t thereof, be 31° GEORGII II. by which the said antient Copyhold or Customary Premises are or have been passed, held, or surrendered, and subject to the same Bishop of

ne Remedies lent charged o be allotted d Tenements Predecessors e intitled to. harged upon Lands and in case the

clared, That ed to extend. to give any in the said ommissioners have a due e Rents and Lands and and to the d Lands and assigned and s as shall be

Lands and

ny Person or r Tenements be vested in eehold Lands its, and such the same, as ch Lands and ons for or in ments held of taken to be fanor, and be sed Copyhold reof they are id shall from d by such and Admittances,

Fees for the said new Surrenders, Admittances, and Copies of the same to which the said antient Copyhold Inclosures are subject; and that such Allotments shall be demised and demiseable in such Manner, and be subject to such Suit of Court, Duties, Services, and Customs as the same antient Copyhold or Customary Lands or Tenements are now held or enjoyed and demised respectively; and shall be also subject to, and charged with, the said Rent of Fourpence an Acre to the said Lord Bishop and his Successors, and the said Remedies and Powers herein given and provided for securing the same; and shall also be subject to the Payment to the Lord of

the said Manor of a Fine of Fourpence per Acre for every Acre of such Allotments upon every Admission upon the Death or Alienation of each such Copyhold or Customary Tenant thereof, over and besides the Fines now usually paid in such Cases for the said several antient Copyhold Lands or Tenements.

And it is hereby further enacted, That when the said Commons shall be so set out and ascertained and allotted by the said Commis-

sioners and their Successors, or any Three or more of them, by such Instrument or Writing as is herein-after mentioned, the several Persons to whom the said Lands and Grounds shall be allotted respectively shall, within Two Years next after the signing and sealing the Instrument in Writing herein-after mentioned, at their

own Expence respectively, inclose, hedge, ditch, and fence their several Lots, Shares, and Proportions of the same in such Manner as the said Commissioners and their Successors, or any Three or more of them, shall direct and appoint:

Provided, nevertheless, that convenient Gaps or Openings shall be left in the said Fences and Inclosures for the Space of Twelve Calendar Months next ensuing the execution of the said Instrument or Writing for the Passage of all Cattle, Carts, and Carriages in, by, and through the same, unless the several Parties interested shall agree that the same shall be sooner fenced and inclosed.

And it is hereby further enacted, That the said Commissioners and their Successors, or any Three or more of them, shall and may ascertain, set out, and appoint public and private Ways. Roads, and Passages in and through the Lands and Grounds so to be inclosed as aforesaid, with the Assize and Breadth thereof, all which public Roads so to be made shall be and contain Forty Feet in Breadth at the least between the Ditches, and shall and may order and direct the same public and private Ways and Roads to be made, maintained, and kept in Repair by such Person or Persons,

#### **Document F:** Extract of Inclosure Award Act

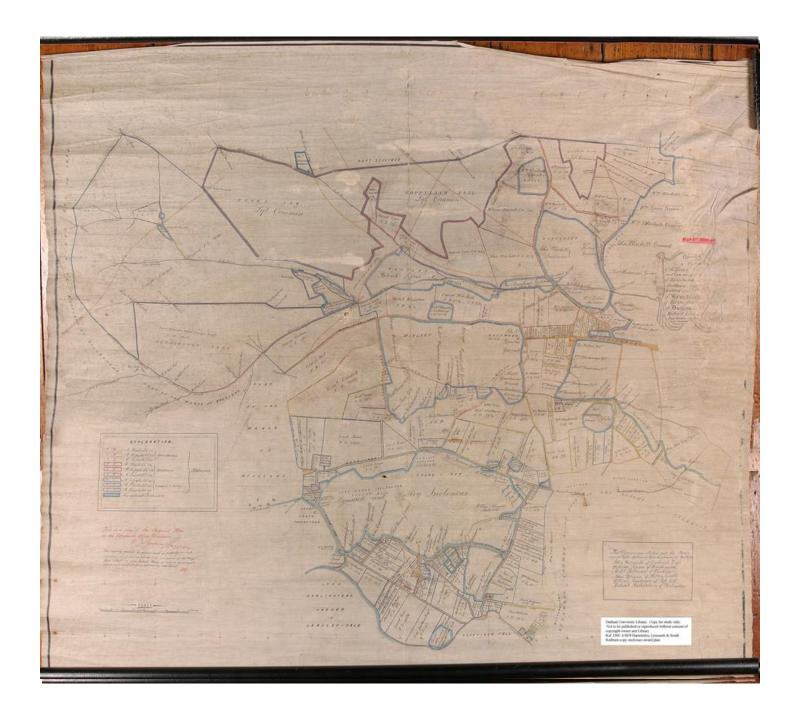

And it is hereby further enacted, That the said Commissioners and their Successors, or any Three or more of them, shall and may ascertain, set out, and appoint public and private Ways, Roads, and Passages in and through the Lands and Grounds so to be inclosed as aforesaid, with the Assize and Breadth thereof, all which public Roads so to be made shall be and contain Forty Feet in Breadth at the least between the Ditches, and shall and may order and direct the same public and private Ways and Roads to be made, maintained, and kept in Repair by such Person or Persons, Owners

### 31° GEORGII II.

Owners or Occupiers of such Lands so to be divided and inclosed in such Shares and Proportions, and by such Ways and Means, as to the said Commissioners and their Successors, or any Three or more of them, shall seem proper and expedient: And that it shall not be lawful for any Person thereafter to use any Roads or Ways, either public or private, over or along the said new Inclosures, either on Foot or with Horse, Carriage, or Cattle, other than such Roads as shall be so ascertained, set out, and appointed (except the Lord Bishop of Durham and his Successors, and his and their Lessees for the Time being, with respect to such Ways as are hereafter reserved to him and them for the Use of the Mines and Quarries within and under the said Moors or Commons): And also that the said Commissioners and their Successors, or any Three or more of them, shall and may assign, set out, and appoint proper Drains and Sewers in and through all or any Part of the said Commons or Moors, or any of them, for the draining and improving the same, and order and direct such Drains and Sewers to be cast, made, and repaired by such Person or Persons, Owners or Occupiers of the Grounds so to be allotted and set out as aforesaid, and in such Manner and Form as to them shall seem meet:

Provided always, That the said several Proprietors of the new Inclosures intended to be made pursuant to this Act shall have full Liberty, for the Term of Ten Years from the Time of the Execution of the said Instrument or Writing, to erect or set up any Gate or Gates in or cross any Part of the said Roads, against his, her, or their own Land, for keeping out Sheep and Cattle, and to prevent their destroying any Banks, Woods, Plants, Quicksets, and Fences which shall be made or planted for inclosing or fencing any Part or Parcel of the said Commons or Moors intended by this Act to be inclosed.
