to emerging issues.

Background

- 6 COSMB has a strong focus on the MTFP and service improvement and this will continue in 2022/23. The Board will also contribute to policy development where it can add value and insight.
- 7 The current overview and scrutiny committees work programmes are informed by:
 - Council Plan
 - Cabinet's Notice of Key Decisions
 - County Durham Vision for 2035
 - Partnership plans and strategies
 - Performance and budgetary control data
 - Changes in government legislation
 - Local priorities
- 8 The County Durham Partnership agreed a Vision for County Durham 2035 which sets out our strategic direction and what we would like to achieve over the next 15 years. It was developed with partner organisations and the public. It is structured around three broad ambitions for the people of County Durham.
 - More and better jobs
 - People live long and independent lives
 - Communities are well connected and supportive of each other
- 9 Each ambition contains a number of objectives together with some council specific objectives. Following the refresh of the Council Plan in April 2022, it is now structured around five objectives which capture the three ambitions:
 - Our Economy
 - Our People
 - Our Communities
 - Our Environment
 - Our Council

Council Plan 2022 - 2026

- 10 The Council Plan is the primary corporate planning document for the county council. It details Durham County Council's contribution towards

achieving the objectives set out in the Vision for County Durham 2035 together with its own ambitious agenda. It provides a summary for members, partners and the public of our priorities for the county and the main programmes of work that we will undertake to help achieve these priorities. The Plan will now be refreshed each year to reflect the integration of corporate and financial planning.

- 11 Both the Vision for County Durham and the Council Plan are structured around the three ambitions with an additional ambition of an excellent council. The excellent council ambition captures the corporate initiatives the council has identified and wants to undertake to achieve the ambitions within the vision:
- a) Our resources will be managed effectively
 - b) Create a workforce for the future
 - c) Design our services with service users
 - d) Use data and technology more effectively
 - e) We will build an inclusive and welcoming employee culture
