Hi Dagmar,

Hope you are well.

I do not have any objection to the route, 'Nanny Poes Lonnen' becoming a Restricted Byway. The British Horse Society would also welcome this.

Regards

Sylvia

Dear Sylvia,

We have decided to re consult on making Nanny Poes Lonnen a Restricted Byway rather than Bridleway after a review of the evidence and are going to go back to committee probably in September to seek a change in status. Would you send your approval or objection. Within the next 14 days.

Many thanks

Dear Ms Richardson

Thank you for this re-consultation.

I am not personally familiar with this route, but am very happy that if there is evidence of its use as a restricted byway then the definitive map and statement should be modified accordingly.

Best wishes

Dear Ms Bird,

I contacted you last year regarding this route, after a review of the evidence it was felt that a Restricted Byway was more appropriate status, please see attached.

Kind Regards
