Ordinary Decision/Key Decision No.

Report of Network Management

Danny Harland, Highway Network Manager

Electoral division(s) affected:

Consett North

Purpose of the Report

- 1 To seek approval to grant a licence in accordance with Section 50 of the New Roads and Street Works Act 1991 (NRSWA) to enable HAB Northern Ltd to install new sewer pipe in the adopted highway.

Executive summary

- 2 An application to install new sewer pipe in Unc Ashdale Road, Consett has been submitted by HAB Northern Ltd, Teesside Grange, Eaglescliffe, TS16 0QH.

Recommendation

- 3 In line with legislation allowing the installation of apparatus in the highway I suggest the application be permitted in accordance with current practice and procedure.

Background

- 4 It is illegal to dig up the adopted highway without consent of the Highway Authority (Highways Act 1980 Section 131). The installation of apparatus within the highway is permissible under Section 50 of the New Roads And Street Works Act 1991 upon request / consent of the Highway Authority.

Details of any alternative options considered and rejected when making the decision

- 5 As the works are not being undertaken by a statutory undertaker, there is no alternative other than to consider the apparatus as private, until such times as the connections are adopted by a statutory undertaker. Therefore, a licence under Section 50 of the New Roads and Street Works Act is required to authorise and control the proposed works.
