Highway Adoptions

Ordinary Decision

Report of Neighbourhoods & Climate Change

Paul Watson, Strategic Highways Manager

Electoral division(s) affected:

Willington and Hunwick

Purpose of the Report

To consider those developments/schemes which have been proposed by developers and which require Section 38/278 Agreements to be entered into with them under the provisions of Section 38 & 278 of the Highways Act 1980 for the construction and subsequent adoption of the roads and footpaths, etc. which they are developing.

Recommendation

The details of the proposed works at Willington have been checked by Nick Bennions from the Highway Adoptions Section, Neighbourhoods & Climate Change and are considered to be in accordance with Durham County Councils standards and specifications.

I therefore recommend that the Section 38/278 Agreements which will allow the works to proceed be entered into.
