## **Background**

- 4 CDDFRS undertake a wide range of fire safety activity in relation to homes, communities and businesses across the county. This activity includes free home fire safety visits (previously known as Safe and Wellbeing Visits) to which are predominately delivered by staff including community risk officers and firefighters from local fire stations who during a visit will check for working smoke alarms, provide advice on keeping residents safe from fire within their homes and plan a safe escape in the event of an emergency. Following visits, referrals linked to fire risk within the home can also be made to partner agencies for wellbeing support linked to residents.
- 5 Information within this presentation is linked to the Safe Durham Partnership Plan priority “Promote being safe and feeling safe in your community”, CDDFRS Community Risk Management Plan presented to the Committee at its meeting on 6 December 2021 and previous work undertaken by the Committee on Safe and Wellbeing Visits in 2016/17.
