Background

- 7 In accordance with that decision arrangements have been made for the Neighbourhood Protection Manager to attend a meeting of the committee and provide information on fly tipping in County Durham.
- 8 Fly tipping is a key concern from our communities and has been a priority to continue to tackle for several years. In 2014/5 a multiagency taskforce was set up to tackle the issue which was rising year on year to the point. Since its inception Operation Stop It has reduced fly tipping until the pandemic.

- 10 The Presentation that accompanies this report highlight the following areas:
 - Durham's approach;
 - Comparison nationally and regionally;
 - What gets flytipped and where.
 - Detail of various campaigns
 - Future plans

Conclusion

- 11 Fly tipping remains a concern for Durham communities, we all have a responsibility to ensure we dispose of our waste correctly. Durham has performed well in tackling this issue and there has been a notable reduction in the number of fly tipping incidences, but there is more to do.
