

Adults Wellbeing and Health Overview and Scrutiny Committee

15 July 2022

Refresh of the Adults Wellbeing and Health OSC Work Programme 2022/23

Report of Paul Darby, Corporate Director of Resources

Electoral division(s) affected:

None

Purpose of the Report

- 1 To provide the Adults Wellbeing and Health Overview and Scrutiny Committee (AWHOSC) with an updated draft work programme for 2022/23.

Executive summary

- 2 AWHOSC review their work programme each year to reflect the objectives and associated outcomes and actions identified within the Council Plan and in the context of the County Durham Vision 2035.
- 3 The proposed AWHOSC work programme has been framed around the shared County Durham Vision 2035 and also reflects the 'long and independent lives' strategic ambition therein. The draft work programme also reflects NHS Partner strategies, priorities and actions that have been developed.
- 4 Overview and scrutiny work programmes are designed to be flexible to accommodate items which may arise throughout the year. This flexibility is particularly important as we have an extensive work programme and we must ensure that we are able to accommodate issues that may arise during the term of the work programme.

Recommendations

- 5 The Adults Wellbeing and Health Overview and Scrutiny Committee is recommended to:

- a) Receive and comment on the proposed Adults Wellbeing and Health OSC work programme for 2022/23 (copy attached at Appendix 2);
- b) Agree the Adults Wellbeing and Health OSC work programme for 2022/2023 and the flexibility it offers to respond to emerging issues;
- c) Consider a topic for in-depth or light touch review activity.

Background

- 6 Scrutiny Committees adapted to change during the pandemic and some of these adaptations have become part of business as usual for the committee such as briefing reports being used to provide information to members of the committee. The AWHOSC work programme is refreshed annually and takes into consideration the priorities of the Committee, areas identified by service groupings and also NHS Partner strategies, priorities and actions that have been developed.
- 7 The current overview and scrutiny committees work programmes are informed by:
 - County Durham Vision for 2035
 - Council Plan
 - Cabinet's Notice of Key Decisions
 - Partnership plans and strategies including those of NHS Partners
 - Performance and budgetary control data
 - Changes in government legislation
 - Key questions for improving performance
- 8 The County Durham Partnership agreed a Vision for County Durham 2035 which sets out our strategic direction and what we would like to achieve over the next 15 years and is written around three broad ambitions for the people of County Durham:
 - More and better jobs
 - People live long and independent lives
 - Connected communities
- 9 Each ambition contains a number of objectives together with some council specific objectives. Following the refresh of the council plan in April 2022,

it is now structured around five objectives which capture the three ambitions:

- Our Economy
- Our People
- Our Communities
- Our Environment
- Our Council

Council Plan 2020-2026

- 10 The Council Plan is the primary corporate planning document for the county council and details Durham County Council's contribution towards achieving the objectives set out in the Vision for County Durham 2035 together with its own change agenda. It aims to provide a readable and accessible summary for members, partners and the public of our priorities for the county and the main programmes of work that we will undertake over the coming three years to help achieve these priorities.
- 11 Both the Vision for County Durham and the Council Plan are structured around the three ambitions which are mentioned above and below are the relevant objectives that apply to the AWHOSC:-

People will have long and independent lives

- We will promote positive behaviours;
 - We will tackle the stigma and discrimination of poor mental health and build resilient communities
 - Better integration of health and social care services;
 - People will be supported to live independently for as long as possible by delivering more homes to meet the needs of older and disabled people.
- 12 The Council Plan has been structured around 5 objectives: Our Economy; Our People; Our Communities; Our Environment and Our Council. The key Council Plan objective for AWHOSC is Our People – wanting residents to live long and independent lives and in good health, protecting and improving residents health whilst tackling leading causes of illness and death; tackling health inequalities caused by the pandemic including mental health challenges; building our strong record for integrating health and social care and by building on the support the Council has provided to the care sector, ensuring we have a high quality care market that is sustainable for the future.

Current Work Programme

- 13 In addition to providing a scrutiny role for activity of the Council, the Committee is also the designated Health Scrutiny Committee for the Council for the purposes of the Health and Social Care Act 2012. The Committee therefore leads on the review and scrutiny of NHS Services, Adult Social Care, Health inequalities and improvement and Public Health Services.
- 14 During 2021/2022, the AWHOSC prioritised items to be considered at a reduced number of formal meetings due to the size of the work programme. Reports on other items were circulated via email to members. The committee has undertaken budgetary and performance monitoring, responded to consultations and considered overview and progress monitoring reports and presentations in relation to the following:
- 15 In depth and light touch scrutiny reviews including updates were:
- Scrutiny Review of GP Services across County Durham
- 16 Consultations
- NHS Foundation Trust Quality Account 2020/21 responses and 2021/21 priorities for
 - North East Ambulance Service NHS FT
 - County Durham and Darlington NHS FT
 - Tees Esk and Wear Valleys NHS FT
- 17 Overview Activity:-
- Overview and Scrutiny Review of Access to GP services in County Durham
 - An Overview of Adult Social Care
 - An Overview of Public Health Services
 - Winter Planning and the work of the Local Accident and Emergency Delivery Board
 - Shotley Bridge Community Hospital updates
 - Local Outbreak Management Plan updates
 - Health Protection Annual Assurance Update
 - North East and North Cumbria Integrated Care System
 - Tees, Esk and Wear Valleys Inspection CQC Improvement Plan update
 - NHS Dentistry Services – Availability and Access
 - Improving access to Primary Access

- QWELL – Digital Mental Health Services for Adults
- County Durham and Darlington Adult Mental Health Rehabilitation and Recovery Services (Primrose Lodge, Chester-le-Street)
- Director of Public Health Annual Report
- County Durham and Darlington NHS FT – No Not Attempt CPR Policy
- North East Ambulance Service NHS FT – 999/111 services – System processes, demand, capacity and performance.

18 Budgetary and performance monitoring:

- Quarterly budgetary monitoring for the Adults and Health service grouping.
- Quarterly corporate performance monitoring overview for the Adults and Health service grouping.

19 The Adults Wellbeing and Health OSC has also considered the following areas which cut across objectives within the Council Plan or the remit of other Overview and Scrutiny Committees:-

- Children and Adolescent Mental Health Services (CAMHS)
- Leisure Transformation
- Alcohol and Drug Harm Reduction Group Update

Areas for consideration in the Adults Wellbeing and Health Overview and Scrutiny Work Programme

- 20 Members of the AWHOSC are asked to agree the proposed work programme for 2022/23 that has been prepared and is attached at Appendix 2. The work programme is very comprehensive drawing on topical areas across the remit of the committee and it should be noted that it is also flexible.
- 21 Paragraphs 15 to 19 of the report identifies the activity undertaken by the Committee during 2021/22. The committee is asked to consider areas and review topics for inclusion in the work programme for 2022/23 in light of the current Council Plan and Vision for County Durham 2035. It is also important that members are able to respond to any statutory health service plans and/or consultations that are received during the course of the year.
- 22 Members are encouraged to identify areas of scrutiny investigation (in depth and light touch reviews) from the work programme. However, it is

anticipated that input from the thematic OSCs will be required into the Medium Term Financial Plan (MTFP) 13 development and beyond. This might include more detailed examination of budgets against the context of ongoing financial pressures faced by the Council and the need to identify further efficiencies or areas of income generation. This would impact on the committee's intention to carry out review activity in other areas for this work programme.

- 23 In relation to consideration of the involvement of the Committee in the examination of budgets, members will find attached to this report at Appendix 3 a presentation which will be given to members by the Finance Manager, Adults and Health Services to provide more information.

Conclusion

- 24 The work programme identifies areas of work that fall within the remit of the AWHOSC and is flexible in its delivery.
